To: Attorney Robert Konrad, working for Attorney Bryan Reo

Please take notice that the defendant Pastor Martin Lindstedt and His Church of Jesus Christ Christian / Aryan Nations of Missouri who your client Bryan Reo -- a known homosexual mongrel and agent provocateur pretending to be a white supremacist and working for a false-front organization which brought about the Charlottesville Massacre -- who has been “lawfare” stalking Pastor Lindstedt and his Aryan Nations Church for over a decade appeals to the Supreme Court of South Dakota from the final Judgment / Order granting Summary Judgment and an \$18,690 judgment supposedly for Pastor Lindstedt cashing his \$15,600 rent check sometime in late Sept. or early Oct. 2019 four months before you and your client Bryan Reo filed

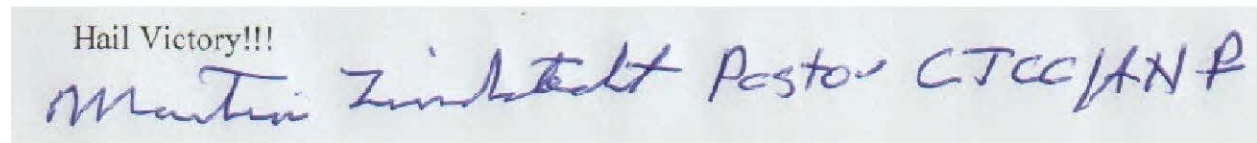

this fraudulent lawsuit on 14 Feb 2020. Pastor Lindstedt's sister, Susan Bessman is also assessed a corrupt \$56,070 judgment for paying the property taxes in 2020 and the first half of 2021 and of paying her legal fees to resist Bryan Reo lawfare in Ohio as well as in South Dakota. She was willing to quit-claim the deed back to myself but neither yourself nor Bryan Reo wanted that but rather for her to deed it all over to you and Reo, which she refused to do. In fact, your records recently sent have you billing for this extortion and "settlement" in which Reo brags that he can make Judge Mayer "make it all go away."

I have not spoken to my sister since 27 Sept. 2021 when she was upset at getting a \$6000 lawyer bill with no way to pay it. She has always been upset at my stating what needs to be done with your kind. As a result, I shall try to point out that she who is a good little ZOGling shouldn't be punished for what "her crazy white supremacist brother" – her words does. Reading her lawyer's drivel it seems that she wanted to intervene but was refused an extremely stupid notion beloved of by whiggers. Your kind won't 'repent' until you are skinned out and eating your spawn's nuts and it won't be for real even then. But I shall forlornly try to appeal to the Supreme Court for her even though the fate of prey is to be eaten by predators.

For what it is worth, I am less amazed that criminal regimes think that they can go after the families of dissidents and then have their own families held sacrosanct, but if you wish to see Aryan Nations policy to your kind you are welcome to go to the Aryan Nations Christian Nationalist forum where Resistance policy regarding regime criminals and their families are discussed. Bryan Reo can also tell you what you deserve. Remember the morning of 31 August 2020 when you suggested to your client Bryan Reo that he take a tour of the Oahe Dam and Bryan Reo said that this was the same dam which would be destroyed with Pierre the State

Capital & flushed like a turd? Me and Bryan Reo and the rest of the ZOGbots know each other pretty well and being damned know theirs' fate far better than the proselyte Satan-whiggers.

This is your Notice of Appeal to be filed *in forma pauperis*, a copy of which will be sent to you as well. Dated 24th day of January 2022.
