MOTION UNDER OHIO RULE OF CIVIL PROCEDURE RULE 11 AND R.C. 2323.51(A) TO SANCTION BRYAN REO AND BRYAN REO'S ATTORNEY BRETT A. KLIMKOWSKY FOR FILING A PERJUROUS AND LAWLESS MOTION IN LIMINE TO PREVENT PASTOR LINDSTEDT VIA A FALSE CLAIM OF INSANITY FROM TESTIFYING ON HIS AND HIS CHURCH'S BEHALF AND AGAINST BRYAN REO'S MALICIOUS, FRIVOLOUS AND ABUSIVE PROSECUTION OF NUMEROUS FRIVOLOUS AND VEXATIOUS LAWSUITS ABSENT CAUSE OR JURISDICTION AGAINST PASTOR LINDSTEDT AND HIS CHURCH

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") to Motion that Bryan Reo AND Bryan Reo's Attorney, Brett A. Klimkowsky be sanctioned by this Court (1) by a striking of their Motion in Limine to Exclude and Disqualify Pastor Lindstedt from being able to testify on behalf of his Church and himself but also against Bryan Reo for Bryan Reo's seven year campaign to censor Pastor Lindstedt's and Lindstedt's Church's campaign to take down a dozen or so Church web pages, those of others who were neutral, and sundry cyberstalking and harassment but most importantly in abuse of legal process, vexatious and frivolous litigation and malicious prosecution of not only the two combined cases 15CV001590 and 16CV000825 but of a malicious perjurous stalking case conducted ex parte and in abstentia (16CS000102) against Pastor Lindstedt and Lindstedt's Church before various judges of the Court without jurisdiction to censor the Internet from an out-of-state defendant 900 miles away.

Sanction #(2) should be for this Court to rule that Bryan Reo cannot become an attorney / officer of this Court and to order the expulsion of Bryan Reo for perjury and abuse of legal process for this and 50 other cases before this Court and another several dozen before the

Northern District of Ohio federal court in Cleveland. Bryan Reo for good reason blames Pastor Lindstedt and Lindstedt's Church web pages for getting Bryan Reo detected as a "White Supremacist" and fired as a security risk from the North Perry Nuclear Power Plant and then kicked out of the Nuclear Technicians Course at the Lakeland Community College by Hiram Reppert once Reo got blacklisted permanently from working at a nuclear power plant.

Sanction #(3) should be to permanently disbar for fraud, perjury, malicious prosecution Bryan Reo's Attorney Brett A. Klimkowsky who has perjured himself to this Court before necessitating dismissal in the forum-shopping re-filed case Reo v. National Auto Division 16CV000526 on July 13, 2016. Bryan Reo filed a case against National Auto Division (Case # 15CV001850), then National Auto Division brought it to the federal court (1:15-cv-02517-DAP) where Reo and Klimkowsky got caught with a fraudulent claim, were forced to dismiss that case, then promptly refiled it again before this Court as 16CV000526. This Court threatened sanctions, but allowed Bryan Reo and Brett Klimkowsky to wriggle out of what is standard practice between the two of them acting in collusion to defraud, extort and racketeer under color of law across county and state lines numerous small family businesses as well as this Pastor.

Sanction #(4) should be to sanction the last crooked lawyer over whom this Court has jurisdiction, i.e. Attorney Kyle Bristow, for whom Bryan Reo is Bristow's "law clerk" and Satanic mongrel "brain" working for an outfit calling itself the "Foundation for the Marketplace of Ideas" which is supposed to be according to the Southern Poverty Law Center a "White Supremacist / Aryan Legal Group" for the advancement of White Nationalists.

https://www.splcenter.org/fighting-hate/intelligence-report/2017/attorney-for%E2%80%85aryans

