

Ideas” along with Attorneys Bristow and Klimkowsky, Richard Spencer, and other “Alt-Right” White Supremacist notables. This publicity-seeking “lawfare” organization was set up in 2016 and imploded on March 3-5, 2018 when the media revealed the genocidal delusions of this group, Attorney Kyle Bristow feared disbarment and so ran off. But back in 2016 when Bryan Reo, Bristow, and Klimkowsky were setting up this false-flag operation none of them dared timely sue for Pastor Lindstedt saying that Reo, Bristow and Dickie Spencer – commonly reputed with-in to be homosexuals -- were going “ass-to-mouth” with each other. In fact, when Bryan Reo was copying files from Pastor Lindstedt’s web pages, Bristow and Reo as law clerk and lawyer were holding up universities in Florida, Michigan, Pennsylvania and Ohio for Dickie Spencer’s campus “speaking tours” in which universities were forced to spend up to \$600,000 for security in which Dickie would only host a dozen or so “white supremacists.” Timely suing within the Ohio Statute of Limitations would have been an embarrassment with these victimized universities claiming that Dickie Spencer, Kyle Bristow along with Bryan Reo didn’t really care about the First Amendment or have a cause of action because look at how Bryan Reo along with Attorney Kyle Bristow and Attorney Brett A. Klimkowsky were suing a genuine Aryan Nations Church as well as a bed-bound illiterate elderly woman because notorious racist Pastor Lindstedt called Bryan Reo a “nigger-lipped, slant-eyed, unbrowed, shitskinned mamzer faggot” who “abused legal process” thousands of times since detecting Bryan Reo’s past history within the Movement since 2010. Indeed, browsing Bryan Reo’s lawyer pages still has Bryan Reo using these so-called White Supremacist lawyers as a reference. Thus Bryan Reo is still trying to stay on the margins of White Supremacy while bitching to this witless & corrupt Court absent any jurisdiction about Pastor Lindstedt’s racism in calling out Bryan Reo as a ZOGbot.

Additionally Bryan Reo is trying to bring into this case what was posted on Pastor Lindstedt’s web page in early 2016 about Bryan Reo being fired from its job at the North Perry Nuclear Power Plant. This even though like the Bristow & Klimkowsky “White Supremacist lawfare” organization it is outside the Ohio Statute of Limitations of one year. Bryan Reo chose to do a TV interview blaming the nuclear power plant operators for firing this delusional vicious mongrel because “they didn’t care about nuclear power safety.” The joke was that the nuclear power plant operators could have simply done a Google search and found out from Pastor Lindstedt’s web pages but also on the Stormfront pseudo-Movement web page that Bryan Reo was a delusional homosexual mongrel who yammered incessantly about killing FBI/BATF and Lake County Sheriff’s Deputies as well as getting into “accidents” with wealthy white women,

suing the NRA and telemarketing companies, taking down web pages, interfering with federal civil lawsuits, shoving spears in the heads of Greek mongrel women making fun of this jew William Finck's "Greek scholarship", gaining control of the Ku Klux Klan trademark & suing unauthorized Klans, threatening to rape the wives and daughters of other mongrels likewise pretending to be white supremacists, or to drive to Pastor Lindstedt's home in Granby Missouri and knock out all his teeth for calling Bryan Reo a homosexual mongrel (earlier in Oct. 2010 before Pastor Lindstedt found out that "SwordBrethren" was Bryan Reo, and all manner of like crap. If the nuclear power plant operators had simply done a background check on prospective nuclear power plant workers they never would have had to be embarrassed by hiring a non-white delusional mongrel addicted to making threats pretending to be a famous white supremacist mover and shaker. It was not until a series of accidents took place that this due-diligence background check was finally made and Bryan Reo was fired as an internal security threat. Bryan Reo claims that Pastor Lindstedt mis-speaks about what actually happened and makes a new claim to tack onto this three-year old lawsuit, yet doesn't bother to tell what is "Reo-truth".

