**DEFENDANTS' AGREEMENT TO HOLDING JURY TRIAL ON 27 JUNE 2019**

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") and to the limited extent possible for Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri (neither of which are within the jurisdiction of this local Lake County Court except within the fevered delusions of Bryan Reo – now a licensed attorney and perjurous officer of this Court (Bar # 0097470) and furthermore Roxie Fausnaught has never been served) to for once agree with Bryan Reo for a jury trial date of 27-28 June 2019.

Roxie never was served in the first place. Pastor Lindstedt had her sign as she used to be the agent for the Church and then had her removed as agent and put himself in as agent since when this Church corporation was founded in Oct. 2006 the State of Missouri wouldn't let Pastor Lindstedt serve as agent because at the time Pastor Lindstedt was locked up in the Fulton State Nuthouse for refusing to accept a pub[l]ic pretender to [mis]represent him on bogus child molestation charges and Pastor Lindstedt wanted to use a Church corporation to end his illegal doping up. Roxie is at best semi-literate, doesn't know how to spell "Bryan Reo's" name and is referred to as "The Mongrel F\*ggot from Cleveland" – or worse – when referring to it. Roxie has access to a computer even though her computer isn't working now to go on Facebook to talk with her daughter and friends. Neither herself nor Pastor Lindstedt's Church of Jesus Christ Christian / Aryan Nations of Missouri should be sued because over nine years ago Pastor Lindstedt knew Russell Walker – dead since December 2018 – had printed up and e-mailed to

seventy or so of his retard e-mail list, including Bryan Reo and William "Baal" Finck a February quasi-public Lexus-Nexis printout concerning Bryan Reo that John Britton's now-dead lawyer Stuart McCarty had sent to John Britton in retaliation for Bryan Reo deliberately interfering in John Britton's federal civil lawsuit.

The above record is unsealed. Defendant has the sealed interfered records, including those on forums Bryan Reo had taken down which would tend to prove Lindstedt's contention that Bryan Reo is a crazed psychotic evil Satannic mongrel homosexual abomination who will likely go postal someplace in Ohio, which is fine by Lindstedt. Bryan Reo has had plenty of man-crushes on pseudo-Christian Identity "men" like "Victor Switzer" and Johnny "Tonto" Britton and once Reo finds out that they are mongrels Reo will no longer be interested in they's mangina and will stop blackmailing them.

Reo has been allowed to sue Roxie and Pastor Lindstedt's Church and this corrupt Court based solely because the Ohio Bar and Supreme Court want to force people within Ohio and those outside theirs' jurisdiction even 900 miles and four states and a time zone away to have to pay lawyers' fees on malicious and abusive litigation. Roxie has a broken hip, isn't even able to sit up in bed and it takes six men to get her into her daughter's SUV to go to doctor's appointments. Reo and Reo's lawyers Brett Klimkowsky and Kyle Bristow knows that and so made this abusive and malicious prosecution using this Court to do so. Insofar as the Church of Jesus Christ Christian / Aryan Nations of Missouri is concerned, its religious principles are that homosexual mongrels that are part oriental, part negroid and part jew has no soul and thus should not be impersonating Dual-Seedline Christian Identity clergy in service of William "Baal" Finck and Eli James / Joseph November / Kutz / Putz who are Ashkenazi and Sephardic jews. One must be White in order to be a true White Supremacist. It is improper for a civil court sans jurisdiction to render default judgment on a Christian Israelite Church. Accordingly given that this Church has no assets other than what is put into its bank account to deal with Church business that should limit the damages. The ecclesiastical judgment of this Christian Israelite Church is to request that the same Deep-Woods Christian Israelites who likely spread Chronic Wasting Disease from infected deer areas to Wisconsin, Missouri and Arkansas do so as well to Ohio in general and Lake County in particular. Also, in due course the North Perry Nuclear

Power Plant be forced to re-instate Bryan Reo as a nuclear tech and it be set to go all Chernobyl. Nothing like a smoking glowing radioactive hole in the ground to show that “Barratry is Hell.”

Pastor Lindstedt went to the Missouri Southern State University library earlier this week and seen on its Lexus-Nexus web site that Bryan Reo Esquire is now suing all manner of companies in the name of his Father Anthony Reo and his now divorced beard over telephone calls and losing before the federal appeals and Ohio appeals and even the Painesville Municipal Court these bogus cases that he files. On 6th June Pastor Lindstedt, Roxie and the Church received notices that Bryan Reo had managed to reschedule his oral arguments and so this case could be tried on 24<sup>th</sup> June. However as has always been the case throughout these proceedings now on its fifth year, Bryan Reo swore in its Certificate of Service that it had mailed its wanting the case to go forward as scheduled on May 31<sup>st</sup>, but all three of the envelopes were postmarked 3d June. Bryan Reo took advantage of the 900 mile distance and waited three days so that this Court could make a ruling without hearing from Defendants. This matter was taken up before but Reo claimed that snow deterred it from the mailing if not the filing. What is the excuse this time – flood? This corrupt Court without jurisdiction has allowed Reo to run wild for years against those outside its jurisdiction but when Reo wants to screw over a local hospital with one of its bogus lawsuits your court system shuts it down quick. *Reo v. University Hospitals Health Systems*, 2019 WL 1601647.

When Pastor Lindstedt showed up to this Court on 6 August 2018, he was told that a criminal trial would be held, therefore his trial on the merits would have to be delayed. All that happened was that Magistrate Roll tried to scare Lindstedt into a settlement with Reo for an hour or two. It was quite clear that this corrupt Court without jurisdiction would have turned over Lindstedt’s inheritance if Lindstedt didn’t show to Reo, but since Lindstedt did show and Reo was not ready for trial on its foolishness a pretext had to be arranged for delay of trial. In the hallway some goofy looking man of middle age asked Lindstedt if he was the Aryan Nations person. Upon being answered in the affirmative, this person thanked Lindstedt for letting him have a trial on his domestic protective order case. His ex-wife was being difficult and now this Court would let him have his day in court. “I wanted to have a trial, but I am such a bitch that I let this court walk all over me,” he said. “Now you show up and I just got told I get to have a trial.” So Pastor Lindstedt figured out that Bryan Reo along with Reo’s co-conspirators William Finck and William Shawn DeClue are simply agents provocateur and this local Court is in the

business to protect the criminal regime's operatives and to steal the lives, liberty and property of the White Resistance through bogus litigation like this.

Pastor Lindstedt wants this matter to finally go to trial, after a dozen delays caused by Reo, Reo's lawyers, and this Court. However Pastor Lindstedt would prefer a trial date of 27 June 2019 to allow Pastor Lindstedt to go 900 miles and be rested in moderate comfort. Additionally, due to Bryan Reo abusing his proximity to this Court to file motions then delay sending the trial exhibits, Bryan Reo must be forced to disclose his jury instructions, trial exhibits and other matters four or five days before Pastor Lindstedt. Pastor Lindstedt has not asked for any continuances or delays in the 5 years of Reo litigation.

Hail Victory !!!
