*Pro se Appellant*

---

NOW COMES Bryan A. Reo (“Appellee”), *pro se*, and hereby propounds upon Martin Lindstedt (“Appellant”) and this Honorable Court Appellee Bryan Anthony Reo’s Motion for Dismissal of Appeal as Sanction:

1. On March 5, 2020, the Court pertinently ordered that Appellant is prohibited from making arguments or representing Church of Jesus Christ Christian / Aryan Nations of Missouri (“Aryan

Nations Church”) insofar as Appellant is not a licensed attorney and the same constitutes the unauthorized practice of law. (Exhibit A – March 5, 2020, Order).

2. On March 5, 2020, the Court pertinently ordered that Appellant’s original appellate brief is stricken from the record because it includes “derogatory and inappropriate language.” (Exhibit A – March 5, 2020, Order). The Court ordered that Appellee’s filings “must exclude derogatory and inflammatory language and name calling. Failure to comply may result in the dismissal of the appeal.” (Exhibit A – March 5, 2020, Order).

3. On March 23, 2020, the Court reaffirmed its prior Order when it unequivocally decreed:

Consistent with our prior order, Lindstedt, a non-attorney, cannot represent the church or raise arguments on behalf of the church. Lindstedt must also exclude derogatory and inflammatory language and name calling. Failure to comply may result in the dismissal of the appeal.

(Exhibit B – March 23, 2020, Order).

4. Despite the Court twice warning Appellant in writing via its Orders that Appellant’s appeal could be subject to dismissal should Appellant fail to refrain from practicing law without a license by representing Aryan Nations Church or using derogatory and inflammatory language, Appellant has failed to heed this warning. On April 28, 2020, Appellant filed a Motion on behalf of himself and Aryan Nations Church—thereby again practicing law without a license—which is replete with derogatory and inflammatory language, including but not limited to:

a. Appellant complaining that the “Lake County Lynex Mob jury [was] filled by an African female and staffed with Lake County gliberal whiggers and run by a crooked judge Patrick Condon[.]”

b. Appellant slurring the legal profession as “thieving lawyers” and “a criminal class of social parasites” who practice law in “kangaroo korts.”

c. Appellant referring to Appellee as a “shit-skinned, slant-eyed, nigger-lipped, unbrowed, Satanic mongrel homosexual[.]”

d. Appellant slurring Attorney Brett Klimkowsky (Ohio #0090183) and Attorney Kyle Bristow (Ohio #0089543 and Michigan P77200) as “agents provocateurs[.]”

e. Appellant decreeing that Aryan Nations Church has issued an “Order of Biblical castration and female sexual slavery of Ohio lawyers, police, and public officials offspring[.]”

f. Appellant describing how he is going to engage in biological terrorism by “collecting the carcasses [of] Chronic Wasting Disease stricken deer, cooking them up and feeding it to deer in uninfected areas in order to destroy[.]”

g. Appellant complaining about “homosexual mongrels and jews and negroes and whiggers living in urban NE Ohio.”

h. Appellant slurring Appellee as “a homosexual mongrel ZOGbot Satanic abomination[.]”

i. Appellant slurring the trial court judge as “a crooked judge.”

j. Appellant describing how he advocates for “the extermination of this Mighty Evil Empire through civil war and the Collapse in which 90% of all the whiggers and all of the jews, niggers, beaners, muds, faggots and regime criminals are either dead or enslaved (if they be white)[.]”

k. Appellant describing court filings as “the same old shit[.]”

(Exhibit C – April 28, 2020, Motion).

