DEFENDANT'S AMENDED PRE-TRIAL STATEMENT FOR TRIAL ON 1 AUGUST 2017, WITH NEW INFORMATION AS TO BRYAN REO'S AND REO'S LAWYER'S FRAULULENT & MALICIOUS & VEXATIOUS ABUSE OF LEGAL PROCESS

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") and to the limited extent possible for Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri (which this local Lake County Court claims that due to the demands of its professional judiciary and Ohio Bar Association in defiance of the Constitutions of the United States, Missouri (where they reside) and probably Ohio given that according to this Court Pastor Lindstedt cannot speak for yet allows Bryan Reo to make a claim that they are responsible for Lindstedt's actions)) to Make this Amended Pre-Trial Statement for Jury Trial on August 1, 2017 from back in August 2016, then Sept. 2016 then Feb. 2017 then 6 June 2017. While Pastor Lindstedt does not recognize that this Court has any jurisdiction to grant Bryan Reo the ability to censor the Internet, nor to pursue claims prior to 2015 from 2010-2014 after Bryan Reo lost his previous fraudulent federal case due to Ohio Statute of Limitations, nor to whine about Pastor Lindstedt publishing the public records of that failed Federal case, nor to conclude that with over 50 cases before this local Lake County Court and dozens before the Northern District of Ohio from Bryan Reo victims seeking to avoid the "venue shopping" lack of jurisdiction of this Lake County Court, that these Bryan Reo and Attorney Brett Klimkowsky cases are nothing more than racketeering and barratry under color of law. Nor that Bryan Reo is a non-white wanna-be "White Supremacist" on the Board of Directors along with Kyle Bristow and Brett Klimkowsky of the Foundation For The

Marketplace of Ideas and that they are likely ZOG false fronts. Nor to publish items showing that Bryan Reo is a predatory homosexual as well as a mongrel. This Lake County Court has allowed itself to be used for purposes of Bryan Reo harassment against Pastor Lindstedt and his Church. However, after seven years of Bryan Reo and Bryan Reo conspirator harassment Pastor Lindstedt wants this matter to be settled by trial by jury in which Bryan Reo and his Father, Anthony Reo are made to settle up for their misconduct, Bryan Reo is barred from becoming an attorney just as it was from becoming a nuclear power plant worker, and Attorneys Kyle Bristow and Brett Klimkowsky are disbarred and sanctioned and Bryan Reo's co-conspirators William Finck, Melissa Epperson, Clifton Emahiser, William Shawn DeClue and John Britton are assessed default judgments which it is be up to the discretion of Pastor Lindstedt to collect.

Furthermore, Pastor Lindstedt wishes to re-open this bogus stalking case which Bryan Reo brought maliciously in which he logged onto a NIM-Busters Internet successor site and impersonated Pastor Lindstedt threatening to "castorate" Bryan Reo and do Reo harm in order to force Pastor Lindstedt to waste money driving 900 miles to and from Lake County. Pastor Lindstedt refused to participate in this farce because in Missouri there is no stalking charge – legitimate or NOT – which can cross county lines unless the distance is 1000 yards or less. Thus this fraudulent stalking case #16CS000102 was made against Pastor Lindstedt by Lake County Magistrates Adrienne S. Foster and Judge Vincent Culotta refusing to allow Pastor Lindstedt to call in via telephone and achieved in abstentia, a violation of Pastor Lindstedt's Constitutional rights by this Lake County Court. Bryan Reo routinely violates its own fraudulently-gained stalking order by sending via e-mail its fraudulent motions even though he has a lawyer. Pastor Lindstedt wishes to add 16CS000102 to this matter to be heard at trial for Bryan Reo's abuse of legal process, malicious prosecution and vexatious litigation and for Reo to pay damages and be imprisoned for perjury, along with investigation into Reo co-conspirators.

JURISDICTIONAL ISSUES

This Lake County Court has no real jurisdiction over Pastor Lindstedt, Pastor Lindstedt's domestic partner Roxie Fausnaught nor Pastor Lindstedt's Church as even Bryan Reo admitted in Dec. 2015 for his friends William Finck and Melissa Epperson.

http://bryanreo-lawsuits.xyz/ReovLindstedt_15CR001590/2015/Dec15/7Dec15/Melissa%20Motion%207Dec15.pdf

This Court only has jurisdiction over Bryan Reo, Bryan Reo's father Anthony D. Reo, and Reo's lawyers Brett Klimkowsky and Kyle Bristow working with Reo on the so-called