Pastor Lindstedt spoke out against another homosexual mongrel agent provocateur named Frazier Glenn Miller who likewise worked as a government agent, giving him a name of "TraitorGlenn Miller" and other names. Eventually TraitorGlenn Miller gunned down three mongrels, one only 14-years old in the parking lots of an old kikes' home for elderly jews in Overland Park Kansas in April 2014. In Pastor Lindstedt's estimation Bryan Reo is a lot more messed up and evil than TraitorGlenn Miller and it is but a matter of time before this crazed homosexual mongrel infesting "White Supremacy" blows up and kills a bunch of people. While it has claimed that it will kill federal and local law enforcement if cornered, Pastor Lindstedt thinks Bryan Reo is a coward and will take down easier soft targets like at the Mentor Elementary School. Bryan Reo will thus make Pastor Lindstedt's third crazed gunman.

It is a disappointment that Pastor Lindstedt's web pages kept a crazed homosexual mongrel agent provocateur like Bryan Reo from destroying the North Perry Nuclear Power Plant and killing millions of Northeast Ohio human pieces of shit – which is an oversight which Pastor Lindstedt wishes to make good by locking Bryan Reo up in there and shutting down the over-rides someday. Pastor Lindstedt should make good for telling the truth about Bryan Reo. It doesn't really matter all that much that Bryan Reo is a crazed homosexual mongrel unable to stop pretending to be a noteworthy White Supremacist of any great importance to that community and thus a "public figure" within it any more than Adam Lana, or any other crazed

gunman, or some Muslim who poisoned itself while trying to poison the Toronto water supply and thus kill millions along with it.

When Bryan Reo started its endless litigation against Pastor Lindstedt, Pastor Lindstedt's elderly illiterate bed-bound domestic partner Roxie Fausnaught, and Pastor Lindstedt's Church because Pastor Lindstedt found out that this crazed mongrel calling itself "SwordBrethren" and infiltrating jews like William Finck and Eli James making terroristic threats was a crazed homosexual mongrel infiltrating the Movement since 2003 named Bryan Reo. Richard Barrett, a homosexual lawyer acting as an agent provocateur kicked out Bryan Reo back in 2005, saying that it would have to get used to the fact it wasn't even remotely white. Bryan Reo tried to sue Barrett but since Barrett was a ZOGbot lawyer Reo didn't get very far until Barrett picked up a homosexual prison negro who killed Barrett in 2010 and Barrett's web hosting ran out.

When Pastor Lindstedt found out Bryan Reo's identity in late October 2010 Bryan Reo had to stop threatening people in the Movement and especially Christian Identity because then everyone knew its name and where it lived. So Reo along with Eli James and Bill Finck and Bill DeClue and others went on a tear taking down a dozen or so of Pastor Lindstedt's web pages, along with others who made fun of Bryan Reo, including a homosexual porn web page wherein Bryan Reo impersonated John Britton in order to tamper with John Britton's federal civil lawsuit involving a helicopter crash caused by a defective engine part. The end result is that Movement infiltrators who are jews, mongrels, homosexuals, perverts and ZOGbots who Pastor Lindstedt can tie into Bryan Reo are found out and segregated into their own Movement communities. Thus Bryan Reo is a "judas mamzer" whose worth is in detecting those just like it.

Additionally Bryan Reo brings up how it made a perjurous claim on an account that Reo either made or had one of his lawyer friends make on a NIM-Busters successor page purporting to be me wanting someone to "castorate Ol' Niggerlips" and putting out death threats that Reo made to itself. Reo had already threatened to make countless lawsuits before this Court of absolutely zero jurisdiction and the Mentor Municipal Court for the purpose of costing Pastor Lindstedt and Lindstedt's Church money in travel 900 miles then have this Court find a pretext as on Aug. 6, 2018 to delay action. Pastor Lindstedt asked to appear by telephone to this Court on the bogus stalking charge and respond to Reo's fraud, but this Court proceeded to make a ruling against Lindstedt *in abstentia*.

There is no doubt in Pastor Lindstedt's mind that these corrupt proceedings are worse than in the courts of Sodom and Gomorrah and the other three Cities of the Plain of the Dead

Sea, which was the “Sin of Sodom” which was running corrupt proceedings against strangers, including Abraham’s servant Elieazar, Lot’s righteous daughter Palthiel, and some other woman who was covered in honey and murdered by ants according to Jasher Chapters 18 & 19. YHWH sent His angels to find 10 righteous men and the Sodomites wanted to cornhole them worse than Bryan Reo and Dickie Spencer and Kyle Bristow since they looked Aryan Christian Israelite. While fire and brimstone isn’t available, there is an acceptable substitute available for Justice in the form of a nuclear power plant which can be used for effect.

Bryan Reo has used this Court to enrich itself by fraud by making bogus accusations and filing these frivolous Motions for Summary Judgment and Motions to Strike against the Motions of those Defendants upon which Bryan Reo decides to attack. Reo will threaten to take them for everything they got before this corrupt Court, the defendants then move it to federal court since they can’t rely upon justice here, then a settlement is reached, be it the NRA, or Starkist Tuna or small family businesses who operate over the Internet. Pastor Lindstedt and Lindstedt’s woman and Lindstedt’s Church seem to be the only ones who want to actually try by jury Reo’s malicious and abusive litigation for purpose of oppression.

Under Biblical Law, the State of Ohio in general and Lake County in particular deserves to be exterminated either through fire or through civil war like the Tribe of Benjamin. Even upon surrender, lawyers and judges who aided and abetted Reo misconduct – some deranged mongrel being found out as a homosexual vicious mongrel pretending to be a White Supremacist, seeking to set Resistance policy for the Movement, and still hanging about on the outskirts of the Movement – has been allowed and encouraged and abetted to make fraudulent malicious frivolous complaints against a genuine White Supremacist living in another state 900 miles away who blew the whistle on it using public records and what has been found out through this frivolous litigation before the federal and this local corrupt court without jurisdiction.

Pastor Lindstedt isn’t a skilled litigator before a corrupt court whose practitioners ought to be exterminated upon detection. Rather, Bryan Reo makes dozens of these frivolous motions and Pastor Lindstedt avails himself of the opportunity to display previously hidden Bryan Reo pictures and documents. The end result is a growing mass of evidence showing what kind of dangerous sub-animal Bryan Reo is and why this form of government needs to be abolished in favor of theocratic military dictatorships in which only Aryan Christian Israelites are allowed to survive. This will of course entail the elimination of 80% of the diseased ZOGling whigger herd

animals and all of the jews, negroes, beaners, gooks and mongrels and all of the current regime to arrive at that result. When that happens there will be plenty of everything for the survivors.

Three years ago Bryan Reo, upon losing its bogus case at the federal level on Sept. 10, 2015 immediately re-filed before this corrupt court without any jurisdiction pretty much the same crap – that Pastor Lindstedt had used Bryan Reo public records compiled by Bryan Reo and others to show what Bryan Reo was like. The Ohio Statute of Limitations had long since passed. All Bryan Reo had was its own particular arguments as to what it claimed the law was. Discovery passed with nothing new being discovered – Bryan Reo was suing on the basis of what had been on Lindstedt’s web pages for years. Bryan Reo refused to provide new material to be published other than Reo’s litigation which also became public record. Reo and Reo’s attorneys and this Court have allowed eight jury trial dates to pass and a ninth date has been set for jury trial. Now Bryan Reo claims that Pastor Lindstedt, because of a failure to make a Motion according to Reo standards, should have his Counter-Claims made in answer to Reo’s malicious original litigation dismissed by this corrupt Court sans jurisdiction.

Pastor Lindstedt, like any Revolutionary plotting to destroy a criminal regime needing destruction in its final days is not deterred. Rather, Pastor Lindstedt shall hereby amend his Causes of Action, starting first with the ones in which this Court has jurisdiction (only over Bryan Reo, Bryan Reo’s father, and Ohio Attorneys Brett A Klimkowsky and Kyle Bristow). Then Reo’s “common law” (which only covered White men and not Satanic homosexual mongrels who had no rights) and then Biblical Law (which covered both Adamic Man and 6th Day Beasts of the Field and Satanic mongrel abominations like Bryan Reo).