5. On April 28, 2020, Appellant filed another Motion on behalf of himself and Aryan Nations Church—thereby again practicing law without a license—which contains some of the most offensive and vile language Appellant has used to date, including but not limited to:

a. Appellant refers to Appellee throughout Appellant’s Motion not by the third-person personal pronouns of “he” or “him,” but rather “It,” thereby dehumanizing Appellee.

b. Appellant states that he previously confused Appellee’s father as being “one of Reo’s homosexual lovers[.]”

c. Appellant refers to Appellee’s wife as “its Brazilian Sephardic jewess wife” who “pretended that she wanted to have lots of Reo spawn in order to get to the US, but then reneged so Reo tried to divorce her so she promised to squeeze out a spawn or two \* \* \* [then] reneged again on squeezing out any Reo-spawn, for which we all should be grateful.”

d. Appellant refers to Appellee’s wife as “the Reo-jewess” who jumped up and down “to get the attention of two homosexual mongrels[.]”

e. Appellant refers to Appellee’s father as “one of the presumed homosexual mongrels” before conceding that it is regrettable that Appellee’s father is not homosexual “since it spawned Bryan Reo[.]”

f. Appellant strangely asserts that Appellee was an organizer of the deadly Charlottesville, Virginia, “Unite the Right” rally.

g. Appellant rants and raves about “jews, mongrels, homosexuals, perverts[.]” and “young whiggers[.]”

h. Appellant slurs the trial court judge as “crooked.”

i. Appellant refers to an African-American female juror as the “African she-nigger,” while slurring the remainder of the jurors as “gliberal whiggers.”

j. Appellant slurs Appellee as being “a delusional mentally unsound non-white homosexual[.]”

k. Appellant writes about “urban jews, negroes, muds, and the elderly in jew yawk City, jew Jersey, \* \* \* [and] Sans Fagscrisco.”

l. Appellant praises “the Black Death and other plagues specifically to wipe out or at least thin the miscegentated herd[.]”

m. Appellant writes of “dead jews, negroes, mongrels, [and] perverts” while describing his plan to engage in biological terrorism from “Colorado to gliberal areas in Wisconsin, Illinois, or Ohio” prior to committing the genocide of “90% of the mixed-race population[.]”

n. Appellant refers to this Court as “you nigger and jew-loving liberals in Ohio.”

o. Appellant slurs Appellee as “a shit-skinned, unbrowed, Satanic-inspired, nigger-lipped homosexual mongrel you made a lawyer[.]”

p. Appellant states that he will achieve victory in Northeast Ohio by killing his opponents.

q. Appellant slurs Appellee as a “delusional homosexual Satanic mongrel abomination[.]”

(Exhibit D – May 8, 2020, Motion).

6. The Court should enforce its Orders; to wit: (1) twice now, the Court has warned Appellant in writing via written Orders that Appellant’s appeal would be dismissed as a sanction if Appellant

continues to represent Aryan Nations Church despite not being a licensed lawyer or Appellant uses derogatory and inflammatory language, and (2) Appellant has double downed by continuing to file documents on behalf of Aryan Nations Church and Appellant has increased the frequency and severity of the insulting language that Appellant incorporates in Appellant's court filings.

WHEREFORE, Appellee prays that this Honorable Court will dismiss Appellant's appeal as a sanction due to Appellant's repeated violations of the Court's Orders. Alternatively, Appellee prays that this Court will issue an order to compel Appellant to show cause—in person—before the Court on a specified date and time to explain why Appellant's appeal should not be dismissed as a sanction due to Appellant's repeated violations of the Court's Orders.

Respectfully submitted,

ELEVENTH DISTRICT

BRYAN ANTHONY REO,  
  
                                  Plaintiff-Appellee,

**JUDGMENT ENTRY**

- vs -

**CASE NOS. 2019-L-073  
                  2019-L-074**

MARTIN LINDSTEDT, et al.,  
  
                                  Defendants-Appellants.

Appellee, Bryan Anthony Reo, moves to dismiss appellants' appeal and alternatively seeks to strike appellants' brief. He also moves for an extension of time to file his brief. Appellants have not responded. For the following reasons, we grant the motion to strike, overrule Reo's motion to dismiss, and extend the time for him to file his brief.

In moving to strike appellants' brief or dismiss the appeal, Reo raises three arguments. First, Reo contends that appellant, Martin Lindstedt, is engaging in the unauthorized practice of law by representing his co-appellant, Church of Jesus Christ Christian/Aryan Nations of Missouri (the church). Second, Reo claims that appellants' brief fails to comply with appellate rules and does not include citations to the record. Finally, Reo asserts that the appeal should be dismissed or appellants' brief stricken based on the inclusion of unnecessary and abusive language.

