I am the plaintiff in *Stefani Rossi Reo v. Martin Lindstedt.*, Case No. 19CV001466 at the State of Ohio's Court of Commons Pleas of Lake County.

I am a biological female.

I was born female.

I am not a transgender.

I have real and correct female genitalia.

I am not a prostitute.

I have never committed any act of prostitution.

I have never been arrested, investigated, or charged in connection with any prostitution offense.

I have never been arrested for any reason in any jurisdiction.

Bryan Anthony Reo is a heterosexual.

I have never known Bryan Anthony Reo to have sexual contact with any male.

During our relationship and our marriage Bryan Anthony Reo was never known to me to have sexual contact with any other person.

My husband has never had any sort of incestuous homosexual affair with my father-in-law.

I am not barren and to my knowledge I am capable of having children.

I am not promiscuous and prior to beginning my relationship with Bryan Anthony Reo I had never had sex.

Martin Lindstedt cast my marital difficulties in a false light and caused me to be emotionally distressed, subjected to ridicule and scorn, and caused damage to my professional and personal reputation.

I do not personally know Martin Lindstedt, I have never done anything to him, I have never spoken with him, I have never given him permission to make such remarks about me or to communicate such remarks to third parties, and my only interaction with Martin Lindstedt was seeing him in court on June 26, 2019 when my husband Bryan Anthony Reo presented closing arguments in a jury trial that concluded on that day.

I have personal knowledge of the facts and matters stated herein and I am competent to testify as such if called as a witness before any court of law.

Further affiant sayeth naught.