However, some of Bryan Reo's and Brett Klimkowsky's sundry Motions have sported "flat staple" of the kind used by courts and law offices, a post-mark from the sorting post-office at Detroit which is where Kyle Bristow has his law offices, and in recent years the form used by Bristow in Bristow's Motions to Strike for Matthew Heimbach for assaulting a fat negress and on behalf of James Edwards' failed libel lawsuit against the Detroit Free Press. It is obvious that Attorney Kyle Bristow is associated with these bogus, perjurous and fraudulent Motions against Pastor Lindstedt and Lindstedt's Church. Pastor Lindstedt refers to this "White Supremacist" legal-aid foundation as "The ZOGbot Poverty [F]Law Center because it contains so many mongrel homosexuals like Bryan Reo and jews like Mike 'the kike' Enoch/Penovich and lawyers like Thom Robb's lawyer son Jason Robb. Pastor Lindstedt for Exhibit #3 of his 9 Feb 2017

filing against Attorney Klimkowsky's Motion to get Bryan Reo's father off the hook, notified this Court as to the interactions of Bryan Reo and various "White Supremacist" pretending lawyers, of whom this Court has jurisdiction over Brett Klimkowsky and Kyle Bristow. Since it is clear that Attorney Bristow has control and supervision over Bryan Reo and Attorney Brett Klimkowsky, their perjuries, falsifications, and abuse of legal process against not only Pastor Lindstedt and Lindstedt's Church but against numerous other parties whom Reo has oppressed. Thus this Court should sanction Attorney Kyle Bristow by taking away their license to practice law against others as well as a genuine Aryan Christian Identity White Supremacist Pastor who runs a genuine Dual-Seedline Christian Identity Aryan Christian Israelite Comparetian Church.

Pastor Lindstedt admits to being a White Supremacist, a world-class racist of note and repute, a former militia leader, Klan sympathizer, Holohoax denier, Spawn-of-Satan dirty-jew hater, the Father of both "Prion-Poisoning" and [bowel]-Movement critic and decentralizer, Advocate for The Ten Thousand Warlords which will replace the fraud of CONstitutional Repub[l]icanism but what Pastor Lindstedt is NOT is a liar, a fraud, or incapacitated mentally to the point of not being able to discern reality. Although Pastor Lindstedt was indeed railroaded into a maximum security psychiatric "hospital" for refusal to accept a public pretender to mis-represent him for a fraudulent child-molestation charge which fell apart before preliminary hearing, the Motion in Limine to Disqualify Defendant From Testifying drafted by Reo, Klimkowsky and Bristow is a collection of perjury, fraud, and sheer maliciousness to try to prevent Pastor Lindstedt from bringing to a conclusion through open jury trial these frivolous lawsuits by Bryan Reo before this Court of no jurisdiction other than over Reo & Conspirators.

I. STATEMENT CONTROVERTING BRYAN REO "FACTS"

Bryan Reo is a shit-skinned, slant-eyed, negro-lipped homosexual mongrel with delusions that it is an Aryan Christian-Israelite Dual-Seedline Christian Identity "sub-pastor" under the tutelage of a negro-nosed Ashkenazi murderous jew pig (that pled guilty to murdering one Arnauldo Ortega in the Jersey City jail and did 12.5 years for it) named William Finck pretending to be a "Greek scholar" whose ability to make these claims fell apart in Oct. 2010 when through Finck's stupidity and what one Everett "Buck" McHugh has told Lindstedt, was outed and kept from making threats by Pastor Lindstedt finding out "SwordBrethren's / SoredMamzer's" real identity and past criminal history and posting that information onto the Internet using Church web pages. Whereupon Bryan Reo took down a dozen or so of Pastor Lindstedt's Church web pages and NIM-Busters four times and a homosexual 4-Chan web page