As for the contention that Lindstedt is improperly representing the church, an incorporated entity, appellants do not dispute this fact. Moreover, there is no indication that Lindstedt is a licensed attorney or is otherwise qualified to pursue an appeal on behalf of the church. R.C. 4705.01. (representing a party in a legal action without a license constitutes the unauthorized practice of law, which is prohibited).

And as Reo contends, there is no counsel for the church listed on the notice of appeal or appellants' brief; Lindstedt is the only signator on both filings. *Harvey v. Austinburg Dev. Corp.*, 11th Dist. Ashtabula No. 2006-A-0044, 2007-Ohio-3025, ¶ 5, quoting *Sheridan Mobile Village, Inc. v. Larsen*, 78 Ohio App.3d 203 (1992) (Ohio law does not allow a corporation to participate in legal proceedings "through an officer of the corporation or some other appointed agent.").

Thus, absent evidence that Lindstedt is a licensed attorney, he is precluded from making arguments or representing the church on appeal. And because Lindstedt's appellate brief raises issues and makes arguments that are intertwined with those on behalf of the church, appellants' December 17, 2019 appellate brief is stricken.

Moreover, appellants' notice of appeal likewise lacks an attorney's signature on behalf of the church.

Reo also claims that appellants' December 17, 2019 brief fails to include citations to the record. We agree. An appellant must present citations to authorities, statutes, and parts of the record on which he relies for each of his

contentions, each assignment of error raised, and the reasons in support. App.R. 16(A)(7); *Roberts v. Hutton*, 152 Ohio App.3d 412, 417-418, 787 N.E.2d 1267 (2003).

Here, appellants' brief consists of 33 pages of text, yet most pages contain no reference to the trial court's record and no legal citation or authority.

Finally, Reo contends that appellants' December 17, 2019 brief should be stricken in light of inclusion of derogatory and inappropriate language that does not purport to quote evidence presented to the trial court. We agree. Appellants' brief uses disparaging language throughout to describe Reo, the trial court, and the judicial process. Thus, we strike appellants' brief for this reason as well.

Based on the foregoing, appellee's motion to strike appellants' brief is granted. Appellee's motion to dismiss is overruled.

Lindstedt is ordered to file a new appellate brief within 20 days from the date of this judgment and must exclude derogatory and inflammatory language and name calling. Failure to comply may result in the dismissal of the appeal.

Finally, Reo's extension of time to file his brief is granted, and he shall file his brief 20 days after Lindstedt's new brief.

**JUDGMENT ENTRY**

**CASE NOS. 2019-L-073  
              2019-L-074**

MARTIN LINDSTEDT, et al.,  
  
                                  Defendants-Appellants.

Appellant, Martin Lindstedt, moves for an extension of time to file his amended brief following our March 5, 2020 entry granting appellee's motion to strike. We ordered Lindstedt to file a new and compliant brief on or before March 25, 2020.

In response, appellee, Bryan Anthony Reo, moves to dismiss for a second time contending that Lindstedt's motion for an extension of time "openly admits" that Lindstedt is continuing to raise arguments on behalf of the church contrary to our March 5, 2020 order. Although Lindstedt refers to the church in his motion, he does not state that he will continue to raise arguments on behalf of the church. Accordingly, Reo's second motion to dismiss the appeal is overruled.

Lindstedt's motion for an extension of time to file his amended appellate brief is granted, and it shall be filed no later than April 14, 2020. Reo shall file his brief 20 days after Lindstedt's new brief.

Consistent with our prior order, Lindstedt, a non-attorney, cannot represent the church or raise arguments on behalf of the church. Lindstedt must also exclude derogatory and inflammatory language and name calling. Failure to comply may result in the dismissal of the appeal.

