The trial court “erred” in that the Lake County Court had no jurisdiction to even try the case because it lacked jurisdiction to try the case involving Internet disputes between non-white White Supremacist limited-purpose public figure Bryan Reo and Pastor Lindstedt and Pastor Lindstedt’s Church of Jesus Christ Christian / Aryan Nations of Missouri. Rather the trial court usurped jurisdiction and claims a false dominion.

The trial court “erred” in that while Judge Condon with the refusal to allow Pastor Lindstedt his removal for cause and pre-emptory challenge of the forced female African juror prevented this White Supremacist pastors and his co-Defendant Church from getting a fair trial. This means that past all-white juries lynching non-whites are hereby legitimatized and paves the way for all-white supremacist juries of People’s Tribunals against the current Ohio courts and regimes in the future.

| FIFTH ASSIGNMENT OF ERROR: | 6-7 |
|----------------------------------|-----|

Reo merely gives a lying argument in his Appellee Brief that Pastor Lindstedt got the benefit of of *New York Times v. Sullivan* 376 U.S. 254 as a jury instruction. In fact Judge Condon deliberately said that Pastor Lindstedt’s “good faith” belief in the truth of Lindstedt’s statements was not to be considered, thus the NY Times v. Sullivan standard of Reo having to prove actual malice was forbidden. (Transcript proceedings 199, Day 3 pg 568 line 18-21) In any case New York Times v. Sullivan should have been used as a bar to prosecution altogether, not a jury instruction. Reo also continued to lie about the times and content of the alleged defamations in Reo’s Appellee Brief.

[Transcript page 513-514] Bryan Reo in his Appellee Brief claims that it is allowed to do so as “argumentation” but Pastor Lindstedt is not allowed to so “argue” that Bryan Reo is a homosexual mongrel agent provocateur because Reo is so much better at argumentation.

In Bryan Reo’s Appellee Brief Bryan Reo mis-states both the law and facts to hide the facts that Pastor Lindstedt’s last mention of a press clipping showing what turned out to be a different Bryan Reo killing a woman in South Carolina was on April 7, 2014 and not claimed after the Sept. 18, 2014 Ohio Statute of Limitations. Likewise with the republishing of Bryan Reo getting fired from the North Perry Nuclear Power Plant for being a wannabe white supremacist which Bryan Reo which was not in the initial civil complaint filed before the Mentor Municipal Court. Bryan Reo was not allowed to amend its complaint three years later thus could not proceed with this matter Bryan Reo also misquotes *Portee v. Cleveland Clinic* 155 OhioSt. 3d 1.

The trial court “erred” in deliberately denying Defendants Pastor Lindstedt and unrepresented Co-Defendant Lindstedt’s Aryan Nations Church their chance via jury instructions to punish Attorney Bryan Reo for abuse of legal process in bringing forward Reo’s malicious litigation, from destroying evidence, and for tortuous interference with contract in taking down through fraudulent Digital Millennium Copyright Act and Terms of Service Complaints Pastor Lindstedt’s and Lindstedt’s Church web pages and forums. This trial court – and all the courts of Ohio including this appellate court– have violated the Constitutions of the U.S. and Ohio in allowing one of their licensed attorneys / officer of their Ohio courts to file a civil lawsuit vs Pastor Lindstedt’s co-defendant Church of Jesus Christ Christian / Aryan Nations of Missouri 16CV000825 in the first place. This non-501(c)(3) Church is not allowed to be represented by its clergy. This Appellate Court in its 20 May 2020 ORDER has made it clear that it is allowing Pastor Lindstedt to make this third amended Appellee’s Brief but Pastor Lindstedt is not allowed to represent his non-501(c)(3) Aryan Nations Church in his brief. Pastor Lindstedt disagrees with this but accordingly has gone through his Appellate Brief and edited it to mention the fact that Pastor Lindstedt’s Church is indeed a co-defendant which Pastor Lindstedt is not allowed to defend – at least not before the Ohio courts, either the trial court nor this Appellate Court. Thus Pastor Lindstedt did comply with this Appellate Court’s Order. Bryan Reo in his Appellant Brief yaps about “sovereign citizens” and how the legal monopoly of the lawyers’ guild must be preserved at all costs and how Pastor Lindstedt should be denied his appeal as a sanction.

