**DEFENDANT'S CAUSE OF ACTION FOR JURY TRIAL SET 29 JAN 2019**

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") and to the limited extent possible for Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri (neither of which are within the jurisdiction of this local Lake County Court except within the fevered delusions of Bryan Reo – now a licensed attorney and perjurous officer of this Court (Bar # 0097470) and furthermore Roxie Fausnaught has never been served) to make an attempt on such short notice their proposed Cause of Action for the jury trial set 29 January 2019.

Defendant wasn't allowed to make a recording of the pre-trial conference of 6 August 2018 and Magistrate Roll took a lot more time than "two or three days" to draft up a Journal Entry dated a full month afterwards. Since Defendant didn't receive this Journal entry by mail until 11 Sept 2018 afternoon, Defendant asks for until Oct. 17th – a full month from the previous month's sixth day -- to file a better Cause of Action if this proposed general proposal isn't good enough.

**Pastor Lindstedt's Proposed Cause of Action at Trial**

1) First of all, Bryan Reo doesn't have a case. When Bryan Reo lost its federal trial by having the magistrate judge tell him that it was deemed frivolous and that Bryan Reo would have to pay $400 to refile it in federal district court if he wished to pursue it, Bryan Reo chose rather to beg the federal judge to file the exact same case with the Digital Millennium Copyright Act (DMCA) provisions stripped out with the events dating from early 2010 until April 14, 2014.

The remainder of Reo v. Lindstedt 15CV-001590 consisted of Reo whining about Pastor Lindstedt publishing on his web pages items from Reo's failed federal litigation which is a public record. The additional case, Reo v Church of Jesus Christ Christian / Aryan Nations of Missouri 16CV-000825 is merely Bryan Reo initially before the Mentor Municipal Court a bogus and frivolous and malicious action against a bed-bound elderly woman who has never harmed anyone and certainly not Bryan Reo and against Pastor Lindstedt's shell Church corporation which has no funds other than what Pastor Lindstedt puts into that corporation. The purpose of this malicious activity was to go against Pastor Lindstedt's domestic partner and Church secure in the malicious knowledge that they would lack legal representation and thus would get a bogus "default" judgment against them.

Thus for the First Count, Pastor Martin Lindstedt, Roxie Fausnaught, and Pastor Lindstedt's Church prefers Abuse of Legal Process, Malicious Prosecution, Vexatious Litigation and Conspiracy to do the same against Bryan Reo, Bryan Reo's Father Anthony D. Reo, William Finck, Melissa Epperson, William Shawn DeClue, and Reo Attorneys Brett Klimkowsky and Kyle Bristow. Clifton Emahiser, who plotted with Bryan Reo and William Finck to slip in jews and mongrels into Christian Identity and was likely a Sephardic marrano jew himself, is dead and thus no longer a party although its estate, currently taken by William Finck, might be up for scrutiny as to Emahiser's part in bringing this Reo mongrel into Christian Identity.

Upon meeting Bryan Reo at the Aug. 6, 2019 pre-trial conference, Pastor Lindstedt is convinced that while John "Johnny Tonto/6Killer" Britton along with Buck McHugh did conspire with Bryan Reo at least twice, John Britton was more of a victim of Bryan Reo's homosexual man-crush and stalking and impersonation by Bryan Reo across homosexual porn sites with Bryan Reo interfering with his federal civil case involving a Rolls Royce helicopter crash. Pastor Lindstedt doesn't need any evidence from John Britton. Besides since 2014 it has been discovered that John Britton / 6Killer is a lustful mongrel with four wives, and at least three sons and six daughters between them and so as a disloyal polygamous mongrel John Britton was removed from Pastor Lindstedt's Church Board of Directors. Much like "Victor Switzer" of Pine Bluff Arkansas, once Bryan Reo found out that John Britton wasn't white, the homosexual stalking disappeared and Pastor Lindstedt is convinced that John Britton is no longer working with Bryan Reo at least since 2014 thus predating this case. Thus John Britton is excused from this litigation insofar as Pastor Lindstedt is concerned.

2.) Defamation, invasion of privacy, and all the other nonsense supposedly brought up by Bryan Reo: Bryan Reo on its blog given it by William Finck reprinted on 5 Nov. 2010 Eli James's 1 November 2010 article claiming numerous times that Pastor Lindstedt was a convicted child molester. Bryan Reo on Aug. 6, 2018 was claiming that Pastor Lindstedt was sent to a mental ward prison for child molestation. Bryan Reo has been saying this libel per se since 2010, and refuses to admit that the case was dismissed prior to preliminary hearing. Pastor Lindstedt was illegally sent to a psychiatric prison for refusing to accept a public pretender to sell him out, just as they used to foam at the mouth for Soviet Russia doing to dissidents. William Finck, Melissa Epperson, and William Shawn DeClue have repeated this slander as well since 2010 to 2017 at least. Ever since March 2010 Bryan Reo has engaged in taking down Pastor Lindstedt's web pages, forums, and blogs. The latest attempt, last week on Sept 7, 2018, was making a bogus legal claim to Youtube, which did not suspend Pastor Lindstedt's account but did ban it from being seen in the United Kingdom and 26 other countries. This invasion of privacy, harassment, and defamation was in fact initiated by Bryan Reo and friends and Pastor Lindstedt's efforts have merely been to set the record straight since 2010.