**DEFENDANTS' MOTION FOR THIS APPELLATE COURT DECIDING FRAUDULENT CASES WHICH NEVER SHOULD HAVE BEEN ALLOWED TO PROCEED BY ATTORNEY BRYAN REO AGAINST A CHRISTIAN IDENTITY PASTOR & CHURCH IN MISSOURI TO SIMPLY DECIDE ON THE MERITS APPELLANT'S BRIEF AND TO PUNISH BRYAN REO FOR REOPENING A RELIGIOUS RACIAL HOLY CIVIL WAR 2 & TO ADMIT THAT THE LAKE COUNTY COURTS NEVER HAD JURISDICTION IN THE FIRST PLACE**

COMES NOW the current Defendant / Appellant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") along with Defendant / Appellant The Church of Jesus Christ Christian / Aryan Nations of Missouri ( hereafter "The Church) [none of which are or ever were lawfully within the proper jurisdiction of the local Lake County Court of Ohio] to file this Motion for this Appellate Court to understand that neither Pastor Lindstedt nor Pastor Lindstedt's Aryan Nations Church should have ever been tried by a Lake County Lynch-Mob jury filled by an African female and staffed with Lake County gliberal whiggers and run by a crooked judge Patrick Condon who didn't allow Pastor Lindstedt to present any evidence on behalf of himself, his woman Roxie Fausnaught (who was 63 years old and bedbound since 2013 and illiterate and on a disability widow's government check and sued solely because she couldn't afford to hire a lawyer), and most of all Pastor Lindstedt's Church because a pack of thieving lawyers extended a patent of nobility to where only they can show up before their own kangaroo korts. Bryan Reo is in effect arguing that after a decade of oppression against Pastor Lindstedt and Lindstedt's Church that this Ohio Appellate Court should rule tyrannically that because Pastor Lindstedt refuses to recognize its authority that Pastor Lindstedt should be denied even the appearance of an appeal. This is the gravamen of Bryan Reo's Motions to Strike at both the federal and Lake County Court and Appellate Court level ever since 2014 when Bryan Reo filed

its first federal lawsuit which failed and then was continued well past the Ohio Statutes of Limitation for the lawsuit transferred to refiled in Lake County. (*Reo v. Lindstedt* 15CV001590 and *Reo v. Aryan Nations* 16CV000825).

Pastor Lindstedt does not recognize the legitimacy of this Court or for Ohio to try for Pastor Lindstedt and Lindstedt's Church telling over the past decade or more that Bryan Reo is a "shit-skinned, slant-eyed, nigger-lipped, unbrowed, Satanic mongrel homosexual working as an antifa to infiltrate the White Supremacy and Christian Identity Movements." That this is the case can be shown by Exhibit #1, filed in all four of the now-present Bryan Reo v. Martin Lindstedt federal lawsuits, *Reo v. Lindstedt* 1:19-cv-02589-CAB, Doc 26-1, filed 03/19/20 p251-254, Stefani *Reo v. Lindstedt* 1:19-cv-02786-CAB filed 02/07/20 Doc #11-1, pages 103-106. Bryan Reo doesn't admit that in the federal courts his bogus litigation is pretty bogged down because Bryan Reo can't prove that it has been harmed. Exhibit #2 "Pray for My Suckccess" on William Finck's Christogenea Forum 24 Aug. 2015, *Reo v. Lindstedt* 1:19-cv-02589-CAB, Doc 26-2, filed 03/19/20 p255-257, Stefani *Reo v. Lindstedt* 1:19-cv-02786-CAB filed 02/07/20 Doc #11-1, pages 107-109 shows that since 2014 Bryan Reo has been intent on using and abusing the regime-courts to destroy Pastor Lindstedt and Lindstedt's Church.

Pastor Lindstedt admits to being a White Supremacist and that the Aryan Nations is a Dual-Seedline Christian Identity Church. Pastor Lindstedt has exposed Bryan Reo and the lawyers Brett Klimkowsky and Kyle Bristow of the Foundation for the MarketPlace of Ideas (FMI) / ZOGbot Poverty [F]Law Center (ZPLC) as agents provocateurs.

