

**AFFIDAVIT OR DECLARATION IN SUPPORT OF MOTION FOR
LEAVE TO PROCEED *IN FORMA PAUPERIS***

Pastor Martin Lindstedt, Registered Agent and President on behalf of the non-profit public-benefits Church of Jesus Christ Christian / Aryan Nations of Missouri, a Missouri Corporation in good standing # N00773365, without any publicly or privately traded stock (Supreme Court Rule 29(6) corporate disclosure statement, August 31, 2016 Biennial Report enclosed), states that due to continual and never-ending Bryan Reo harassment in the Lake County Ohio Court of Common Pleas against The Church and Roxie Fausnaught, an officer of the Church corporation, that no funds sufficient to pay this Court's docket fee or for service and security are in the Church bank account. While the Church web pages destroyed by Bryan Reo abusing the Digital Millennium Copyright Act (hereafter DMCA) – an Act of Congress which has been used as an excuse to destroy Church intellectual religious property -- are the property of the Church, and that previously Pastor Lindstedt has paid for the Appeal to the 8th Circuit Court of Appeals on behalf of the Church, and the costs in defending the Church out of his own pocket, that this Court should address the knowing abuse of the DMCA as an Act of Congress by malicious creatures such as Bryan Reo to destroy under color of law this Church corporation's web pages and either declare the DMCA to be unconstitutional or to enforce the provisions of perjury against those who abuse the DMCA to destroy Church web pages, which have little or no commercial value. Pastor Lindstedt is asking this Court to return this case back to the Western District of Missouri for trial or summary judgment on behalf of Pastor Lindstedt and Lindstedt's Church. Since Pastor Lindstedt prefers religious civil warfare, there is not going to be wasted any more money trying to get justice and so that this case should be heard *in forma pauperis*.

I declare under penalty of perjury that the foregoing is true and correct. Hail Victory!!!

Executed on: 3 October 2016