DEFENDANTS’ AMENDED CAUSES OF ACTION

1. Abuse of legal process, malicious prosecution, vexatious litigation against Pastor Lindstedt, Lindstedt’s Church, Roxie Fausnaught by Bryan Reo, Bryan Reo’s father Anthony Reo, William Finck, William Shawn DeClue, Attorneys Kyle Bristow and Brett Klimkowsky. (Question as to jurisdiction vs Finck and DeClue)
2. Statutory Criminal Liability against by Bryan Reo, Attorneys Kyle Bristow & Brett Klimkowsky making a perjurous claim of stalking resulting in a fraudulent “protection order” for Bryan Reo.
3. Permanent Disbarment of Bryan Reo, Kyle Bristow, Brett Klimkowsky.
4. Claim for Permanent Injunction against Bryan Reo making any pro se claims against anyone outside the boundaries of Lake County Ohio unless Bryan Reo posts a bond amount equal to Reo’s claims first.

5. Re-opening any Ohio cases filed by Bryan Reo, Attorneys Kyle Bristow & Brett Klimkowsky and upon application of civil defendants setting aside any and all settlements arrived in favor of defendants.

6. Punitive Damages against Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Attorneys Kyle Bristow and Brett Klimkowsky. (Question as to jurisdiction vs Finck and DeClue).

7. Civil conspiracy against Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Attorneys Kyle Bristow and Brett Klimkowsky. (Question as to jurisdiction vs Finck and DeClue)

8. Spoilation / Destruction of Evidence by Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, Melissa Epperson, William Shawn DeClue, Attorneys Kyle Bristow and Brett Klimkowsky. (Question as to jurisdiction vs Finck, Epperson and DeClue).

Bryan Reo's Common Law Nonsense in which this Court lacks jurisdiction

9. Defamation against Martin Lindstedt by Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, Melissa Epperson, William Shawn DeClue, Attorneys Kyle Bristow and Brett Klimkowsky.

10. Tortuous interference with contract by threatening or inducing around a dozen Internet Hosting Companies to shut down Pastor Lindstedt's & Lindstedt's Church's web pages by Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Melissa Epperson, Attorneys Kyle Bristow and Brett Klimkowsky.

11. Common Law Invasion of Privacy False Light against Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Melissa Epperson.

12. Common Law Invasion of Privacy Public Disclosure of "Private Facts" against Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Melissa Epperson. (Which is the stupidest crap ever made up by Bryan Reo but here is right back at the crazed mongrel, with this Court having even less than its already zero jurisdiction.)

13. Common Law Invasion of Privacy Intrusion/Invasion of Seclusion against Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Melissa Epperson.

14. Common Law Intentional Infliction of Emotional Distress Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue. (Stupid crap made up by Bryan Reo but Pastor Lindstedt and Lindstedt's Church will perk right up when these mongrels, jews, and mumps-nutted alleged niglet-niece molesting ZOGbot is skinned on out.)

15. Piercing of Corporate Veil of State of Ohio, dissolution of its government, and the Lake County Court in particular stripped of any

jurisdiction to hear causes in which the Defendants live outside the County.

Biblical Law:

16. The Judgment of Sodom & Gomorrah and three other Cities of the Plain for using judicial process to murder and rob in which to rob strangers under color of law absent jurisdiction to do so of fire and brimstone or in the alternative the locking down of the North Perry Nuclear Power Plant with Bryan Reo, Bryan Reo's father Anthony Reo, William Finck, William Shawn DeClue, Melissa Epperson, Attorneys Kyle Bristow and Brett Klimkowsky in it until the nuclear reactor core melts down and turns Northeast Ohio into another Chernobyl or Fukushima without any of the population allowed to escape.

17. The Benjamite Civil War Decision in which the entire Tribe of Benjamin was treated like Canaanites in that everything which breathed was put to the sword because of their refusal to punish Amorite jews and Benjamite robbers, rapists and murders of visiting strangers. The State of Ohio in general and Lake County should be punished.

18. Biblical castration of the ruling classes & government officials, lawyers, and wealthy as happened to Daniel because of Hezekiah's sin in allowing the Babylonians to see the Temple 120 years previously. Because this Court has already ruled that Pastor Lindstedt cannot defend his Church corporation or his domestic partner Roxie Fausnaught because the lawyers demand a legal monopoly in their corrupt courts an ecclesiastical judgment / Letter of Marque & Reprisal has been granted to the Church of Jesus Christ Christian / Aryan Nations of Missouri Ohio sub corporation Lake County Geldings & Walking Wombs. Those who are White who use their authority and privilege to destroy our race should have their bloodline cut off while those who are not white should be cut off entirely from out of our People altogether.