Pastor Lindstedt's Aryan Nations Church has convened an ecclesiastical court and come up with a \$200 billion judgment for compensatory damages and \$200 billion judgment for punitive damages against the State of Ohio in general and Lake County Courts and Ohio bar specifically. An Order of Biblical castration and female sexual slavery of Ohio lawyers, police, and public officials offspring, if white, has been entered as well. The North Perry Nuclear Power

Plant is to be “chernobyled” cf. the Judgement Against Sodom and Gomorrah and the other three Cities of the Plains for the sin of abuse of legal process absent jurisdiction in order to prevent this abuse of federalism and to breakup the current Mighty Evil Empire having notions that they can hold kangaroo korts outside their local jurisdictions. The legal profession is to be destroyed as a criminal class of social parasite, along with their enforcement mechanisms.

Pastor Lindstedt used to recommend using “prion-poisoning”, i.e. collecting the carcasses Chronic Wasting Disease stricken deer, cooking them up and feeding it to deer in uninfected areas in order to destroy the “carrying capacity” of the ZOGland to where those who survive will be the pure rural Aryan Christian Israelite as opposed to homosexual mongrels and jews and negroes and whiggers living in urban NE Ohio. However the Corvid-19 Boomer-Remover ZOG-made virus is far more effective and can be easily spread again as the food supply is disrupted. It is doubtful that this Court will have much authority over Lake County, much less in Missouri 900 miles away before the end of this year as things fall apart.

This Appellate Court is pretending that the underlying cases should have been heard in Lake County. Judge Patrick Condon on 15 January 2020 admitted that “his court had no jurisdiction to enforce its rulings outside the State of Ohio” when Bryan Reo was wanting to have him hold Pastor Lindstedt in coontempt of kort for not obeying Condon’s Order to give Bryan Reo Lindstedt’s bank account numbers. Bryan Reo is currently trying to force Pastor Lindstedt to return his South Dakota inheritance from transfer to his sister so that Bryan Reo can steal it, and finding crooked lawyers to do so there. However that is running into obstacles before the federal courts as Bryan Reo and Reo’s lawyers friends and family are being counter-sued.

This case involves a homosexual mongrel ZOGbot Satanic abomination who is a public figure, likes calling Pastor Lindstedt a “child molester” and a convicted one at that before an Lake County Court of zero jurisdiction for making fun of said mongrel a decade ago and well

outside the Ohio Statute of Limitations before a Lake County ~~Lynch Mob~~ jury with an African female and hostile gliberal whiggers presuming to judge a Christian Identity non-501(c)(3) racial Church before a crooked judge who did not allow evidence to be presented by the putative Defendants, the Church which was barred from defending itself and its property from before this kangaroo regimeist kort.

Nor will this Pastor nor his Church engage in threats. Pastor Lindstedt has always advocated the extermination of this Mighty Evil Empire through civil war and the Collapse in which 90% of all the whiggers and all of the jews, niggers, beaners, muds, faggots and regime criminals are either dead or enslaved (if they be white) and the replacement of ZOG/Babylon with local military dictatorships run according to Dual-Seedline Christian Identity principles called the Ten Thousand Warlords. Pastor Lindstedt knows how to run a Resistance Tribunal. NorthEast Ohio needs to become an irradiated wasteland akin to Sodom and Gomorrah, which is achievable given that the North Perry Nuclear Power Plant hired Bryan Reo without doing due diligence of Bryan Reo's past until they seen Pastor Lindstedt's Church's web pages.

In short, Pastor Lindstedt simply is a racist Pastor of a White Supremacist Aryan Nations Church which advocates the extermination of everything this Appellate Court stands for and is thus unlikely to bother pretending that this Court has any legitimacy, much less jurisdiction. Rather, Pastor Lindstedt subscribes to the "Pet Sematary" theory of jurisdictional jurisprudence. This Court has opened up the Gates of Helland unleashed civil war. The question is whether or not you will deserve what you have coming from hostile outsiders wanting payback.