"Foundation for the MarketPlace of Ideas" a supposed "White Supremacist" legal foundation aping the Southern Poverty Law Center, but with homosexuals, jews and mongrels pretending to be "White Supremacists" just like Bryan Reo used to pretend to be a Dual-Seedline Christian Identity sub-pastor working with the jews William Finck and Eli James to expel genuine DSCI pastors with genuine DSCI Churches like Pastor Lindstedt and Lindstedt's Church. These imposters wish to use this Court without jurisdiction to violate the First Amendment because Defendants dared to say that Bryan Reo and its friends are mongrels and/or homosexuals, spawn-of-Satan jews, and ZOGbots – all of which is true. Therefore the only jurisdiction that this Court has is to punish wannabe lawyer Bryan Reo and these rogue officers of this Court with fines, banishment from the legal profession and even upon investigation imprisonment for mail and wire fraud and knowing abuse of legal process, vexatious litigation and malicious prosecution.

STATEMENT OF FACTS AND LAW

This previous Pre-Trial Statements should stand. Pastor Lindstedt found out that Bryan Reo is a homosexual mongrel – the most twisted Satannic mongrel homosexual abomination that Pastor Lindstedt ever witnessed. The only regret in blowing the whistle on Reo and f[r]iends is that Bryan Reo was detected because of these true statements and thus fired as a security risk from working at the North Perry Nuclear Power Plant where this evil critter couldn't pull a Chernobyl or Fukishima or Three Mile Island and kill six million or more of you Northeast Ohio pieces of shit. Perhaps with time this can be remedied.

Since then Bryan Reo is joining with other non-whites and agents provocateur in something called the Foundation for the Marketplace of Ideas which is supposed to advance White Supremacy. Bryan Reo is the "law clerk" of Attorney Kyle Bristow, licensed in Ohio and Reo's lawyer is Brett A. Klimkowsky. They don't like Pastor Lindstedt asking what is a so-called White Supremacist legal organization (or as Lindstedt calls it, the ZOGbot Poverty Flaw Center) doing with a mongrel homosexual that files all these bogus lawsuits to steal under color of legal process. **http://www.freedomfront.org/board-of-directors/**

In the Reply Brief of Bryan Reo and Attorney Klimkowsky they have cut back on their lies trying to prevent Pastor Lindstedt from testifying at trial. They still insist that Pastor Lindstedt is insane and in their own twisted minds claim somehow Pastor Lindstedt is a child molester yet whine that Pastor Lindstedt says that Bryan Reo isn't even remotely white and there

is ample reason to assume Reo is a homosexual (which has been published) while still pretending to be "White Nationalists" and a legal organization for White Supremacists.

Unlike most of the victims of Reo and Klimkowsky barratry for fun and profit, Pastor Lindstedt has agreed to fight it out via response to this frivolous and malicious and vexatious litigation while recognizing that this Court has no real jurisdiction over Lindstedt or Lindstedt's Church or girlfriend. Like the combatants of the Thirty Years War Christian Soldiers should always seek to find excuses to exterminate anyone on Satan's side. Bryan Reo and Reo's lawyers work for and with rising stars on the "Alt-Right" like the homosexual race-mixer ZOGbot Richard Spencer, the caught jew Mike "the kike" Enoch/Peinovich, and others who are trying to "unite the Alt-Right." Destroying their reputations by harnessing them to known and caught homosexual mongrels like Bryan Reo is a plus.

Recently Pastor Lindstedt received a subpoena regarding forcing Google.com to release "any and all documentary information" regarding the account of **Daniel.H.Hauer@gmail.com**. Pastor Lindstedt doesn't know any Daniel Hauer, there isn't any mention of this person's name on Pastor Lindstedt's web pages which are the basis for this litigation. Making a Google search reveals that there is a "Daniel Hobart Hauer" in Chesterfield or Mt. Clemens Michigan. Pastor Lindstedt suspects that this fraudulent case is being used by Attorney Kyle Bristow for purposes of harassment on a case unrelated to these cases. If so, Attorney Kyle Bristow should be sanctioned and disbarred for abuse of legal process against others, not just against Lindstedt and Lindstedt's Church.

Furthermore, Roxie's daughter fed Roxie some bad food and plugged Roxie up so she had to be sent by ambulance to the hospital, where they unplugged her up and took an x-ray of her hip. The doctors say that Roxie is healing albeit slowly, While Pastor Lindstedt has recently purchased a Suzuki Swift that gets 40 miles per gallon, if Roxie isn't allowed to testify by phone or a two-month continuance is granted that will be used upon appeal if Lindstedt and Lindstedt's Church loses this jury trial.

Hail Victory !!!
