MARTIN LINDSTEDT, <i>Pro Se</i> ,)

Defendant)	<u>ORDER</u>

Currently pending before the court in the above-captioned case is *pro se* Defendant Martin Lindstedt's ("Defendant") Motion for Extension of Time to File an Appeal ("Motion") pursuant to Federal Rule of Appellate Procedure 4(a)(5). The Motion indicates that Defendant wishes to preserve his right to appeal the court's Order (ECF No. 49) of November 3, 2020, denying Defendant's Motion for Reconsideration (ECF No. 47). But no final appealable judgment has been rendered in this case because, although the court decided all questions of liability in its summary judgment Order (ECF No. 44), the question of damages remains unresolved. Because Defendant's request to extend the deadline to file a notice of appeal is premature, the court denies the Motion.

IT IS SO ORDERED.