Insofar as Bryan Reo asking for an extension is concerned. The transcript was finished on 18 October 2019. Bryan Reo keeps on posting Motions to Strike, to Dismiss this Appeal, and for a fourth extension to answer to Pastor Lindstedt's Amended Appeal. Bryan Reo yaps about how it gets to win by default because Pastor Lindstedt's Church has no rights that this Appellate

Court need respect, but that after years of filing the same old shit and getting the same responses from Pastor Lindstedt that Bryan Reo simply still can't understand what Pastor Lindstedt is saying. Yet Pastor Lindstedt did file an Appellate Brief, struck through some of it and presented it again, yet Bryan Reo needs even more time to come up with the same stuff available to him since October. The same rain did fall upon the just and the unjust and yet more time was allowed to Bryan Reo. This Appellate Court should force Bryan Reo to make its case – if any -- as opposed to letting Bryan Reo whine about how it somehow can't understand Pastor Lindstedt.

Wherefore, it would be best if this Appellate Court proceeds to settle down and hear this appeal of two cases which never should have been tried in the first place, and although doomed try not to deserve what is going to inevitably happen as things fall apart. This Court should punish Bryan Reo and Kyle Bristow and Brett Klimkowsky for destroying their pretend “rule of law” and of the social order and people who depended upon them by letting Bryan Reo stir up civil, racial and religious warfare.

Hail Victory !!!

In the past I have prayed for success in the stock market and I have never made less than 200% returns in any 6 month period and I usually tend to get 400% returns in 3-4 months.

I am presently seeking to make a covenant with God on a very specific matter. I have some ongoing issues against various foes... If Yahweh God will deliver their money, their estates, their property, their assets, into my hands, I will promptly tithe 15% [rather than the usual 10%] to my kin and those who work for our people.

I ask that my brothers and sisters join with me in prayer and call on Yahweh to bless me and to accept my pledge of 15% tithing and to make wondrous things happen for me.

Basically when it is boiled down, I am asking Yahweh for approximately \$240,000 in the next 4 months [from various foes] ***along with the entire estate, wealth, property, money, etc, of the wicked one in Missouri [the ranch in South Dakota might be worth \$500,000 just by itself].***

I am not ashamed to ask Yahweh to bless me in a material matter and to grant me material success. Would it be better for me to strive to succeed via my own hand and then for me to thump my chest and declare my success evidence of my genius and my own prowess? I readily confess, and proudly at that, I need Yahweh to succeed! Be with me during these trying times and humble my enemies!

### Pray For My Success

That Yahweh thy God may bless thee in all that thou settest thine hand to in the land whither thou goest to possess it.

I have a particular enemy in Missouri who has a stake in a cattle ranch in South Dakota. I am asking that God deliver all of his property, all of his wealth, all of his land, all of his assets, all of his money, to me, and leave him desolate and penniless.

**DEFENDANTS' MOTION FOR EXTENSION OF TIME TO FILE APPELLEE REPLY BRIEF**

COMES NOW the current Defendant / Appellee Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") along with Defendant / Appellee The Church of Jesus Christ Christian / Aryan Nations of Missouri ( hereafter "The Church) [none of which are or ever were lawfully within the proper jurisdiction of the local Lake County Court of Ohio] to file this First (and probably only) Motion for an Extension of Time to File Reply Appellant Brief on these consolidated cases / appeals added to the usual 10 days to do so given Bryan Reo finally filed its perjurous and ridiculous Appellee Brief on May 4, 2020 on the following trial cases which lack all jurisdiction and never should have been heard or tried in the first place: (*Reo v. Lindstedt* 15CV001590 and *Reo v. Aryan Nations* 16CV000825).

Bryan Reo asked for – and received – two 30 day extensions to file a dishonest and perjurous Appellee’s Brief and was asked and received two 30 day extensions in 2019-L-136 & 137 in which Reo asks for “pre-trial interest” when it was Reo (and Reo’s attorney friends Brett Klimkowsky and Kyle Bristow acting as Board Member Officers of the Foundation for the MarketPlace of Ideas (FMI) / ZOGbot Poverty [F]Law Center) who after having its federal case dismissed refilled in Lake County Ohio county court and Mentor Municipal Court for actions outside the Ohio Statute of Limitations and kept on asking for continuances and extensions from the first trial date set for August 2016 up until the very date of the trial on 24 June 2019 in which Reo was asking for the 13<sup>th</sup> or 14<sup>th</sup> delay. Nor was Reo ever amenable to settlement after it broke its deal in November 2010 when Pastor Lindstedt found out its real identity or its racial

