COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as “Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt’s Church) to make his Initial Objections to Bryan Reo’s Notice of Filing a Foreign Judgment #58CIV21-40 before this Stanley County South Dakota Court. Bryan Reo and Reo’s antifa lawyer Robert Konrad who stole Pastor Lindstedt’s sister’s confidential files and were extorting Pastor Lindstedt’s sister Susan Bessman to turn over the inheritance Pastor Lindstedt deeded to her (without her knowledge of Bryan Reo or City of Granby concerns back in Oct. 2019) to them or they will seize her property as well have now presented a then Final Judgment by the crazy federal Judge John Adams which is currently under appeal *Bryan Anthony Reo v. Martin Lindstedt* 19-cv-02589 before the 6th Federal Court of Appeals 21-4191 for which while the in forma pauperis has been granted the Briefing Schedule hasn’t been set yet.

This is just one of a flurry of cases in which Bryan Reo, a long-time crazed delusional homosexual mongrel pretending to be a white supremacist has for over the past decade as an

agent provocateur for the federal and state government of Ohio been trying to infiltrate the above and below ground white supremacist and Christian Identity Resistance movements and being detected and exposed by Pastor Lindstedt has initiated and succeeded in gaining \$2.8 million before the Ohio state and federal courts by refusing to state its actual damages in violation of the Rules of Civil Procedure mandating computation of damages and then having these corrupt judges refuse under sundry pretexts to hold jury trials in violation of the 7th Amendment and to assess millions of dollars in mythical compensatory and punitive damages in violation of the 8th Amendment. Bryan Reo has filed over 25 cases against Pastor Lindstedt, his Aryan Nations Church, his deceased woman and estranged sister over the past decade. Essentially this is merely civil lawfare leading up to civil warfare which will end only when the Babylonian Satanic federal criminal regime and its whore state daughters are destroyed along with 90% of the population. Given that it is the duty of Pastor Lindstedt as de facto head of the Aryan Nations not only in Missouri but throughout the ZOGland, enforcing YHWH's Law on a Mighty Evil Empire is upon himself and his Church and not the fraudulent paper guarantees of the Satanic regime.

Thus Bryan Reo and Reo's corrupt lawyer Robert Konrad have simply proceeded to file this fraudulent and bogus claim well before it can be lawfully heard and adjudicated before this Stanley County Court. SDCL § 15-16A-6 states that "If the judgment debtor shows the circuit court that an appeal from the foreign judgment is pending or will be taken, . . ." then there is a stay of judgment until this matter is resolved. There is an appeal in the works #21-4191 before the 6th Circuit Court of Appeals.

Nor does Pastor Lindstedt have any money to purchase a surety bond for \$750,000 even if this fraudulent jurisdiction as opposed to pointless tyranny was recognized.

Secondly, SD 15-16-45 & 46 states that this Court has an affirmative duty to prevent lawyers from destroying SD property-holders from defamation barratry, in this case from Ohio as opposed to any other third-world country:

15-16-45. Criteria for recognition of out-of-country foreign judgments.

In deciding whether to enforce and recognize an out-of-country foreign judgment, the court shall consider the following factors when deciding whether to enforce and recognize a out-of-country foreign judgment, to wit:

- (1) The foreign court actually had jurisdiction over both the subject matter and the parties;
- (2) The judgment was not obtained fraudulently;
- (3) The judgment was rendered by a system of law reasonably assuring the requisites of an impartial administration of justice which includes due notice and a hearing;
- (4) The judgment did not contravene the public policy of the jurisdiction in which it is relied upon; and
- (5) The jurisdiction issuing the order or judgment also grants comity to orders and judgments of South Dakota courts.

15-16-46. Required findings for recognition of out-of-country foreign defamation judgment.

In matters concerning defamation, the court, before it recognizes an out-of-country foreign judgment, shall by clear and convincing evidence, find that the law applied in the foreign court's adjudication, which resulted in a judgment, provided at least as much protection for freedom of speech and the press as would be provided by the United States Constitution and the Constitution of the State of South Dakota, in addition to the criteria set forth in § 15-16-45.

This Court must follow the criteria established by South Dakota law. This Ohio federal judge as do the Ohio state judges have no problem in dragging Pastor Lindstedt and Lindstedt's Aryan Nations Church 900 miles away to stand trial – with or without a jury – and to impose excessive and unconstitutional civil penalties well outside their jurisdiction in order to please one of their agents provocateur working to destroy white supremacist and Christian Identity Aryan Nations churches and pastors. Thus all of SDCL 15-16-45 & -46 has been violated by Bryan Reo and Attorney Robert Konrad.

Wherefore for the above reasons this foreign judgment achieved through fraud and tyranny should be dismissed and disowned by this Stanley County South Dakota court. There is absolutely no reason why this racial and religious 2d Civil War should be extended from Ohio and its pet homosexual mongrel ZOGbot Bryan Reo versus an Amerikan Talibklan Aryan

Nations Church and Pastor in which ~~nuclear~~ and biological weapons are being deployed to bring it to South Dakota in which Pastor Lindstedt still has friends and family and doesn't yet want to devastate the countryside and fellow Aryan Christian Israelite People, unlike in Ohio which serves Satan and Satan's Spawn.

The 16 Words of the Church of Jesus Christ Christian / Aryan Nations of Missouri:

We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.

Hail Victory!!!