19. The surviving White population given that they allowed this current form of government to destroy them as a People need to be reduced to serfdom for at least three generations under a racially-conscious set of theocratic racist Warlords to set things right. Courts which allow known notorious Satanic homosexual mongrels pretending to be White Supremacist wanting to sue sans jurisdiction Racial Churches and their pastors need to be replaced with Resistance tribunals which will purge non-whites from amongst the White body.

Doubtless this will trigger yet further frivolous Motions to Strike by Bryan Reo, some of them indulged by this Court for whatever reason, which is why Bryan Reo has nearly sixty of these fraudulent actions before this Court and thirty or more clogging the Cleveland federal court as all the parties sued want to take it out of this Court where they think that they will be screwed. You have permanently destroyed your Court's reputation because of catering to a deranged homosexual mongrel wanting to pretend to being a White Supremacist lusting after perverted sodomistic butt-sex and dick-sucking up to the point that its target gets revealed as a

fellow mongrel or jew and thus is abruptly dropped as the perverted object of its attentions. It doesn't matter that time after time Bryan Reo's latest agent provocateur ZOG false-flag operation blows up like the "Foundation for the Marketplace of Ideas" / ZOGbot Poverty (F)Law Center did on March 3, 2018 and Attorney Kyle Bristow "left" the Movement. The very next day the ZOGbot Poverty web site went down and all the mamzer, jew and whigger lawyers scattered like a cockroach nest hit by pesticidal spray yet some of the biggest names in the bowel Movement were revealed as ZOGbots. They have been irremediably tainted by association with a known deranged homosexual mongrel like Bryan Reo, yet Bryan Reo is still trying to pretend to be a white supremacist to this very day, on its Internet advertising still using these caught fools as references. Internet notoriety is forever. Demands for censorship as a matter of law is futile.

Bryan Reo is a limited-purpose public figure within the White Supremacist / White Nationalist / Alt-Right community. It has been so since 2002 or 2003. Reo inevitably gets kicked out whenever its antics and brown-gray hide can no longer be explained away. So Reo lies low for a few months, sometimes a year, and then latches itself to the next ZOG false-flag operation, which inevitably implodes like a virus does a cell, scattering it out to infect yet more bowel Movement ZOG false-flag operations. Thus Bryan Reo is invaluable for detecting these ZOG incursions because anyone which will allow this obvious homosexual mongrel is neither Aryan or Christian Identity. I have always counseled that Reo be left in peace – and observed.

What this criminal regime on its last legs should fear is the 95% of the Movement which is belowground waiting for the day to rise up upon inevitable social collapse and exterminate those in power in the chaos attendant in that collapse. Anyone trying to build an empire is always a fool, a mongrel, and a ZOGbot setting something up to be detected and crushed by ZOG.

When Bryan Reo interfered with John Britton's federal civil lawsuit and went running to Rolls Royce and the federal courts the correct policy was to publicize the event, leading to a settlement and John Britton getting something. An agreement was reached which Bryan Reo breached. Likewise with this never-ending action. Pastor Lindstedt has about twenty years of information on Bryan Reo and Reo associates. Reo files these idiotic motions, Lindstedt releases this information in response.

This Court would do well by cauterizing this matter by simply disbaring Bryan Reo and Bristow and Klimkowsky and putting them in jail so they won't go out shooting, putting out a \$100,000 award to Pastor Lindstedt, Roxie Fausnaught, and Lindstedt's Church which none of

them will bother to try to collect. Absent that to finally hold a trial and let Bryan Reo yammer all it wants about how Lindstedt is an Aryan Nations Klansman living 900 miles away who had something to do with showing Bryan Reo to be a deranged homosexual mongrel with fantasies of violence that can't shut up about them and all this crap got put out over the Internet and this stupid corrupt Court actually wants to do something about it by actually trying this crap.

Hail Victory !!!
