Didn't Child Services investigate and find there was substantial evidence to corroborate abuse?

Didn't they take the kids away from Roxie's daughter because she let the kids around Roxie who let them around you?

Didn't Roxie file some garbage 1983 action against CPS and some local officials which read as though it had been written by a self-styled Clarence Darrow of Granby rather than an illiterate beached whale? When and how did Roxie learn to write let alone draft legal pleadings?

Most people manage to go their whole life without having CPS taking kids away and then spending almost 4 years in a mental asylum. But then again most people manage to refrain from what you allegedly did.

Lindstedt:

The Treat of Westphalia was signed in 1648—and not 1649 as you purport—, and the United States of America is not a signatory to the same insofar as it was created nearly a century and a half before the USA came into existence.

What are you next going to do? Use the Uniform Commercial Code as a legal authority? Cite to the fictitious 1787 treaty between the USA and the Barbary Pirates when making a legal argument? Claim that “Martin Lindstedt” is an unregistered corporation and the Ohio state and federal courts don't have jurisdiction over a “corporation” like you because you are a “sovereign citizen”?

You should just give Bryan Reo what he is owed and call it quits. He decisively won and you horrifically lost. You keep digging yourself a hole, and you will only drag others—like your dear sister—down with you. Do you want to make your sister destitute, too?

We all end up where we deserve in life. You possessing millions of dollars worth of land despite you being a deranged lunatic who spent time in a mental institution in relation to you allegedly sodomizing your step-grandson is offensive to the Cosmos. (You being with Roxie is probably appropriate, though. You deserve an intelligent supermodel like her to be your significant other.)

If you truly believe that Reo is an "agent of ZOG," then you should just surrender now, for you would have no chance against his people who are in the top echelons of society. Reo always wins. Always. He will do to you what Rome did to Carthage.

Cordially,
Kyle Bristow

Due to the Corvid-19 ZOG-virus as of early April non-lawyer Defendant Pastor Martin Lindstedt of the Church of Jesus Christ Christian / Aryan Nations of Missouri has the option of sending Ohio Appellate Motions via e-mail to this 11th District Appellate Court over 900 miles away for Attorney Bryan Reo of the "Foundation for the MarketPlace of Ideas" (FMI) / ZOGbot Poverty [F]Law Center's bogus judgment against Pastor Lindstedt and Lindstedt's Aryan Nations Church for calling Bryan Reo names back in 2010-2013. Bryan Reo and this appellate Court claim that Pastor Lindstedt has no right to defend his Aryan Nations Church; Pastor Lindstedt and the Aryan Nations takes this ruling as an invitation to recommence racial holy civil war as a violation of the 1649 Treaty of Westphalia and the Violation of the 1865 First Civil War Armistices. A secret ecclesiastical judgment under Biblical law has been rendered against all ZOG combatants, however this Motion is merely asking that this Appellate Court buckle down and hear Pastor Lindstedt's Amended Appellate Brief and recognize that Lake County never had jurisdiction in the first place to hear this Bryan Reo litigation against a White Supremacist Christian Identity Aryan Nations pastor and his Church 900 miles away in a different state wherein the community standards regarding non-whites are vastly different than NorthEast Ohio.

Also included are Exhibits #1 regarding Bryan Reo as a public figure on the Board of Directors of an antifa "lawfare" group called the Foundation for the MarketPlace of Ideas (FMI) or ZOGbot Poverty [F]Law Center (ZPLC) which has been posted on all four of the Bryan Reo cases removed to federal court which shows that FMI/ZPLC was set up to bring about the Charlottesville Massacre.

Exhibit #2 is a post by Bryan Reo indicating an intention as of 24 August 2014 to use the courts to destroy Pastor Lindstedt and Lindstedt's Church through abuse of legal process.

According to the new protocols, Debbi Holin, the Lake County appellate clerk is supposed to print out the necessary copies and present them to the 11th District Court of Appeals and send myself a file-stamped electronic copy.

Electronic copies have been sent to Reo co-conspirators, the attorneys for Lake County Courts & Judge Patrick Condon and the State of Ohio being counter-sued and members of the media which have expressed an interest in this case as well as upon the Church Christian_Nationalist Forum.

Hail Victory !!!