called "upstandingfuckingcitizens.com" while impersonating John Britton in order to meddle with his federal lawsuit involving a helicopter crash, and many other pages which crossed Bryan Reo. Bryan Reo sued Pastor Lindstedt for $10.75 million in federal court, had that bogus case dismissed, then filed another defamation and libel lawsuit before this Lake County Court (15CV001590) then when ridiculed some more filed a bogus *ex parte* stalking case decided *in abstentia* (16CS000102) which Pastor Lindstedt wants re-opened and re-settled, and then a case against Pastor Lindstedt's domestic partner Roxie Fausnaught and Pastor Lindstedt's Church of Jesus Christ Christian/Aryan Nations of Missouri before the Mentor Municipal Court which it decided that it didn't have or want jurisdiction over so it kicked it upstairs before this Court where it has become 16CV000825. Pastor Lindstedt, unlike most of Bryan Reo's victims of legal abuse hasn't panicked but rather understood that this Court doesn't really have jurisdiction to censor the Internet just because some whiney homosexual mongrel that calls Pastor Lindstedt a "[convicted] child molester" doesn't like being ridiculed as a deranged mongrel homosexual pretending to be a "White Supremacist" on the Internet. Why shouldn't this Court be subjected to ridicule and derision for allowing Bryan Reo to make this Court its bitch? Pastor Lindstedt agrees with Shakespeare and Joseph Stalin as to the necessity of exterminating lawyers as counter-revolutionary parasites. Bryan Reo, Attorneys Brett Klimkowsky and Kyle Bristow don't want these truths to come out and so they have drafted a frivolous Motion to disallow Pastor Lindstedt to testify for himself and his Church and against Bryan Reo because they claim that Lindstedt is insane. This foolishness while Bryan Reo, with its delusions of Aryaness and dreams of shooting it out with the FBI and Lake County police is a violent psychopath. Granted Pastor Lindstedt is extremely remorseful that his Church web pages got Bryan Reo fired from the North Perry Nuclear Power Plant where it won't get to kill millions of Northeast Ohio pieces of shit and make Cleveland glow in the dark. If only I'd known. Pastor Lindstedt has known both in the Nuthouse and in the bowel Movement a number of psychos, and has ample reason to suspect that rather than shooting it out with the FBI like it said it would on Stormfront in Dec. 2008 that it will likely start at the Mentor Elementary School because it is both cowardly and evil. Yes, Bryan Reo is nuts. But this Satanic homosexual mongrel abomination is most of all – EVIL.

Regarding the status phone conference for 16CV000825 held on 3/29/17 that Bryan Reo and Brett Klimkowsky (who wasn't there) lies about in its fraudulent Motion (which it calls the "Motion to Exclude Marty") Pastor Lindstedt video-recorded it and Magistrate Roll audio-

recorded it. Pastor Lindstedt put up sufficient of the video-recording on Youtube to prove that Bryan Reo is lying. This Court might wish to see the following Youtube videos for itself:
https://www.youtube.com/watch?v=jCrZok4gi2s ←---Part 2
https://www.youtube.com/watch?v=iUvR5n7EymA&t=2s ←----Part 3

Bryan Reo fraudulently claims that on 3/29/17 "Lindstedt claimed that he had an ex parte phone conversation with Judge Collins and that Judge Collins stated his dislike of Bryan Reo and his desire to see Lindstedt prevail" and that Magistrate Roll had to press Lindstedt to admit that this didn't happen. [p3 para 2] However, no such thing was said by Lindstedt. Rather, Lindstedt said that Collins had upon this case arriving from the Mentor Municipal Court that Collins "said", i.e. wrote a journal entry about consolidating 16CV000825 into 15CV001590 which was later done. While Bryan Reo did sue Judge Collins for a bogus writ to force Collins to rule as Reo wanted against Roxie Fausnaught and the Church in Feb. 2017 and Lindstedt was aware of the case number 2017-L-036, it wasn't ordered, and received and read until early May 2017. Unlike Bryan Reo Pastor Lindstedt doesn't make up lies about something he doesn't know about, i.e. the contents of 2017-L-036 which was Bryan Reo trying to force Judge Collins into ruling that because Bryan Reo and Lawyers Klimkowsky & Bristow were filing a bogus claim against Roxie Fausnaught and the Church and neither of the two were represented by lawyers that Judge Collins had to make a default judgment in Reo's favor, thus using the usurped power of the bar association to defraud those innocents outside this Court's jurisdiction. Collins rendered this appeal for writ by Reo moot by giving Reo a bogus default judgment sans jurisdiction against the Church and ruling that Roxie had indeed answered Reo's frivolous complaint and setting up the case management conference on 3/29/17. The video above proves Bryan Reo is lying about what Lindstedt said and which Attorney Klimkowsky knowingly signed off on these lies of both fact & law. Lindstedt has never spoken directly to Judge Collins.

