Case No. 18NW-CV00601

CITY OF GRANBY MISSOURI, *et. al.*,)

Sunshine Act Enforcement

Defendant(s) / Conspirators(s).)

CONTESTING NON-FINAL JUDGMENT OF UNLAWFUL SANCTIONS FOR PLAINTIFF MAKING A VALID MISSOURI SUNSHINE ACT ENFORCEMENT ACTION; DEFENDANTS CITY OF GRANBY, THEIR ATTORNEY BRIAN GOLDSTEIN AND THIRD PARTY ATTORNEY BRYAN REO'S CRIMINAL CONSPIRACY TO VIOLATE PLAINTIFF PASTOR MARTIN LINDSTEDT'S CIVIL RIGHTS UNDER COLOR OF LAW

COMES NOW the Plaintiff(s)/Petitioner(s) Pastor Martin Luther Dzerzhinsky Lindstedt, to contest the non-final judgment of Charles Curless overturning the Missouri Sunshine Law and the First Amendment by deliberately misreading the provisions of the Missouri Sunshine Law Revised Statute of Missouri 610.023. (3)'s provision that "Each request for access to a public record shall be acted upon as soon as possible." and (4)s provision If a request for access is denied, the custodian shall provide, upon request, a written statement of the grounds for such denial." Furthermore Judge Curless violated the Missouri Sunshine Act by granting the the City of Granby's Attorney Brian Goldstein's claims that because Plaintiff Lindstedt dared to sue the City of Granby based upon his reading of the Missouri Sunshine Act, that Plaintiff should be sanctioned by having to pay Goldstein's lawyers fees for Granby of \$4000. After around 30 minutes of what appeared to be nothing more than corruption and oppression from the bench, Judge Curless ruled as following on July 25, 2018:

Petitioner wholly fails to state a claim upon which relief may be granted. Court further finds all allegations of said "Petition" are frivolous and without merit. Court grants sanctions against Petitioner in favor of Defendant Attorney in the sum of \$4000.00 SO ORDERED. Charles Curless
