Important mainly because of your interaction with messages in the conversation.

I would also ask you to provide an explanation for why you failed to respond to my Requests for Admission when propounded on November 15, 2015, the judge told you on December 17, 2015 that you had until January 6, 2016 to respond, and you still have not done so.

Apparently you have the time to make outrageous youtube videos and discuss this case at length but you have time when it comes to cooperating with discovery. How you use your time is entirely your business, but these discovery issues will necessitate motions to compel and motions for sanctions and it is likely that you will have to make a few or more, appearances in person, in court in Lake County because of these discovery issues.

I would also submit to you that the magistrate never said I was engaged in the unauthorized practice of law viz a viz Finck or his girlfriend. The magistrate cautioned me not to venture into that issue viz a viz my father. If you insist on me and casting the issue in a false light then I am perfectly willing to file a new lawsuit against you for this fresh whether the case will be filed in Mentor Municipal Court or Lake County Court of Common Pleas. Then you may have two cases to make outrageous youtube videos about.

I would ask that you attempt to conduct yourself in a professional and dignified manner and show the court the respect it is due as an institution of justice in our American legal system.

Have a blessed day,

Bryan Reo

Sir,

I would submit to you that my motion to strike, which as you recall was granted by the court, cannot be vexatious since it was granted by the court. Your stricken answer was incomprehensible and unintelligible. For that matter your amended answer was also incomprehensible and unintelligible.

I would also ask that you cease filing affidavits that serve no purpose whatsoever as they are delaying this case. One affidavit was not attached to any motion or brief and it served no purpose whatsoever other than providing you a spout vitriolic rubbish and drivel against me.

I would also ask that you provide an explanation as to why you have failed to respond to my Requests for Production of Documents and my Interrogatories when they were propounded upon you on November 15, 2015, and it has been almost 60 days, when they had 28 day deadlines.

I would also ask you to provide an explanation for why you failed to respond to my Requests for Admission which were propounded on November 15, 2015, the judge told you on December 17, 2015 that you had until January 6, 2016 to respond, and you still have not done so.

Then you have two cases to make outrageous youtube videos about.

I would ask that you attempt to conduct yourself in a professional and dignified manner and show the court that it is due as an institution of justice in our American legal system.

Hello,

Newton County Sheriff [civil service] has important papers for you. However, you are free to decline to pick them up, in which case you can [and likely will] lose by default. Such an outcome will not upset me.

Fine by me Bryan Reo. You do remember that Magistrate Rolls, when he wasn't telling you to stop drafting up motions for your co-conspirator co-counter-defendants William Finck and Melissa Epperson and telling you to stop the unauthorized practice of law, and scoffing at your lies about why you couldn't accept my first mailing of Discovery documents was arguing that if you came down here to Newton County that I'd get to ask you questions under oath as well. You fought over that for at least five minutes while I marveled at how you do seem to always try to get some mangina from "Victor Switzer" or Johnny Tonto Britton and never lack for trying.

I'm in litigation against "Sheriff" Ken Copeland and one Corporal Oren Barnes right now. But I'll call them up Monday and arrange for a neutral place for them to serve me, like Rameys supermarket parking lot a few blocks north. The pimply-faced piggy who sent the U.S. Marshal's Service and they were all ginned up with body armor on 3:30pm Halloween 2014 isn't necessary. Unlike you and your alleged daddy, why not just make it easy on everyone rather than have everyone all paranoid that there will be shooting? It isn't as if I'm ever adverse to receiving service for your silly and fraudulent litigation then posting all them public records on my Church web pages and then listening to you bitch about it to the federal or state county court judge about how I'm posting "unpriviledged private 'haet' facts" that make you look like an evil greedy mongrel of dubious sexuality and sanity.

I've been working on the answers to your bogus fraudulent "interrogatories" disguised as "admissions." I was gonna send you "answers" & "admissions" to all ninety all at once, but since I'm now over 40 of them for the past few days I'll send you what I got now and post it to my web page. I'm not gonna pull any more all-nighters for the likes of you. Anyways, loved your "appellee brief". Something about how you admitted everything in my Appellee Brief "spoke for itself" which was true enough.

Anyways, I'm sending what I got in Word Doc format and also in Rich Text Format which shouldn't require a "kit." Every version of Word For Windows since Word 2.0 back in 1992 has had the ability to read and work with all the previous versions. You are so funny, Bryan Reo.

Hail Victory!!!

Hello:

We have a mutual friend in Brad Griffin, whose web page got me your name.

I have a mongrel named Bryan Reo who has been stalking me for years living in Mentor Ohio. He's filed lawsuits against me in Lake County Ohio and I've counter-sued. I might need representation in Ohio.

Here is something which might be of interest to you:
