Local Rule 16 Anthony D. Reo v Martin Lindstedt Coference Call

You proposed a Rule 16 Coonference at 5:30 pm Eastern Time. Can do it if you call Roxie's Landline at 417-472-6901. Now that I don't have anything much for you to steal I've had to cut back quite a bit.

It might be best if you get your alleged spawner on the call since it is the alleged Plaintiff even though we both know that this is just your doing. You might bring on the rest of the lawyers for FMI / ZOGbot Poverty [F]Law Center Kyle Bristow and Brett Klimkowsky as well in their efforts to coonbat genuine White Supremacy and Christian Identity if you like. You all are involved.

I mailed off Saturday the Reply Brief to your Bogus Motion to Strike:

http://bryanreo-lawsuits.xyz/Reo_19CV001304_Fed/2020/Jan20/13Jan20_ML/Signed%20Rule%2026%20Initial%20Disclosures.pdf

Amazing how Magistrate Judge Whitworth dismissed your first bogus lawsuit against myself way back in 2015. Exact same points of law and fact as well. But the Ohio courts let you persist because they want to help you negroes enslave the White Man like the First Civil War. I suppose your kind won't quit until you lose the 2d & Last Civil War and ZOG breaks up and there isn't any way they can inflict a pretend jurisdiction or claims by non-whites even 50 miles, much less 900.

I'm not sure what a Coonference is. I believe the court wants us to do a conference but you seem intent on using racial slurs and demanding third parties join in.

It is 5:45 EST and you and your Alleged Spawner as Plaintiff were supposed to call Roxie's landline at 5:30pm. ~~Now I'm shy two coons for the Rule 16 Court Mandated Cooferece.~~ I want your Alleged Spawner to call in because if it is smart them it'll pull the plug on this fraudulent nonsense and make you quit bothering me any more or kick you out of its house and red-flag you and take away your guns before you shoot up the Mentor Elementary Skrule.

It would be nice if you and the other homo/mamzer/Japetheth-pathetic shysters from the neverending "Foundation for the MarketPlace of Ideas / ZOGbot Poverty [F]Law Center were to really pull the plug on this "lawfare" against Real White Supremacists and Aryan Christian Israelites and go back to chasing ambulances and working for the Pub[li]c Pretender's Office defending negro gang-bangers & dope dealers instead of interfering with us Real White Supremacists who want you homosexual mongrel jews gone altogether. You might coonsider actually leaving the [bowel] Movement like you promised back in October 2010 when I found out your real identity instead of always cummin' back with the rest of the ZOGbots.

It's now past 6:00 pm Cleveland Mamzer Time. I'm still waiting by the phone. + ~~DEMAND me getting my full / fool two coons for the Cooferece.~~ I still got dial tone.

Hail Victory !!!

Sir because of your persistent nonsense, threats, and rambling, I am not going to speak with you outside the presence of the court and I will not call you under any circumstances unless I am in chambers with the judge and the judge orders me to call you. I also do not consent to any calls being recorded and won't call you due to your refusal to refrain from recording the call.

Rule 26 report

Bryan Reo <reo@reolaw.org>

Tue, Apr 7, 2020 at 7:26 PM

To: "Kyle J. Bristow, Esq." <bristowlaw@gmail.com>, Martin Lindstedt <pastorlindstedt@gmail.com>

Dear Mr. Martin F. Lindstedt.

I would hope you could maintain a basic level of civility and professionalism so that we can get through the Rule 26f report as required. It does not appear that such will be possible.

I would propose we immediately begin discovery, we consent to the jurisdiction of the US Magistrate Judge, and I would provide the following parameters.

1. There are no circumstances, absent a court order, under which you will be allowed to conduct a deposition of Stefani Rossi Reo, Anthony Domenic Reo, or myself, Bryan Anthony Reo.
2. Any depositions to be conducted will be done at the United States District Court for the Northern District of Ohio in Cleveland.
3. You and your vehicle will be searched by law enforcement before being allowed into the building where the depositions will be taken.
4. I do not anticipate propounding any paper discovery on you and I do not anticipate providing any responses to any of your discovery, beyond objections. If you have specific discovery in mind then please let me know. If we are not able to resolve disputes I will seek a protective order and sanctions.

I propose that we stipulate initial disclosures will be made within 7 days of the time we file a joint Rule 26 report or no later than 7 days after the status conferences that have been set in the various cases.

I do anticipate moving for a preliminary injunction to have your website shut down during the pendency of the litigation and ultimately deleted at the conclusion of the litigation.

Sincerely,

Bryan Anthony Reo