composition and Reo agreed to leave the White Supremacist and Christian Identity Movements. Since then Bryan Reo filed four more lawsuits, two for itself and one for its father for Pastor Lindstedt mistaking Reo's father for one of Reo's homosexual lovers and one for Reo's wife for republishing a public post on Quora in which Reo bemoaned about how its Brazilian Sephardic jewess wife pretended that she wanted to have lots of Reo spawn in order to get to the US, but then reneged so Reo tried to divorce her so she promised to squeeze out a spawn or two then when Reo dropped the divorce reneged again on squeezing out any Reo-spawn, for which we all should be grateful. Reo then whined about how it would have to live with a lie or alone. Reo then deleted the public Quora post like it has for the past 20 years in pretending to be a White Supremacist. Pastor Lindstedt also mentioned how the Reo-jewess jumped up and down in the Lake County Courthouse trying to get the attention of two homosexual mongrels but was ignored. Later Pastor Lindstedt when he was being sued found out that one of the presumed homosexual mongrels was Bryan Reo's father, regrettably while a mongrel not a homosexual since it spawned Bryan Reo to trouble Pastor Lindstedt, Lindstedt's Church, the White Supremacy and Christian Identity Movement, and the world and bring on the Wrath of YHWH upon NorthEast Ohio through barratry against YHWH's pastors and YHWH's Church. Upon such bare lies has Bryan Reo brought forth yet more litigation and counter-litigation now in federal court, where it languishes given that Bryan Reo and Reo's lawyer friends and fellow agents provocateur in the Foundation for the MarketPlace of Ideas (FMI) / ZOGbot Poverty [F]Law Center (ZPLC) cannot show that since they are public figures that they have suffered any damages given that they want to libel and slander Pastor Lindstedt as a "child molester" – and a convicted one at that – while Pastor Lindstedt calls them mongrel homosexual ZOGbots. Pastor Lindstedt has shown this Court on 28 April 2020 the FMI 501(c)(3) Income tax form showing that Reo and his lawyer friends are public figures within White Supremacy and that they along with Richard Spencer and Michael "Enoch" Peinovich were organizers of the Charlottesville Massacre. In short this case is about feuding between a Pastor of an Aryan Nations Church of the paleo-racist Right who doesn't like the fact that jews, mongrels, homosexuals, perverts and mostly lawyers from the so-called "Alt-Right" are getting stupid young whiggers to break cover and be shown to where they get outed, assaulted, and jailed for being so stupid as to think they had "constitutional rights." Bryan Reo has been trying to render Pastor Lindstedt "destitute and penniless" admittedly since 24 August 2014 and has tried to use the federal and Lake County Courts to do so under color of a defamation lawsuit even though the alleged counter-defamations

