1403 Hrs I, Deputy Shaffer, was dispatched to 7143 Rippling Brook Ln Concord Twp, OH for a harassment complaint

1429 Hrs I arrived on scene and spoke with the complainant, Bryan A. Reo, inside his residence. He stated that in June or July of 2010, he was participating in a Skype conference when he made a remark about one of the other participants, Martin Lindstedt, and Mr Lindstedt has been harassing Mr Reo ever since this encounter. Mr Reo stated that he also suspects Mr Lindstedt enlisted the help of John Britton and Russell Walker to assist him in continued threats and harassment against him. He also stated that he suspects Mr Lindstedt used his name and e-mail address to subscribe to receive solicitations from companies as a form of harassment. He advised that he has never personally met Mr Kindstedt, of 338 Rabbit Track Rd. Grandby, MO, and he has never personally met Mr Lindstedt's friends, Mr Britton and Mr Walker.

Mr Reo stated on November 29, 2010 John Britton, of 1008 Williams Rd Emmett, Idaho, threatened to shoot Mr Reo dead during Mr Lindstedt's internet radio program.

Mr Reo stated on January 27, 2011, Mr Lindstedt threatened Mr Reo during his internet blog radio program that Mr Reo would be, "found in a dumpster with his testicles in his mouth."

Mr Reo stated that on March 3, 2011 he received an e-mail from Russell Walker, of 176 Quewhuffle Rd Aberdeen, N Carolina, which apparently disseminated Mr Reo's public information gathered by Lexus Nexus (see attached e-mail and Lexus Nexus printout). He advised that his e-mail was sent to 30 other unknown individuals as a form of harassment.

Mr. Reo stated that Mr Lindstedt also sent him a 15 page affidavit containing his ramblings response to Mr Reo's attempts to have Mr Lindstedt's web pages taken down by his service provider for violating copyright laws (see attached).

Mr Reo said that Mr. Lindstedt is affiliated with the Aryan Nations of Missouri and does not want to be affiliated with Mr Lindstedt or his beliefs. He advised he wished to have this documented with the Sheriff's Office and no further action to be taken. I secured a written statement from Mr Reo (see attached).

1525 Hrs Clear and in service

I desire to furnish the following VOLUNTARY statement to Dep. David Shaffer #50  
who have identified themselves as Deputy Sheriffs employed by the Lake County Sheriff's Office.

Martin Lindstedt of Aryan Nations Missouri 338 Rabbit  
track road threatened that I would be found in a dumpster  
with my testicles in my mouth, on January 27 2011  
on an internet blog radio program. Likewise John Britton  
of Aryan Nations 1008 Williams road Emmett Idaho  
stated he would shoot me dead on November 29, 2010  
on Martin Lindstedt's radio program. They have been harassing,  
stalking, and threatening me across the internet for several  
months because I was involved in a debate on Skype  
with Martin Lindstedt. Furthermore, Russell Walker of  
176 Quewhiffle road ~~begin~~ Aberdeen North  
Carolina began circulating a Lexis-Nexis intelligence  
report on me, containing my social security number and  
other personal information on or about March 3, 2011.  
He (Walker) AKA Walker Russell Laforge, sent me an email  
on March 3, 2011 with the intelligence report attached,  
mocking me and saying he was sending out the report to  
at least 30 people so they could join in harassing me.  
I wish to have this documented at this time with  
the Sheriff's Office.

I have read this statement consisting of 2 page(s) I certify that the facts are true and correct to the best of

I desire to furnish the following VOLUNTARY statement to Det. David Shaffer #50  
who have identified themselves as Deputy Sheriffs employed by the Lake County Sheriff's Office.

Q Did we take the death threats made against you seriously or do you think they were just part of the general harassment?

A From John Britton, yes, the death threat is serious and carries some weight due to his violent record/history. Martin Lindstedt may be "blowing hot air" but it is hard to tell since he too has an extensive criminal record.

Q Have there been any threats against you recently?  
A: I have been told by a friend who monitors Lindstedt's internet program that Lindstedt routinely and regularly makes references to how I will disappear and be found dead with my testicles in my mouth. Lindstedt is also reported to have said that a ton of bricks would be crushing down on me.

I have read this statement consisting of 2 page(s) I certify that the facts are true and correct to the best of my knowledge. Completed (Date) 3/26/2011 (Time) 1714

Brian - I just wanted you to know, along with about 30 others, some publically available information about you. Hopefully this wide dissemination will help you have more friends and possibly make some more contacts. As you can be assured I am thinking about you. As I have said before, if you make enough enemies, they will have no hesitation to gang up on you. Censorship is Communism. And Communism is jewish. I am sure that being the censorship master of Talkshoe, that you will have no problem with recognizing this truth. Hooray for Fred Phelps of the Westboro Baptist Church and the great ruling for Freedom of Speech, yesterday. russ
