Would you marry a woman who didn't want children?

No, I would not do so.

I married a woman who said she wanted children, then admitted she never wanted children and that she only said it because I wouldn't have agreed to marry her if she had said she didn't want children, and then during our separation and pending divorce she said she had changed her mind and wanted children,

and after agreeing to reconcile on that basis and some other issues, I have just now learned and once again she does not actually want children.

I think in the future, going forward, I am never going to marry again, or I would consider and be open to the possibility but only if the woman is already pregnant with my child. My family goals and life goals will come before her desire to be respectably married before getting pregnant.

I cannot imagine myself staying in a marriage based on lies and ever-shifting promises and declarations which are then withdrawn and admitted to have been false.

At this point I would rather be alone than with somebody who I no longer trust because they have a track record of being evasive, deceptive, and telling me one thing when they realize it is what I wanted to hear, and then not having meant that and later admitting that it was not reflective of their true desires.

From a perspective of honor if I were involved with organized crime and my wife was about to inform on me to the FBI I would probably kill her for her betrayal. Betrayal is the one unforgivable sin in this life.

When we were courting she inquired if I was some sort of criminal or affiliate of criminals and I assured her I was not and she said if I was she would assist me in any way and try to help me keep ahead of the authorities and elude my enemies. I then repeated that I was not a criminal and added that if I was I would not involve her in criminal business.

In my view you never betray your spouse to the authorities unless they have severely abused you or the children.

Never? Ha!

Plenty of men are spiteful and vindictive.

I won a massive judgment against a creep who had been defaming me. He has launched a new campaign of cyber defamation against me and has now extended his campaign to defame my wife who doesn't even know who he is or why he is bothering me. She doesn't know him or know anything about him. He is seeking to maliciously injure her to hurt me and to get at me. He is incredibly petty and vindictive.

Actually Bryan Reo has been a ZOG agent provocateur trying to bring other jews, mongrels, and ZOGbots into the Christian Identity and White Nationalist Movements and thus as a Resistance soldier I have no choice but to expose this Satannic mongrel abomination for what it is. That means on occasion losing before the ZOG regimeist korts and thus having an excuse for the extermination of ZOG and ZOGLing whigger and mamzer herd animals. The end result of all this is local military dictatorships called the Ten Thousand Warlords over 10-20 million ex-whigger survivors. To get there the current mighty Evil Empire and 300 million of its sick diseased animals must be destroyed.

Here's my opinion: Actually, I did see Mrs. Niggerlips at kort on June 25 and 26th 2019. Ol' Niggerlips was sitting next to this other mongrel homosexual and there was some sort of feeling between the two obvious homos, while Mrs. Niggerlips, skinny, five more shades of white than Ol' Niggerlips/Bryan Reo but with a huge kikess nose was skipping about like a puppy trying to get the two homos attention. Ol' Niggerlips treated her with obvious disinterest. Later on these Quora posts Bryan Reo makes it quite clear that she was about to get divorced but where else to get an exotic Brazilian beard to "prove" Reo isn't a "White Supremacist" and not a homosexual. She obviously has her uses.

And this is the same Ol' Niggerlips, Esquirrel who sued Roxie Fausnaught, now 63 years old, ill, illiterate and bed-bound since Dec. 13, 2013 because Roxie is on the Board of Directors for my Church of Jesus Christ Christian / Aryan Nations of Missouri? Bryan Reo is claiming maliciousness on my part against his beard when I haven't sued her for Ol' Niggerlip's ZOGbot activity against my Church or woman?

No, Mrs. Niggerlips is merely some eye-candy beard Bryan Reo uses to show that theis Satannic mongrel abomination isn't a big predatory faggot. I wish Mrs. Niggerlips ease for her back hole and to make Niggerlips buy her a suitable tool for her front hole. She should be deported back to Brazil though. -- Pastor Martin Lindstedt CJCC/AN

I would challenge him to a duel but dueling is illegal and is generally only between gentlemen of approximately equal social rank and he is not my social peer.

My take is that Ol' Niggerlips is one touchy Satannic mongrel abomination. The evil critter isn't even remotely white -- as everyone with eyes and no longer friends acknowledges. But Niggerlips has fantasies of murdering White men like me who get in its delusions of whiggerdumb. Wanted to fight Johnny Tonto Britton until Johnny Tonto Britton threatened to put a bullet in its head if it went to Emmitt Idaho to rape Brittons wife and daughters. Threatened to put a spear in some 86 year-old Greek woman's head for making fun of Baal Finck's "Greek Schlorship". Threatened to cum to Granby to beat me up in October 2010 -- until I found out its real name and street address,

Niggerlips/Bryan Reo has delusions of being dangerous -- and it is. I've never seen a more relentless Satannic mongrel abomination which is why I recommend to everyone to have nothing to do with it if possible.

As an aside I believe dueling should be legal. I take insults against my honor very seriously. At the present all I can do is sue for defamation.

As an aside, Ol' Niggerlips / Bryan Reo is one touchy Satannic mongrel abomination, always threatening to kill or hurt anyone and everyone who ridicules it in an effort to make it run off and stop bothering you. If you look at its Quora posts it always has numerous guns, wears body armor, and has fantasies of killing federal agents and local piglice while acting as an agent provocateur and non-white supremacist. Now it has found the Lake County korts where it has filed litigation for defamation well past the Ohio Statutes of Limitation, cf Ohio Revised Code 2305.11(A) against myself Roxie and my Church in violation of the 1st Amendment -- paper guarantees of Freedumb of Speech and Religion. I don't want a Satannic mongrel abomination within the Body of YHWH. The Lake County Courts let Reo get away with that shit, at least so far.

The end result will be prion-poisoning, "Quantrillization of Mentor" and Chernoblying the North Perry Buckear Power Plant during Civil War II.

Marital difficulties and problems aside, I have always been highly protective and defensive of my wife and would fight a duel to stifle a moron who had defamed her or harassed her.

If someone has a problem with me they can deal with me. It doesn't involve my wife and shouldn't. Some men are so vindictive and spiteful they drag her into it.

Based upon what I seen of Bryan Reo's interaction with its probably Sephardic Brazilian wife I seen two mongrel homosexuals into each other while Mrs. Niggerlips was bouncing around like a neglected puppy trying to get Reo's attention.

I'm not interested in suing her like Reo did against Roxie for no other reason other than maliciousness. I actually feel sorry for Mrs. Niggerlips, but I would sign her deportation papers because there shouldn't be a green card for "beard" of homosexual Satannic mongrel abomination. Or at least that is my opinion of the situation involving a limited-purpose public figure like Bryan Reo.

Due to that Satanic Mongrel Abomination with a Law License Bryan Reo threatening to file another lawsuit, this time on behalf of its probable Sephardic jewess beard -- pretend wife used to pretend Bryan Reo is a "normal" heterosexual mamzer because Bryan Reo is in my observation a predatory homosexual -- this thread will be closed and in no way re-opened or changed in any manner given that there probably will be more Reo litigation initiated by Reo until I can get that vicious mongrel disbarred.

I'll put up what I received via e-mail around 11:00pm underneath this message but once this is done nothing will be changed. Ol' Niggerlips certainly has perverse living arrangements according to its proposed lawsuit and I don't want to be accused of adding to its already limitless Satanic mongrel abomination paranoia.

**DEFENDANTS'S RULE 26 INITIAL
DISCLOSURES TO PLAINTIFF**

COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt's Church), and hereby propounds upon Plaintiff Bryan Reo Defendant's Fed. R. Civ. P. 26(a)(1) Initial Disclosures:

I. INDIVIDUALS LIKELY TO HAVE DISCOVERABLE INFORMATION

Exhibit #3

1. Anthony Domenic Reo. P.O. Box 5100, Mentor, Ohio 44061. Witness / Fraudulent Plaintiff in these never-ending Bryan Reo lawsuits will testify about how he is being used by his son to destroy Pastor Lindstedt and Lindstedt's Church as a false and fraudulent Plaintiff and has suffered no injuries other than those naturally arising from his fraudulent litigation. Witness will also testify that he has never spoken a word to Lindstedt.
2. Stefani Rossi Reo. P.O. Box 5100, Mentor, Ohio 44061. Witness / Fraudulent Plaintiff in these never-ending Bryan Reo lawsuits will testify about how she is being used by her husband to destroy Pastor Lindstedt and Lindstedt's Church as a false and fraudulent Plaintiff and has suffered no injuries other than those naturally arising from her fraudulent litigation. Witness will also testify that she has never spoken a word to Lindstedt, yet has allowed her husband to call Pastor Lindstedt a "child molester" allegedly on her behalf.
3. Bryan Anthony Reo P.O. Box 5100, Mentor, Ohio 44061. Plaintiff will testify about how, along with his attorney friends Kyle Bristow, Brett Klimkowsky and Robert Konrad and other pretend "White Supremacist" and "Christian Identity" false-flag operations at the state and federal level Reo has engaged in abuse of legal process in the Lake County Ohio, Newton County Missouri and Stanley County South Dakota courts and Ohio and Missouri federal district courts to destroy Pastor Lindstedt and Lindstedt's Aryan Nations Church since April 2014, to steal Pastor Lindstedt's inheritance in South Dakota, has engaged in fraud and perjury against Pastor Lindstedt and his Church, and has ginned up fraudulent litigation from his father Anthony D. Reo and wife Stefani Rossi Reo. Bryan Reo will admit that he has suffered no real damages whatsoever other than that caused by Reo's fraudulent never-ending litigation and that if Reo had simply left when detected by

Pastor Lindstedt in Oct. 2010 as agreed by Bryan Reo then this litigation need never have happened. Reo will also testify to bringing about the Charlottesville Incident of Aug. 2017 working in conjunction with the other Board Members of the Foundation for the MarketPlace of Ideas as a false-flag "White Supremacist" "lawfare" operation.

4. Martin Lindstedt [Defendant]. Defendant/witness can testify that Defendant has been a victim of Bryan Reo and family and friends litigation before the various Ohio and South Dakota and Ohio and Missouri federal courts for speaking, writing and publishing the truth about Bryan Reo and Reo friends. Defendant will also testify that Bryan Reo had absolutely no lawful jurisdictional basis for dragging himself as an Aryan Nations pastor along with his Aryan Nations Church 900 miles away to face trial by a non-white and liberal Lake County lynch-mob jury or to endure corrupt court procedure from a corrupt Judge Patrick Condon of the Lake County Courts. Defendant will further testify as to how he has a duty to fight the Satanic enemies of YHWH and Aryan Christian Israel.
5. Judge Patrick Condon [Lake County Common Pleas]- Witness will testify that he had absolutely no jurisdiction to try Pastor Lindstedt and Lindstedt's Aryan Nations Church whatsoever, much less beyond the Ohio Statutes of Limitations, nor to empanel a non-white African female juror given a pre-emptory challenge, to allow Bryan Reo who did not present any exhibits to cherry-pick through Pastor Lindstedt's Church's web forum, nor to dismiss any of Pastor Lindstedt's counter-claims or to allow Bryan Reo to call Pastor Lindstedt a child molester before the jury at trial or any of a score of other reversible errors. Judge Condon will admit to destroying the myth of "rule of law" and violating the 1865 First Civil War Armistices. Plaintiff and Judge Condon corrupted their fraudulent judicial proceedings absent jurisdiction in Lake County Ohio.

6. Judge Gregory Stremel [Missouri Newton County]- Witness will testify that Stremel as a matter of course recuses himself whenever possible due to his past history the past 30 years with Pastor Lindstedt and did not likely know that Plaintiff is a predatory homosexual mongrel or that Pastor Lindstedt suggested that Stremel might be amenable to Bryan Reo blackmail attempts on Pastor Lindstedt's Church web page.
7. Attorney Kyle Bristow (Address in Certificate of Service): Bryan Reo's Attorney and fellow director of FMI/ZPLC and likely Aryan homosexual lover can testify as to working with Bryan Reo to destroy Pastor Lindstedt and Lindstedt's Church through lawfare as a co-conspirator working with Reo the past six years up until today.
8. Attorney Brett Klimkowsky (Address in Certificate of Service): Bryan Reo's Attorney and fellow director of FMI/ZPLC can testify as to working with Bryan Reo to destroy Pastor Lindstedt and Lindstedt's Church through lawfare as a co-conspirator working with Reo the past six years up until today.
9. Attorney Robert Konrad (Address in Certificate of Service): Bryan Reo's Attorney and probable associate of FMI/ZPLC can testify as to working with Bryan Reo to destroy Pastor Lindstedt and Lindstedt's Church through lawfare as a co-conspirator working with Reo the past years in order to steal Pastor Lindstedt's inheritance.
10. Ohio Attorney General's Office. Can explain why it is better for unknown white supremacists plot to do all manner of stuff in retaliation for going after foreign churches and pastors as opposed to simply disbaring and jailing deranged corrupt homosexual mongrel ZOGBots bringing grief down upon Northeastern Ohio.