REPLY STATEMENT OF THE CASE

PROCEDURAL POSTURE

This is an appeal of *Bryan Anthony Reo v. Martin Lindstedt*, 15CV001590 and *Bryan Anthony Reo v. The Church of Jesus Christ Christian / Aryan Nations of Missouri* 16CV000825 in which after a jury trial a Lake County jury awarded \$40,000 in compensatory damages and \$50,000 in punitive damages in favor of Bryan Reo against Defendant Pastor Martin Lindstedt and \$15,000 for “false light” damages awarded Bryan Reo against Pastor Lindstedt. The Church of Jesus Christ Christian / Aryan Nations of Missouri was assessed \$200 in compensatory damages and \$200 in punitive damages in favor of Bryan Reo. These cases were consolidated for trial under 15CV001590. This is a reply brief to Bryan Reo’s Appellee Brief of 23 June 2020 which was full of lies both as to the facts and the law. This Ohio Appellate Court has demanded on 20 May that Pastor Lindstedt has a “final opportunity” to comply with this Court’s ORDERS that Pastor Lindstedt not speak for his Aryan Nations Church and that Pastor Lindstedt not use racist terms for describing Bryan Reo, a known homosexual mongrel of negroid, oriental and jew ancestry who has been working with antifa to form a supposedly White Supremacist “lawfare” organization calling itself The Foundation for the MarketPlace of Ideas (FMI) with other so-called White Supremacists formerly calling themselves the Alt-Right who as agents provocateurs planned in conjunction with the federal and state authorities the Charlottesville Massacre. Bryan Reo has worked as a non-white “White Supremacist” “lawfare” antifa activist to destroy the genuine organic nativist White Supremacist organizations in general and Pastor Lindstedt and Lindstedt’s Aryan Nations Church in this never-ending series of frivolous and vexatious lawsuits

before the Lake County Ohio courts, the Ohio federal courts, the Stanley County SD state court (to steal Pastor Lindstedt's inheritance long since transferred to his sister) and the Missouri courts. Bryan Reo at the trial level wanted to pretend that for no valid reason Pastor Lindstedt and Lindstedt's Church defamed Reo as a "private figure" while Pastor Lindstedt has made it clear about Bryan Reo's public status within the Movement. Pastor Lindstedt submitted a 3d Amended Appellate Brief on 4 June 2020 in which Pastor Lindstedt recognized that the Ohio courts will not let Pastor Lindstedt defend his Church, Pastor Lindstedt stripped out 90% of the racist descriptions of Bryan Reo, leaving in the bare minimum necessary to keep this case intelligible. Bryan Reo submitted a Appellant's Brief on 23 June 2020 which was full of lies as to the law and the facts of the case. Pastor Lindstedt submits this Reply Brief on 3 July 2020.

REPLY STATEMENT OF FACTS

Plaintiff Bryan Anthony Reo has submitted in its Appellee Brief a packet of lies of both fact and law. The trial court restricted Reo to stating claims made after 9/18/2014 about what turned out to be a different Bryan Reo driving the same make of 2003 Toyota when Pastor Lindstedt's last publishing of this honest mistake was on April 7th 2014 when Reo initiated the federal lawsuit which failed because Reo couldn't prove any damages, much less \$10.75 million. Insofar as mentioning that Bryan Reo was fired from the North Perry Nuclear Power Plant in early 2016 this was speculated that they found out that Bryan Reo was a non-white "White Supremacist" and so they didn't want this delusional critter seen working for them, not for any claims of sabotage, although Bryan Reo loves to make threats. Bryan Reo now claims that at trial a far different time frame when the Trial Docket has Reo admitting a far different timeline in his

motions. The rest of the Reo's statements are that after over six years of litigation that Reo cannot understand Pastor Lindstedt's arguments when they are exactly the same stuff since 2014.

REO LAW & REO ARGUMENT

Bryan Reo claims that Pastor Lindstedt and Lindstedt's Aryan Nations Church has no appealable issue because Pastor Lindstedt is appealing the denial for a new trial. Pastor Lindstedt and Pastor Lindstedt is rather saying that this fraudulent trial for fighting with a public figure and agent provocateur Bryan Reo should never have taken place in the first place given that this Lake County Court never had jurisdiction and has committed the treasonable activity of claiming dominion over Pastor Lindstedt and Lindstedt's Church for calling Bryan Reo and Reo's fellow ZOGBots out. Bryan Reo claims that this Court had jurisdiction because Pastor Lindstedt did not want Bryan Reo to get a default judgment against Pastor Lindstedt, Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri. The corrupt Lake County Court usurping jurisdiction under a "long-arm" statute over those who never consented to such jurisdiction and then holding a farcical proceedings anyways. Pastor Lindstedt (nor Pastor Lindstedt's Aryan Nations Church) **DO NOT CONSENT** to this fraudulent and vicious jurisdiction but do look forward to doing unto the State of Ohio what was done unto them

