**DEFENDANTS'/COUNTER-CLAIMANTS' AFFIDAVIT OF PLAINTIFF BRYAN
REO'S KNOWING PERJURY TO THIS LAKE COUNTY OHIO COURT AND TO
THAT OF THE FEDERAL COURTS AND JUDGES IN THE NORTHERN DISTRICT
OF OHIO AND WESTERN DISTRICT OF MISSOURI**

COMES NOW the current Defendant(s)-Counter-Claimants Pastor Martin Lindstedt and Lindstedt's non-profit church corporation in good standing The Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter in person described as "Pastor Lindstedt" and the Church corporation referred to as "Pastor Lindstedt's Church") to file this Verified Affidavit proving the following:

1. Pastor Martin Lindstedt is the Defendant in a fraudulent civil action instigated by Bryan Reo in the Lake County Ohio Court of Common Pleas after Plaintiff Bryan Reo lost his federal case started in the U.S. federal district court of the Northern District of Ohio before U.S. District Court Judge James Guin on April 15, 2014 and dismissed on Sept. 10, 2015 by U.S. Magistrate Judge Matthew Whitworth of the U.S. federal district court of the Western District of Missouri. Pastor Lindstedt's Church Corporation, The Church of Jesus Christ Christian is a

Exh. 47 H1

religious public-benefits Church corporation in good standing before the Missouri Secretary of State, with headquarters at 338 Rabbit Track Road, Granby Missouri 64844.

2. The purpose of this Affidavit is to demonstrate that Plaintiff Bryan Reo filed a fraudulent police report to the Lake County Ohio Sheriff's Department (LCSD) on March 7, 2011 for "Aggravated Menacing" and "Telecommunications Harassment" against Pastor Lindstedt, John Britton and Russell Walker. However, in the LCSD report, Bryan Reo, knowing that his lies would be actionable if false arrests were made refrained from signing that report as true. The part which was true was that Russell Walker had posted a Lexis-Nexis public record that Walker had obtained from John Britton who got it from his lawyer Stuart McCarty, who gave it to Britton to disseminate because Bryan Reo had interfered in Britton's federal lawsuit because of sheer maliciousness.

3. On Nov. 28, 2010, after Bryan Reo and other of Reo's co-conspirator co-counter-defendants had fraudulently used the Digital Millennium Copyright Act (DMCA) in order to remove a number of Pastor Lindstedt's Church's web pages, Bryan Reo called into Pastor Lindstedt's Live Talkshoe Podcast to bait Pastor Lindstedt and John Britton over Reo's taking down Lindstedt's Church's web pages, to call Pastor Lindstedt a pedophile and to induce John Britton to threaten to kill Reo after inciting Britton by having posted that Reo was going to rape Britton's wife and daughters. Pastor Lindstedt allowed Reo live air time because Lindstedt wanted to know if Reo would file suit in federal court under the DMCA because Lindstedt had filed a Nov. 18, 2010 Counter-Notice to Reo's Nov. 15, 2010 Take-down Notice.

4. Bryan Reo said that he would undertake litigation at Reo's "leisure" as opposed to the mandatory ten business days to file in federal district court according to the DMCA. John Britton lost his temper while goaded by Reo and threatened to shoot Bryan Reo.

5. Bryan Reo decided in December 2010 to interfere with John Britton's federal lawsuit before the U.S. District Court in Idaho and got in touch with the attorney for Rolls Royce whose engine was the cause of a helicopter crash and claim that John Britton was violent and that Britton's uncle was an Aryan Nations chieftain and that Lindstedt and John Britton were Aryan Nations members. This scheming by Bryan Reo eventually failed, but not for lack of trying.

6. Bryan Reo made complaints about Britton and Pastor Lindstedt to a number of federal police agencies, especially the Secret Service, but also to the Lake County Sheriff's Department on March 7, 2011. This complaint / police report is attached.

7. John Britton's lawyer, Stuart McCarty, gave John Britton a Lexus-Nexus printout in pdf format to John Britton in early March 2011 in order to pay back Bryan Reo for interfering in John Britton's case. Pastor Lindstedt and four or five others got copies of this pdf file, including this idiot who couldn't keep his mouth shut named Russell Walker.

8. Russell Walker sent a copy of this Lexus-Nexus pdf file to Bryan Reo and about 35 or so others on March 3, 2011. Bryan Reo made a complaint that it was Russell Walker who had done this in Reo's LCSO police complaint.

9. However, over three years later, Bryan Reo claimed that Pastor Lindstedt was the one who published this public document as opposed to Russell Walker to both the US Courts in Ohio and later in Missouri and lied to two federal judges.

10. Bryan Reo repeats this lie to the Lake County Court and a state judge in Reo's bogus lawsuit before the Lake County Court of Common Pleas.

11. Bryan Reo has committed felony perjury in the third degree to the Lake County Court and to the state judge therein. Bryan Reo has also committed felony perjury to the U.S. Courts.

12. Wherefore this Affidavit with proof. Pastor Lindstedt says nothing further at this time.

Hail Victory !!!
