**PLAINTIFF STEFANI ROSSI REO'S  
WAIVER OF OBJECTIONS TO PENDING  
REPORT AND RECOMMENDATION**

NOW COMES Stefani Rossi Reo (“Plaintiff”), *by and through the undersigned counsel*, and hereby propounds upon Martin Lindstedt (“Defendant”) and this Honorable Court Plaintiff Stefani Rossi Reo’s Waiver of Objections to Pending Report and Recommendation. Plaintiff supports the Report and Recommendation of 5/11/2021 [ECF No. 54] and has no objection to the recommendation in the report. Plaintiff takes extreme issue with the rhetoric, abusive and inflammatory language, and the general tone and tenor of Defendant’s filings ECF No. 52, and ECF No. 55, and frankly believes those filings should be stricken from the record.<sup>1</sup>

---

<sup>1</sup> Plaintiff has not filed any motion to strike since the Court made it known that motions to strike were disfavored and would slow the proceedings. Plaintiff does not intend to file any further motions to strike but she does sincerely believe that most of Defendant’s recent filings are worthy

Plaintiff respectfully prays that this Court will reject all of Defendant's arguments and deny his motion for reconsideration in toto, overrule all of his objections to the pending Report and Recommendation, deny Defendant's attempt cause further delay in this action, provide a formal judgment entry as to the judgment of \$500,000.00 in favor of Plaintiff against Defendant, dispose of Defendant's pending counter-claims against Plaintiff, and proceed to expeditiously close this case for good. Plaintiff not only has no objections to the Magistrate's Report and Recommendation presently pending before this Court, Plaintiff urges this Court to wholly adopt the Report and Recommendation.

Respectfully submitted,

of being stricken per Rule 12(f). Defendant's filings are hideously abusive and the rambling rhetoric, endless insults, threats [whether veiled or explicit], and the endless lies aimed at Plaintiff, her counsel, and her family speak for themselves and should be stricken, but Plaintiff agrees that judicial economy is best served in other ways.