Insofar as Bryan Reo claiming that the Appeals Court must be unanimous in overturning the verdict due to "weight of evidence" since Bryan Reo presented no evidence other than what the corrupt judge Condon allowed him to cherry-pick from Pastor Lindstedt's web page and which evidence favoring Pastor Lindstedt and his Church was not allowed. This case had no

evidence to speak of presented & in any case the subordinate Ohio Constitution Art. 4, Section 3(B)(3) does not over-ride the First Amendment nor jurisdictional issues. Bryan Reo purports to claim in its Statement of Issues Presented for Review that it answers Pastor Lindstedt's Appellate Brief – but all Bryan Reo does is to essentially lie about the facts and law

FIRST ASSIGNMENT OF ERROR – JURISDICTION. Neither the Lake County Courts nor Bryan Reo ever had jurisdiction over Pastor Lindstedt, Lindstedt's elderly bed-bound illiterate domestic partner nor Lindstedt's Aryan Nations Church living in SW Missouri 900 miles away, be it by virtue of some Ohio "long-arm" statute claiming jurisdiction or some Ohio case law *Kauffman Racing Equip. LLC v. Roberts*, 126 Ohio St.3d 81(which dissent pointed out that the trial must be fair to foreign litigants) usurping said false dominion / jurisdiction or by virtue of holding Pastor Lindstedt's and Lindstedt's Aryan Nations Church's property hostage by means of fraudulent default judgment. Pastor Lindstedt did indeed file a counter-claim against Bryan Reo and father and friends as that was the means of defeating Bryan Reo in the initial federal lawsuit. However the trial court wouldn't allow evidence to be presented against Bryan Reo much less against Bryan Reo co-conspirators. Jurisdiction is at the heart of this case because if an Ohio court can drag foreign defendants to stand trial in spurious proceedings before their courts brought by a venue-shopping plaintiff then having breached the jurisdictional boundaries of having "due process" it lays the door wide open for victims of those courts to instigate proscriptions against the citizens and office-holders and employees of that court and state before their own tribunals. In short, if an Ohio court can instigate corrupt judicial proceedings against an Aryan Nations Pastor & Church then it is a mere detail of military and political victory for

white supremacists in a Covid-19 era to wage such civil warfare against the courts, government and people of Ohio who allowed the beginning of this civil warfare via this Reo litigation.

SECOND ASSIGNMENT OF ERROR – NEGATING PREMPTORY CHALLENGE OF

AFRICAN NEGRESS. Pastor Lindstedt freely admits to making a challenge for cause and peremptorily against this African negress who came to this country to live off the White man.

The negress would watch with a glare against Pastor Lindstedt, a genuine racist White Devil in a White Devil Aryan Nations Church. While the current ZOG-Law says that Pastor Lindstedt cannot kick non-whites off the jury, the end result of this is that all-white juries of the past and of the future are legitimate upon 2d Civil War victory & before Resistance People's Tribunals.

THIRD ASSIGNMENT OF ERROR – JUDGE CONDON NOT ALLOWING EVIDENCE

Bryan Reo always played games with discovery, refusing to give Pastor Lindstedt any discovery when anything Pastor Lindstedt said was on the Church web page for everyone to see. Insofar as an alleged failure to comply with the pre-trial order to exchange exhibits, Bryan Reo didn't obey any such order either. Pastor Lindstedt has pointed out in his Appellate Brief that Judge Condon refused to rule on Defendant's Instant Motion Regarding Trial Exhibits (T.d. 162) pointing out that neither Bryan Reo nor Pastor Lindstedt exchanged exhibits and thus no exhibits should be allowed, but if Bryan Reo was allowed to cherry-pick from Pastor Lindstedt's Church's web page that Pastor Lindstedt be allowed to rebut such evidence as well. Bryan Reo keeps on hypocritically mentioning Pastor Lindstedt's supposed evidentiary faults, but not Reo's own. Reo also would claim – like in its federal litigation – that since Pastor Lindstedt didn't answer

