DEFENDANTS' INSTANT MOTION REGARDING TRIAL EXHIBITS

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") and to the limited extent possible for Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri (neither of which are within the jurisdiction of this local Lake County Court) upon going to trial notes that Bryan Reo has refused to give Defendants his trial exhibits, other than two years ago when itself and Attorney Klimkowsky were trying to prove Pastor Lindstedt was crazy and thus unable to testify. Bryan Reo has a strategy of presenting its trial exhibits **at trial** so that Defendants living 900 miles away cannot prepare for trial or even know which exhibits to present to counter.

Accordingly, rather than continue this matter yet again, Bryan Reo should be prevented from presenting any exhibits whatsoever and to be fair so should Defendants not have to present any exhibits to counter Bryan Reo exhibits which are disallowed because Bryan Reo deliberately set up such an ambush. Thus the trial should then hinge on whether Bryan Reo is a limited purpose public figure or not and whether Bryan Reo filed within the Ohio Statute of Limitations of one year without any exhibits presented for the plaintiff who contemplated ambush or for the defense which is still ignorant of what Bryan Reo wants to spring at trial after over four and a half years. Bryan Reo as a licensed attorney with over 60 cases before this Court and 40 or 50 before the federal court over his barratry should not have an unfair advantage over normal people

In the alternative Defendant(s) are to be allowed to present in defense whatever exhibits are on Church web pages or Defendants hard drives and any evidence presented by Bryan Reo is

to be disallowed if presented for the first time at trial. After nearly five years it is only Bryan Reo to blame for any problems at trial not Defendants living 900 miles away not having whatever new thing Bryan Reo wants to spring on them. Pastor Lindstedt has three computers and his Church web pages to print up whatever might come up, but it was up to the Plaintiff to tell Defendants what he wished to prove at trial, not an ambush 900 miles away from home.

Hail Victory !!!
