12/01/2020	<u>39</u>	<b>Report and Recommendation</b> that the Court grant plaintiff Stefani Rossi Reo's motion for summary judgment on the liability portions of Count I and II of her complaint. In the interest of consistency with another case pending in the Norther District of Ohio, 1:19-cv-2013, I recommend that the Court exercise its discretion and permit defendant Martin Lindstedt to withdraw his admissions as they relate to damages on Counts I and II and that the Court DENY summary judgment on Count III of Reo's Complaint. Because there are adequate remedies at law and because issuing a permanent injunction would needlessly require the Court to supervise the parties' conduct, I recommend that the Court DENY Reo's motion for summary judgment on her Count IV demand for a permanent injunction. 12/01/2020	<u>40</u>	<b>Order</b> denying plaintiff Stefani Rossi Reo's Motion to strike (Related Doc # <u>35</u> ). The court's ruling should not be interpreted as approval of filings that are replete with name-calling and the use of pejorative terms to describe other parties. The court admonishes the parties to avoid further infantile rhetoric and immaterial commentary in their filings, and to attempt to show courtesy and respect, despite their differences. The court also encourages the parties to avoid filing unnecessary motions to strike. Even if motions to strike would be appropriate, there may be better ways to proceed that would also advance the court's goals of expediently resolving the parties' disputes. IT IS SO ORDERED. 03/30/2021	<u>48</u>	<b>Opinion and Order.</b> Because Lindstedt has not responded to Stefani's Requests for Admission nor moved to withdraw them, the Court adopts the <u>39</u> Magistrate Judge's recommendation that they be deemed admitted and that these deemed admissions demonstrate there are no genuine issues of fact and Stefani is entitled to summary judgment on her Defamation and False Light claims against Lindstedt. Moreover, the Court adopts the Magistrate Judge's recommendation in the alternative that Stefani be granted summary judgment on these claims in the amount of \$250,000 in compensatory and \$250,000 in punitive damages against Lindstedt based on the same admissions. The Court further adopts the Magistrate Judge's recommendation that the Court deny summary judgment for Stefani on her IIED claim and her request for permanent injunction. Pursuant to Stefani's representation in her Objection that she would dismiss these claims should the Court grant summary judgment on Counts I and II, the Court dismisses the claims in Counts III and IV. The case shall proceed on Defendant's remaining claims. Related Doc. # <u>26</u> . Judge Christopher A. Boyko on 3/30/21. (S,HR) (Entered: 03/30/2021)

01/20/2022	<u>61</u>	<b>Opinion and Order.</b> Because Defendant never responded to Plaintiff's Requests for Admissions nor moved to withdraw his implied admissions, the Court ADOPTS the Magistrate Judge's recommendation (ECF DKT # <u>41</u> ) that they be deemed admitted and that these admissions demonstrate that there are no genuine issues of fact. Plaintiff Stefani Reo is thus entitled to summary judgment on Defendant's Counterclaims. Accordingly, Defendant's Objections (ECF DKT # <u>45</u> ) to the Report & Recommendation are overruled and Plaintiff Stefani Reo's Motion for Summary Judgment is granted as to Defendant's Counterclaims. 02/03/2022	<u>62</u>	<b>Order</b> to Show Cause. On March 3, 2020 Defendant Martin Lindstedt filed his Answer and Counterclaim. In his Counterclaim, along with Plaintiff Stefani Reo, Lindstedt named as Counter-Defendants Bryan Reo, Anthony Reo, Kyle Bristow, Brett Klimkowsky, Patrick Condon, Lake County, Ohio Court of Common Pleas, The State of Ohio and the United States of America. As of this date there is nothing on the docket to indicate that service was ever perfected on these parties. Because there is nothing in the record to show why Counterclaimant Martin Lindstedt was unable to obtain service upon Counter-Defendants within 90 days, the Court notifies Lindstedt that unless good cause is shown for failure to serve these parties as provided under the Rules, his claims against these unserved Counter-Defendants will be dismissed without prejudice on February 18, 2022.
