Pro se Appellant

Appellee hereby moves this Honorable Court to grant an extension of time for the filing of Appellee's Brief, to and including June 3, 2020.

Appellee respectfully requests one additional 30 day extension such that the Appellees Brief will be due on or by 6/3/2020, June 3 2020. Appellant's brief was stricken and he was given until 4/14/2020 wherein to file his brief. Appellee was instructed to file his Appellee's Brief within 20 days of the filing of Appellant's Brief, which would be May 4, 2020. Appellant asks to have until June 3, 2020 on the basis that a motion to dismiss, or in the alternative to strike, is now pending, and on the basis that Appellant's Brief is a largely incomprehensible mess that will take extensive time to decipher and comprehend.

The purpose of the extension request is not delay or for any improper purpose. Appellant's Brief is largely incoherent and incomprehensible and a dispositive motion is pending which would potentially dispose of the entire matter or strike the Appellant's Brief.

Appellee therefore requests an extension of time to and including June 3, 2020, within which to file Appellee's brief.

RESPECTFULLY SUBMITTED,

X