Reo while Reo refused to render initial disclosures or give discovery, that Reo somehow got an admission of guilt. The trial court asked Reo if he had made any such objections at the time and Reo admitted to not doing so, thus the trial court refused to allow Reo's claims of admissions. Insofar as Reo claiming that the trial court properly sanctioned Pastor Lindstedt for Lindstedt being late and not allowing the numerous audio files of Reo playing White Supremacist (400 *shows*, NOT 400 hours) are concerned, Bryan Reo pretended that he never did all of those shows as a pretend White Supremacist or advocating the extermination of jews and non-whites like himself, Eli James and William Finck. Yet Judge Condon used Pastor Lindstedt being late for 20 minutes and Condon then hiding for 9 minutes to justify not allowing Pastor Lindstedt to present his evidence is merely judicial corruption. Either Judge Condon would allow Pastor Lindstedt to present his evidence or not. No need to hide like a corrupt judge. Judicial corruption and thus not allowing Pastor Lindstedt to present his rebuttal evidence is not a proper sanction as Reo claims. Judge Condon at T.d 199, transcript pg 232 & 233 Day 1 initially promised to listen to the audio files in chambers while Bryan Reo as in its Appellee Brief claims that he didn't do hundreds of shows – 400 at least – in Reo's distinctive "mamzer monotone." In short Reo lies.

FOURTH ASSIGNMENT OF ERROR – Bryan Reo merely gives an argument but refuses to make any citation to the trial record – merely claims that Pastor Lindstedt is wrong without proof

FIFTH ASSIGNMENT OF ERROR – Bryan Reo claims that Defendant Lindstedt and Lindstedt's Church got the *New York Times v. Sullivan* jury instruction. This is a lie. Reading the transcript T.p. 199 Day 3 pg 568 line 18-21 "*In deciding whether the statement was false, you may not consider the defendant's belief as to the truth of the statement.*" This is the exact

opposite of the Sullivan “must prove malice” standard in that the corrupt trial judge told the jury to disregard whether Pastor Lindstedt thought that the statements were true and in violation of Ohio Constitution Article 1.11 concerning Freedom of Speech and the Press and stating that honest motives are not a defense. In any case, *New York Times Co. v. Sullivan* 376 U.S. 254 is not a proper jury instruction but rather a bar to prosecution by a public figure, especially an agent provocateur like Bryan Reo against another public figure within the White Supremacist Movement like Lindstedt and Lindstedt’s Aryan Nations Church. Furthermore, Bryan Reo lies when Reo claims that while Pastor Lindstedt found out later in Oct. or Nov. 2014 that it was a different Bryan Reo who drove the same make of 2003 Toyota Landcruiser who killed Catherine Williams that Pastor Lindstedt continued to publish that it was the Mentor Bryan Reo. That is a knowing lie because the last time Pastor Lindstedt re-published that public news story was on 7 April 2014, just before Bryan Reo filed the federal lawsuit against Lindstedt for violation of the Digital Millennium Copyright Act. Which was well before the Sept. 18 2014 Statute of Limitations deadline imposed by Judge Condon. Bryan Reo thus commits two misstatements of fact and law. Insofar as Bryan Reo’s claim of “false light” barred by *New York Times v. Sullivan*, all Pastor Lindstedt was doing was speculation that the nuclear power plant officials fired Reo because they found out that Reo was a pretend white supremacist, not because of any supposed statement which never happened that Reo sabotaged the reactor core. Thus more Reo lies.

SIXTH ASSIGNMENT OF ERROR – Bryan Reo gets to call Pastor Lindstedt a child molester and Judge Condon allows it before the jury. Pastor Lindstedt covered this matter in his Appellate Brief. Yet Bryan Reo and Reo’s lawyer friends continue to call Pastor Lindstedt a

child molester in the latest Reo litigation while whining about Lindstedt calling Reo a homosexual mongrel ZOGbot. Reo claims that this is mere argumentation allowed by the judge. In that case the alleged “defamations” by Pastor Lindstedt, non-lawyer, are mere argumentation. Bryan Reo is indeed a non-white homosexual agent provocateur and thus these allegations are true, R.C. 2739.02 as well as being “argumentation” but Pastor Lindstedt is not a child molester.