Nor in the video recording for 3/29/17 did Lindstedt claim that he spoke to Judge Trebits of the Mentor Municipal Court. Rather, Pastor Lindstedt spoke to the Clerk of that Court and she said that they know Bryan Reo is allowed to abuse legal process in the Lake County Court and they didn't want it to happen in Mentor. Pastor Lindstedt asked that Court for a summary judgment of $15,000 as they had admitted jurisdiction over Reo if not Lindstedt and Lindstedt's Church, but the Clerk insisted that Judge Trebits was going to kick it up to Lake County. Bryan Reo lies yet again in this, its and Attorney Klimkowsky's latest frivolous and perjurous Motion.

Reo lies again claiming that Lindstedt claims that "dozens" of Reo lawsuit victims have been in contact and working with Lindstedt on 3/29/17. While this is indeed theoretically possible given the sheer number of Bryan Reo / Klimkowsky bogus lawsuits allowed to proceed in Lake County, most of the Reo/Klimkowsky victims are terrorized and scared to fight with Reo unlike Pastor Lindstedt who us always prepared to fight back against this Spawn of Satan homosexual mongrel abomination working for ZOG/Babylon the Third and Final.

Insofar as being unable to appreciate the seriousness of an oath, the only one who has signed anything under oath in these Reo lawsuits is Pastor Lindstedt. In Missouri, unlike Ohio, civil complaints must be verified under oath and it is unknown for vexatious litigants like Bryan Reo to be allowed thirty, much less fifty civil lawsuits in a county court like before this Lake County Court. In Missouri Bryan Reo would have lost within the third vexatious lawsuit and been put into prison for perjury and Attorney Brett Klimkowsky would have been disbarred for pulling what it tried to pull cf. *Reo v. National Auto Division* 16CV000526 on July 13, 2016.

Bryan Reo is "paraphrasing"/lying concerning its vague claims concerning Pastor Lindstedt's admittedly cheap shots against Judge Richard Collins and Magistrate Kenneth Roll. Magistrate Roll has a woman's voice and both Pastor Lindstedt and Roxie Fausnaught remarked upon that fact, although Roxie doesn't take cheap shots.

Pages 3 & 4 are filled with Bryan Reo psycho-analyzing Lindstedt's mental condition and playing fast and loose with the facts. Pastor Lindstedt doesn't care how many Motions Bryan Reo makes because they are filled with lies as to both fact and law. Pastor Lindstedt will take Reo's Motions and Counter them and post them to the Church web pages with a ridiculous and racist title so that everyone interested can read this retarded crap and hold it in ridicule. Pastor Lindstedt has filed to run for state and federal office and only got over 6,000 votes in the Republican primaries. The most famous race was for the U.S. Senate Reform party primary in which Pat Buchanan denounced Lindstedt for racism in which the winner won by 300 votes and Lindstedt got 200+. Pastor Lindstedt doesn't deny saying a number of things over the years. What is delusional is that an exposed mongrel homosexual like Bryan Reo actually thinks that it can keep on pretending to be White, Aryan and heterosexual given its past and that this Court can censor the entire Internet if Bryan Reo and Reo's lawyers can write creative motions enough.