II. DOCUMENTS AND ELECTRONICALLY STORED INFORMATION

11. Pastor Lindstedt will provide Exhibit #1 as proof that Bryan Reo is lying about alleged “homosexual incest” in reference to Fake-Plaintiff Anthony Reo and about “transsexual prostitutes” in regard to Fake-Plaintiff Stefani Rossie Reo. Bryan Reo admitted in the proceedings of 31 August 2020 in Stanley County South Dakota trying to get at Pastor Lindstedt’s ranch property that no such statements were made on Pastor Lindstedt’s Church web page. Bryan Reo continually lies about what Pastor Lindstedt wrote about Bryan Reo on Reo’s web pages. There is ample public documentation about Bryan Reo, Reo’s family and Lawyer Friends of FMI/ZPLC all available on Pastor Lindstedt’s Church Forum all collected under one piece in one major sub-forum Defendant has relevant documentary evidence on his website in the form of the posts in question. Bryan Reo and Reo counter-defendants is/are a public figure(s) within the White Supremacist and Christian Identity Movements fighting with Pastor Lindstedt as a ZOGbot(s) and not a “private figure” of 100,000 homosexual mongrels that Pastor Lindstedt decided to pick on all of a sudden. See: <http://www.whitenationalist.org/forum/forumdisplay.php?70-Bryan-Reo-SwordBrethren-vs-White-People>

III. COMPUTATION OF EACH CATEGORY OF DAMAGES

12. General Damages: Undetermined as of now; Plaintiff seeks no less than \$750,000.00 in general damages by virtue of significant damage to Plaintiff’s professional and personal reputation. Bryan Reo is deliberately disobeying Federal Rule of Civil Procedure 26 (1)(iii) by refusing to compute real or actual damages. Pastor Lindstedt has suffered \$2 million in actual damages due to having to give up his \$2 million South Dakota

inheritance that Reo and family and lawyer friends back to his sister, out the \$20,000 after paying the high South Dakota property taxes per year in rent, out by Reo's own admission at least \$20,000 in fighting Bryan Reo "lawfare" litigation even if Lindstedt prevails upon appeal in the Ohio Appeals Court on the \$105,000 judgment plus Reo costs. Thus the damages created by Bryan Reo litigation amounts to \$2.5 million at least.

13. Punitive Damages: Bryan Reo is simply a crazed delusional Satanic homosexual mongrel ZOGBot abomination used by the state and federal governments to wage war upon Pastor Lindstedt and Lindstedt's Aryan Nations Church. Bryan Reo is merely doing what its makeup and genetic programming as a golem of ZOG/Babylon under Satan allows and encourages it to do. The final solution will be civil warfare to where pretty much all of the non-whites and jews are exterminated and over 80% of the ZOGLing whigger population dies from disease, famine and civil war to be replaced by Ten Thousand Warlords until the return of Jesus Christ. For now the Church of Jesus Christ Christian recommends that White Men stay home and await the collapse but if they must do something to not get caught. Eventually Northeastern Ohio must be quantrillized and the North Perry Nuclear Power Plant be chernobylized with Bryan Reo living to melt it down as Reo used to work there. So Pastor Lindstedt urges anyone listening to His Voice to have absolutely nothing to do with Bryan Reo and Reo's family as the Atonement Scapegoats at the end of the Great Tribulation. The white children of regime criminals are to be sold into slavery as geldings and walking wombs. This court has no power to enable this because it will no longer exist when matters get to this. However, as punitive damages Bryan Reo, Kyle Bristow and Brett Klimkowsky should be disbarred permanently as vicious and evil officers of this court.

14. Attorney's Fees and Costs: Pastor Lindstedt shall take it out in whigger geldings and forfeiture of estates.

Hail Victory!!!