SEVENTH ASSIGNMENT OF ERROR – Ohio Statutes of Limitations. Bryan Reo took three years after Lindstedt called Reo a homosexual mongrel abomination ZOGbot in 2010-2011 until Reo found out that Lindstedt had a South Dakota inheritance worth \$2 million which Reo wanted. Lindstedt has posted Reo’s 24 August 2014 “Prey for Muh Suckcess” to the record on trial of this and all of Reo litigation to show Reo malicious motivation for Reo’s abuse of legal process. So when Reo had its federal case dismissed on 10 Sep 2015 Reo went to Lake County to refile stripped of the DMCA eight days later. Reo claimed that he had a “saving statute” which was negated by *Portee v. Cleveland Clinic Found*, 155 Ohio St. 3d (2018). However Reo lies about when the Catherine Williams killing was re-published in April 2014. Insofar as the rest of the Reo v. Aryan Nations 16CV000825 matter Reo lies because none of that stuff regarding the North Perry Nuclear Power Reactor was mentioned in the Mentor Municipal Court filing. Reo was pretending to be a great White Supremacist for the Foundation for the MarketPlace of Ideas so when that went allegedly defunct in March 2018 Reo tried to File an Amended Complaint nearly two years after the fact, thus barred by Ohio Statute of Limitations. Judge Collins refused to allow Reo to Amend his Complaint after over three years and numerous Reo-cancelled court

dates, (T.d. 145, 17 Dec. 2018) so Reo filed appeals 2018-L-143 & 2018-L-2019. Thus Bryan Reo's evasions of the Ohio Statutes of Limitation are lies.

EIGHTH ASSIGNMENT OF ERROR – Court collusion with Bryan Reo allowing Reo to file this frivolous litigation without consequence. Bryan Reo is a legal terrorist and Judge Condon is Reo's state sponsor. Pastor Lindstedt tried, as Lindstedt had in the federal case(s) to counter-sue Bryan Reo and Reo co-conspirators for abuse of legal process. Judge Condon refused to allow any such counter-suits, thus making Bryan Reo have a free shot to steal under color of the corrupt Lake County courts Lindstedt's property. Suffice it to say that such should be discouraged, not encouraged, but Bryan Reo and Reo's lawyers are using these corrupt Ohio courts to steal and rob Pastor Lindstedt (and others) through abuse of legalistic process.

NINTH ASSIGNMENT OF ERROR – Pastor Lindstedt dropped any claim to being able to now represent his Aryan Nations Church. The First Amendment is dead, the Church will prevail

CONCLUSION - Bryan Reo is a homosexual mongrel infesting the White Supremacist and Christian Identity Resistance Movements since 2000 and probably an agent provocateur nearly as long. Along with its lawyer friends Reo is a public figure who has founded the Foundation for the MarketPlace of Ideas (FMI) as an antifa "lawfare" group charged with disrupting the Old-Line White Supremacist groups like Pastor Lindstedt & Lindstedt's Aryan Nations Church and bringing forth such as the Charlottesville Massacre to destroy unwary Whites. Back in 2010 Pastor Lindstedt found out Bryan Reo's identity and Bryan Reo took down Church web pages. In April 2014 Bryan Reo filed a bogus federal lawsuit which failed so Bryan Reo re-filed well past

the Ohio Statutes of Limitation on 18 Sept 2015 and then against Pastor Lindstedt's Church before the Mentor Municipal Court. Contrary to Reo's pretensions, filing a federal lawsuit which failed did not act as a bar to the Ohio Statute of Limitations of one year total. The Lake County Courts – totally without jurisdiction – allowed this litigation to proceed, empaneled a biased jury with a non-white member, refused to allow Pastor Lindstedt to present evidence in his defense, and ran a totally corrupt farce of a trial. Pastor Lindstedt has appealed. The Ohio Court system is relentlessly hostile to racially awake White Supremacists and their Church and civic groups. Pastor Lindstedt and Pastor Lindstedt's Church got a farcical unfair trial before a corrupt Ohio court absolutely devoid of any jurisdiction by an old public-figure enemy doing "lawfare." Pastor Lindstedt in making this appeal is giving this Ohio judicial system a last chance to mitigate the racial and religious and class civil war that its trial court has started because of stupidity & corruption. Pastor Lindstedt is a Dual-Seedline Christian Identity pastor, not a ZOG lawyer.

Pastor Lindstedt, on the eve of fake celebration of the First Revolutionary War, intends to use this case as a pretext to let the Collapse exterminate the non-whites and rulers of NE Ohio, enslave the rural whites surviving therein, chernobylize the North Perry nuclear power plant, and to win the 2d Civil War in favor of a dismembered former ZOGLand ruled by 10,000 Warlords over 10-20 million surviving ex-whiggers.

Hail Victory !!!