Pages 5, 6, and the top of Page 7 of the Reo/Klimkowsky Motion consists of complaints that Pastor Lindstedt has called Bryan Reo a homosexual mongrel of which the DSCI terminology is "mamzer-faggot." For once Bryan Reo is sort of speaking the truth. Bryan Reo is

a homosexual mongrel. Anyone looking at a Bryan Reo picture can see the part about the mongrel in that Bryan Reo isn't even remotely White to a racial and religious community of White Supremacists and Christian Identity to whom this matter is all important. Insofar as Bryan Reo being a homosexual, what with the effeminate voice, mannerisms, the pictures on Facebook, Xuqa.com, and the blackmailing of "Victor Switzer" an eighth-breed Choctaw mongrel and that of John Britton, Pastor Lindstedt is certain that Bryan Reo is a homosexual even though (thankfully) Bryan Reo hasn't engaged in homosexual acts in the sight of Pastor Lindstedt. In short Bryan Reo kicks off everyone's "gaydar" as strongly as our "mamzerdar".

Insofar as Pastor Lindstedt saying that he thinks that Bryan Reo is the next Adam Lanza, while Pastor Lindstedt has heard a 3 minute 16-second audio recording made by Buck McHugh in which Bryan Reo delusionally claims to be ready with its father to gun down the FBI and Lake County police and there still is a thread on Stormfront from Dec. 2008 claiming as much and Bryan Reo has threatened to murder an old Greek woman and to rape John Britton's wife and daughters and to come to Granby to assault Pastor Lindstedt, Pastor Lindstedt thinks that Bryan Reo is such a coward that it is far more likely that him and Attorney Bristow are going to shoot up an elementary school with all the high-powered semi-automatic weaponry that they like to homoerotically pose with all the time. If Reo is cornered by the police, yes like a cornered rat Reo will cum out shooting. But when Reo loses this frivolous lawsuit, and is barred from becoming a lawyer, yes indeed Reo will go postal against your community's weakest and youngest. Pastor Lindstedt has known both James vonn Brunn the so-called Holohoax Museum shooter (who was no such thing as Vonn Brunn went "armed" with an old 22 rifle to get himself killed and the stupid negro guards shot one of their own) and TraitorGlenn Miller the drunken Lumbee melungeon ZOGbot who gunned down three mongrels at the Old Kikes' Home in Kansas as one final act for ZOG and who is now on death row in Kansas. Bryan Reo is far more messed up and psychotic and evil than a 100 James vonn Brunns and a dozen Traitor Glenn Millers. This Court should order a psychological evaluation of Bryan Reo, and maybe Attorney Kyle Bristow. Attorney Brett A. Klimkowsky is merely a stupid crooked lawyer not dangerous.

Bryan Reo and Attorney Brett Klimkowsky then commit knowing defamation and libel against Pastor Lindstedt by claiming – quote -- ***"Defendant has a history of being indicted for sexual crimes against children, and does not appear to understand that it is improper to sodomize children."*** Page 7, para 4, Plaintiff's Motion of 25 May 17. This is malicious *libel per se* which Bryan Reo has engaged in against Pastor Lindstedt since 2010 in response to Pastor

Lindstedt calling Bryan Reo a homosexual mongrel working for the feds. As "proof" they offer an ADL news clipping as Exhibit 1, while ignoring that Bryan Reo and Attorneys Klimkowsky and Bristow are supposed to be White Supremacists working against the jews and their foremost jew organizations such as the ADL. On Nov. 1, 2010, within three days of Pastor Lindstedt's finding out Bryan Reo's real identity and past history, Eli James published the following article entitled "Rabbi Lindstench: Race Traitor or Jew?" in which Eli James/Joseph November called Pastor Lindstedt, among other things, a "convicted child molester" a dozen or so times. ***http://www.anglo-saxonisrael.com/content/rabbi-lindstench*** <--- Article still up.

