Sir,

Your incoherent rambling nonsense doesn't interest me. You are not authorized to email me anything except attachments of filings you have made with the court. I do not want six paragraphs of idiotic commentary from you in the body of the email. It is already beneath my dignity to have to read, acknowledge, and respond to the drivel you file with the courts. I am not going to be further bogged down with reading your garbage view of history, politics, and the legal system.

You are colossally stupid and are an individual of absolutely no significance or relevance. I am tired of you wasting my time with your incessant ranting and rambling.

Stop sending me emails with rambling threats and bizarre commentary.

I have an active restraining order against you. You are authorized to send me copies of legal pleadings for the relevant cases. You are not authorized to send me rambling email commentaries about your delusional idiotic interpretation of treaties from 1649.

I don't need a history lesson, least of all from a delusional self-important madman who belongs back in the mental asylum.

In short you are permitted to send me attachments of copies of actual legal pleadings, but you are not authorized to include rambling delusional comments in the body of any email.

Sincerely,

Bryan Reo
