Hi Rev. Lindstedt,

My name is Elijah Norton and I am CEO of CarGuard Administration.

I and my company I have worked hard to build are a victim of Bryan Reo's most recent lawsuit Reo v CarGuard Administration INC.

I noticed today on a routine Google check that the following forum post pops up when my company is googled:

<http://christian-identity.net/forum/...RLC-16CV000100>

I know you probably hate Bryan Reo (as do I) as I noticed he has a crazy lawsuit against you also, but I would like to implore you to please delete your post about my company.

The reason is that I am in a business that customers heavily Google and it could hurt my business to have that post up.

I would be happy to compensate you for your time for removing it if you'd like.

I hope you can understand the mental anguish that going through a frivolous lawsuit by someone like Reo has caused (this is the first time I have ever been sued).

Please let me know if you are willing to help. I can be reached at 816-3xx-xxxx via telephone if you want to speak or have any questions.

Thank you for your consideration,

Elijah H Norton

I put the above thread in an "admin eyes-only" subforum as agreed until we can work on sending Ol' Niggerlips and his alleged spawner to where they belong in a federal prison and to end this shit against others permanently

I have a Kindle which isn't logged in and it says that there is no such post or that you have to be logged in to see it. My admin computers say that it is in the admin thread.

Anyways, talk to your lawyer brother and father and have them give me a call Friday after 2:00pm at 417-472-6901 or they can e-mail me anytime.

Hail Victory!!!

Hi Martin,

My brother said he attempted to call you earlier at the (417) 472-6901 number and he got an "unavailable" message.

He said he attempted around 2 PM and he just tried calling now.

Is there another number that he can call?

Thanks,
EN