Bryan Reo then republished this above article in full on Nov. 5, 2010 on his wordpress blog given to him by William Finck and didn't take it down for years until the time came for Bryan Reo to sue Pastor Lindstedt in federal court. See Document #24 filed 22 April 2015. http://pastorlindstedt.org/lindstedt/legal/SoredMamzer/2015/Apr15/22Apr15/24_Counter-claim_22Apr15.pdf

In Bryan Reo's Motion, Exhibit #2 is of a Neosho Daily News article dated 1 Aug 2008 in which Bryan Reo and Attorney Klimkowsky knowingly fraudulently claim that this hearing was about Pastor Lindstedt's being put into the Fulton State NutHouse for child molestation. Actually by August 1, 2008, Pastor Lindstedt had by engaging in litigation against the State Nuthouse regarding conditions there, by declared ineligible for a public pretender and pretending to hire a private attorney had ended his illegal forced doping and been released from the NutHouse. The entire point of the illegal imprisonment had been because Pastor Lindstedt refused to allow a public pretender to mis-represent him so that Pastor Lindstedt could face his alleged accuser, namely his semi-retarded grandson whom they coerced to allegedly lie that Pastor Lindstedt had kissed his penis and buttocks years earlier, something forensically impossible to prove one way or another and which in any case never happened. At the hearing on Aug. 1, 2010 Pastor Lindstedt refused to hire the private attorney as promised, so they Newton county prosecutor and judges tried to get Pastor Lindstedt to make a deal to leave the state. After another couple of months, Pastor Lindstedt got access to a law library, then bond cut from $100,000 to $10,000 and the fraudulent case fell apart when Pastor Lindstedt's retarded grandson refused to lie against Pastor Lindstedt and the case was dismissed on Feb. 27, 2009. ***http://www.whitenationalist.org/forum/showthread.php?364-Its-Over-The-Charges-Against-Me-Have-Been-Dismissed*** & ***http://whitenationalist.org/lindstedt/dsms0209.jpg***

All of which Bryan Reo was and is well aware of yet still Reo lies to this Court.

Exhibit Three of Bryan Reo's bogus Motion is taken from a Youtube video from 2015 in which Bryan Reo is all incensed over Pastor Lindstedt asking "Rabbi Finck . . . Murderous jewboy pig . . . or gifted half-witted Talmudic skrewler?" There is a picture of Pastor Lindstedt, half-bearded as usual sitting in front of his hovel at 338 Rabbit Track Road. Bryan Reo is obviously disturbed that Pastor Lindstedt is making fun of William Finck who murdered a Puerto Rican sneak thief yet practices rabbinical Talmudic papist-preterist No-Devil See-Eye Dentistry. For someone who claimed that Pastor Lindstedt "stole" Reo "privileged information" from Reo's public Facebook page, from this gaming site Xuqa.com, and from Reo's public blogspot blog, and William Finck's provided Wordpress blog, and tried to sue Pastor Lindstedt in federal court for $10.75 million Bryan Reo and Attorney Klimkowsky are certainly cavalier in "stealing" Pastor Lindstedt's image from a Youtube video. But then again, the purpose of Bryan Reo and Attorneys Klimkowsky and Bristow is to steal through abuse of legal process as much of Pastor Lindstedt's and Lindstedt's Church's property and to censor as much as possible Pastor Lindstedt's free speech warning them about Bryan Reo and Reo's co-conspirators pretending to be White Supremacists and Dual-Seedline Christian Identity religious leaders. Pastor Lindstedt shall have to print up and exhibit the many Bryan Reo pictures showing Bryan Reo as an effeminate obviously homosexual perverted psychotic Satanic mongrel abomination.

The rest of Reo's/Klimkowsky's perjurous blatherings concern what they pretend to think that Pastor Lindstedt thinks, which is silly because there isn't ever going to be any agreement.