are from 2010-2013 and well beyond the Ohio Statute of Limitations. Pastor Lindstedt makes the case that this case involves an Aryan Nations pastor and his Church being tried 900 miles away before a crooked judge who would not allow evidence in their favor to be presented before a Lake County ~~Lynch Mob~~ consisting of an African she-nigger and a pack of gliberal whiggers trying this Pastor and his Aryan Nations Church for the usual racism which was perfectly legal in Southwest Missouri. Since the trial court usurped a jurisdiction and a dominion that it did not have and never will have, Pastor Lindstedt has applied Biblical law – as the Judgment upon Sodom and Gomorrah and the Cities of the Plain which would go out to the caravan route between the Red Sea and Babylon and under color of their made-up law to rob and judicially murder people who did not assent to their jurisdiction to do so. The question is whether Pastor Lindstedt has the power to punish Ohio for the sins of its courts. Given the present pandemic, it definitely seems possible. The North Perry Nuclear Power Plant is woefully run given that they let a delusional mentally unsound non-white homosexual wannabe “White Supremacist” like Bryan Reo run wild within it until they finally had enough sense to do a Google search and find out on Pastor Lindstedt’s Church’s web pages much about Bryan Reo in Bryan Reo’s own words. Additionally the Covid-19 ZOG-made virus kills urban jews, negroes, muds, and the elderly in jew yawk City, jew Jersey, Georgia, Sans Fagscrisco, Los Angeles, and Cleveland far more than it affects Pastor Lindstedt’s rual Aryan Christian Israelites. Pastor Lindstedt doesn’t know of a single ZOG-virus infected Klansman or their children who have come up with this sickness. In fact, Dual-Seedline Christian Identity doxology holds that YHWH sent the Black Death and other plagues specifically to wipe out or at least thin the miscegenated herd from time to time and that YHWH’s People are immune. So it is nothing for us to say mix up a brew of slime from the indifferently handled corpses of dead jews, negroes, mongrels, perverts, lawyers and spread it about for a third or fourth wave any more than it is difficult for us to render down Chronic Wasting Disease dead deer to spread from Colorado to gliberal areas in Wisconsin, Illinois, or Ohio. The political plan of the Church is to take advantage of the breakup of ZOG and the death of 90% of the mixed-race population to set up Ten Thousand Warlords.

How can this Appellate Court say that this is unjust for us when you have definitely proven that it is impossible for this Aryan Nations pastor and his Church to live in peace with you nigger & jew-loving liberals in Ohio when you have allowed Bryan Reo and your crooked Lake County judge and jury to usurp jurisdiction and to violate the supposed paper guarantees of freedom of speech, of the press, and of religion and to try Pastor Lindstedt and Lindstedt’s

Church because We made fun of a shit-skinned, unbrowed, Satanic-inspired, nigger-lipped homosexual mongrel who you made a lawyer? Even more, to claim that Pastor Lindstedt couldn't defend His woman (an elderly, functionally illiterate and not even able to spell "Brain Rio", bedbound since 2013) or his Aryan Nations Church because Pastor Lindstedt is not a lawyer. It would seem that the only way for the powers that be of Northeast Ohio to behave is to kill them and most of their herd animals who allow them to run wild. Even more to the point you have proven that we simply cannot live in peace together given that like the Men of Sodom you respect no law in common to where Pastor Lindstedt and Lindstedt's Church have any right to live in peace 900 miles away to where you stupidly allow Bryan Reo to keep on going after us.

Bryan Reo's Appellee Brief is a pack of lies, and delusions. Pastor Lindstedt requires more than 10 days to counter these lies. The trial judge Patrick Condon on 15 Jan. 2020 admitted that Ohio courts have no jurisdiction to pursue a judgment outside the borders of Ohio. This trial never should have taken place whatsoever. Trial courts in Ohio have no jurisdiction to try Aryan Nations pastors and their Churches for being racist over the Internet against importunate delusional homosexual Satanic mongrel abominations pretending to be "white Supremacists" or Aryan Nations Christian Israelite sub-pastors trying to insinuate jews, mongrels, and perverts into the Body of Christ on Earth, trying to turn the Congregation into a "Coongregation" with such as Bryan Reo and its ZOGbot friends and fellow lawyers. This Court should decide, correctly, that Bryan Reo never had a lawful case in its frivolous and malicious case of Reo v. Lindstedt, Church of Jesus Christ Christian / Aryan Nations of Missouri which underlies this case, upon Bryan Reo having to file an appellee brief in 2019-L-073 & -074.

Your Court gave Bryan Reo *two* extensions of 30 days each to draft up Reo's Appellee's Brief. Right now Pastor Lindstedt is asking for an extension of thirty days for time to figure out how to file an Appellant's Reply Brief. It gives this Court opportunity to stave off civil war and the breakup of the Mighty Evil Empire as the prejudices of liberal Northeast Ohio can no longer be enforced against extremely conservative and outright racist Southwestern Missouri. So, that said, Defendants, although not lawfully under the laws of man and certainly not those of YHWH subject to your foreign jurisdiction hereby request just such an extension of 30 days or longer time to file an Appellant's Reply brief in the interests of peace.

Hail Victory !!!