3.) Stalking & Perjury. Bryan Reo has been stalking Pastor Lindstedt since 2010 but in early 2016 by impersonating Pastor Lindstedt on a NIM-Busters successor sitem Reo sought and obtained a fraudulent stalking order against Pastor Lindstedt because Pastor Lindstedt didn't wish to spend the at least $500-600 necessary (as it cost for the August 2018 trip to and from Lake County just to have this Court refuse to hold trial) just to defend himself against Bryan Reo fraud. Besides, it is useful for this Court to set a precedent for holding *in abstentia* drumhead quasi-judicial proceedings to execute regime criminals, their families, and to confiscate under color of law their estates and enslave those who test white and exterminate those who are non-white. Bryan Reo's antics which have been performed by this Court allowing Bryan Reo to run wild upon Aryan Nations and Klansmen should be made an issue.

**Roxie Fausnaught Response**

Roxie Fausnaught – who never was served – sends a note for her response. She is still bed-bound because the VA won't pay for her to get a new right hip. Pastor Lindstedt had to pay her daughter $120 plus room and board to pay to keep Roxie in our house for the August 2018 trip to and back from Lake County. Her bed-sores spread while Pastor Lindstedt was gone because her daughter doesn't do as good of a job in bandaging her plus her daughter lets her eat

whatever she wants to eat that isn't good for her as opposed to low carb. She wants Bryan Reo to be disbarred (I still can't get her to spell Reo's name correctly and spelling out "disbarred" is a challenge) or "kicked out" and for this Court to award her $25,000 for abuse of legal process / bothering her. See enclosed half-page note from Roxie Fausnaught.

**Church of Jesus Christ Christian / Aryan Nations of Missouri Response**

It is the notion of this Lake County Court that it can allow Satannic mongrel abominations such as Bryan Reo and William Finck to like Sodom and Gomorrah and the other three Cities of the Plain to commit murder and robbery under color of law upon outsiders which was the original Cause of Action by YHWH Elohim, cf. Genesis Chapter 19 and Book of Jasher Chapters 18 & 19. While Abraham did ask that these wicked cities be spared if there were at least 10 righteous men, this Church makes no such invocation to YHWH. Rather, under the law, Lake County Ohio, and if necessary the entire state of Ohio should be enslaved if white and exterminated if non-white and their property seized or in the alternative fire should come out of the North Perry Nuclear Power Plant to destroy these godless lawless sinners.

It is presumptuous for a place which was a fountainhead for the War of Northern Agression to repudiate the Armistices of 1865 in order to allow a negroid mongrel to claim a cause of action against an Aryan Nations pastor and Klansman simply because Pastor Lindstedt noted that Bryan Reo was a mongrel and doubtless a homosexual. When Magistrate Roll was telling Pastor Lindstedt about how the jury would likely be all conservative elderly whites, then was puzzling Bryan Reo's reference to "common law privacy" Pastor Lindstedt commented that under the common law Pastor Lindstedt could sell that high-yeller homosexual octaroom mulatto to a sodomite New Orleans cathouse along with its worthless parents as well. Magistrate Roll, who admitted that he couldn't understand either Bryan Reo or Pastor Lindstedt, but Pastor Lindstedt the least, acted like he would have a coronary and exclaimed that such a racist comment would lose all eight of eight of the conservative elderly white jurors.

This entire mess is caused by one homosexual mongrel wanting to pretend to be a white supremacist and Pastor Lindstedt saying that it couldn't and never would belong. This Court is engaged in judicial imperialism over 900 miles away and saying that non-whites have a cause of action against those Whites who say they cannot join up with them socially or religiously.

The cure for this imperialism is civil war in which one side or the other or both are exterminated. Mentor Ohio deserves to suffer the same fate as Lawrence Kansas dealt out by6 the likes of William Quantrill and Bloody Bill Anderson.

Wherefore, this is Pastor Lindstedt's attempt to try to obey this Court's Order upon such short notice mandating showing Pastor Lindstedt's Cause of Action against Bryan Reo and Reo's co-conspirators and those served. Pastor Lindstedt asks for a month's extra time given that Pastor Lindstedt didn't catch that this had to be done on Aug. 6, 2018 and that it wasn't drafted up until a full month later on Sept. 6, 2018.

Hail Victory !!!