II. REO/KLIMKOWSKY/BRISTOW "LAW" & SPECIOUS ARGUMENT

Bryan Reo and Attorney Klimkowsky, scared that these cases would finally come to jury trial have filed a Motion to keep Pastor Lindstedt from testifying on his own behalf to defend himself and his Church and domestic partner and against Bryan Reo, Bryan Reo's father, Bryan Reo's co-conspirators already served and against Attorneys Klimkowsky and Bristow in order to get them disbarred and Bryan Reo never able to get a license to malpractice law. They claim that Pastor Lindstedt is delusional and unable to deal with reality or to tell the truth because Pastor Lindstedt is insane. Yet admitted in effect is that for all of the myriad Motions to Strike and for Summary Judgment and for Sanctions is that unlike most of Bryan Reo's small business and corporate defendants with high-priced lawyers, Pastor Lindstedt keeps on publishing the proceedings on his Church web pages, and that eventually this case will go to trial in Lake County and that this will spawn countless other federal and state litigation in which Bryan Reo as a quasi-public figure pretending to be a White Supremacist legal board is seeking to censor web

pages. To this day, Bryan Reo claims that Pastor Lindstedt is committing libel by pointing out that Bryan Reo is a psychotic homosexual mongrel working as an agent provocateur for the federal government who has threatened violence in the past and is quite likely to go postal in the future while Bryan Reo and Reo's lawyer knowingly lie that Pastor Lindstedt is a liar, crazy, and a child molester. Bryan Reo seeks to "win" by default through legal trickery without Pastor Lindstedt or his Church getting their fair day in Court while Pastor Lindstedt seeks to have Bryan Reo and Reo co-conspirators punished and made to pay for abuse of legal process and vexatious litigation and this stopped by criminal prosecution as well as civil litigation and having Bryan Reo's attorneys disbarred and Bryan Reo kept from ever filing these frivolous cases again.

The Ohio and U.S. Constitutions claim that Pastor Lindstedt has a right to publish the truth as he sees it. This Court doesn't have jurisdiction to say otherwise.

III. CONCLUSION

For the reasons set forth therein, this Court should deny Plaintiff Bryan Reo's frivolous and perjurous Motion admittedly made for the purpose of denying Pastor Lindstedt the ability to testify on his own behalf and against Bryan Reo on the counter-suit for abuse of legal process, malicious prosecution of this frivolous and fraudulent litigation, and vexatious litigation which is easily proven by this perjurous idiotic and unheard-of Motion by itself. Also, since Bryan Reo wants to bring up the matter of psychiatric review, Bryan Reo should be examined before Bryan Reo ambushes federal, state or local law-enforcement like Reo has threatened to do and admits to doing on a 3 minute audio recording and on a Stormfront forum thread from Dec. 2008 and as Pastor Lindstedt expects Reo to do against some elementary school in the near future.

Exhibits tending to show the proof of these matters shall be attached, and posted on Pastor Lindstedt's Church web pages as usual.

Hail Victory !!!

Certificate of Service:

Pastor Lindstedt was improperly e-mailed by Bryan Reo as Reo has achieved through fraud and perjury a bogus ex parte in abstentia stalking case against Pastor Lindstedt (15CS000102) and thus having a lawyer has no reason to e-mail Pastor Lindstedt, especially since Pastor Lindstedt puts everything on Pastor Lindstedt's Church's web page anyways. Bryan Reo claimed on 23 May that his attorney Brett Klimkowsky, fellow Board Member of the ZOGbot Poverty Flaw Center / Foundation for the Marketplace of Ideas had mailed a signed copy of the Motion to Exclude Defendant from Testifying. However, Pastor Lindstedt chalked it up to Bryan Reo maliciousness as Pastor Lindstedt didn't think that even a crooked lawyer like Klimkowsky would be so stupid as to actually sign then file something so likely to lead to disbarment. Pastor Lindstedt didn't receive the signed copy until Friday 26 May 2017 and confirmation that it had actually been filed until 5 June 2017. Wherefore, this Motion in response has taken a full two weeks to draft and will be mailed today and hopefully be before this Court Monday or Tuesday, 12-13 June 2017.
