**Permission To Use Electronic Filing**

Defendant Pastor Martin Lindstedt has a PACER account since Bryan Reo started suing him in early 2014 but does not have any ability to file electronically and none such was sought because the bogus Bryan Reo case seeking \$10.75 million in damages for reporting a 2004 Mentor High School Facebook public profile picture and reporting that Bryan Reo was not remotely White and thus not a proper White Supremacist, much less an Aryan Christian Israelite (DSCI) was transferred from this district to Springfield Missouri Western District of Missouri. The Magistrate Judge Whitworth ruled that Bryan Reo's *in forma pauperis* lawsuit was frivolous and dismissed it without prejudice. *Reo v. Lindstedt* 14-cv-05093. Bryan Reo then filed another action well past the Ohio Statute of Limitations and another against my Church and won a judgment of \$105,000 against myself and \$400 against my Church before a biased judge and jury which is of course now under appeal and bogged down in with post-trial motions. In the federal case the US Courthouse in Springfield Missouri was 80 miles away with next-day mail delivery because the federal courthouse is five blocks from the regional postal sorting center. Bryan Reo is suing me now for \$500,000 in this transferred case and another case on behalf of its wife for \$500,000. Bryan Reo takes full advantage of the fact that it lives within a half-hour of both the federal and Lake County courts while I live 900 miles away. The US Mail is from 3 days to a week away unless \$25.50 Express Mail next-day delivery is used. Bryan Reo often deliberately waits a day or

three to mail its postings so that I have no real time to respond effectively and Bryan Reo can be counted on filing a deluge of frivolous Motions to Strike, for Summary Judgment, and for Sanctions for Contempt of this antifa mongrel trying to invade the Movement and practicing "lawfare." This is why I just had to take it out of Lake County Ohio.

Therefore in view of the time and distances involved, I, Pastor Martin Lindstedt need to have the option of electronically filing my motions in reply to the anticipated deluge of Bryan Reo frivolous motions for sanctions, summary judgment, motions to strike my motions, etc. which are to be expected from Bryan Reo "lawfare." This request is for only Bryan Reo litigation against myself and my Church before this Court or if you transfer this matter to the Western District of Missouri since at this time I am the sole defendant.

I am enclosing a filled out request for ECM registration with this request of this Court.

Hail Victory !!!
