Re: Is the KKK against Catholics?

If I had my way about it, and I had the money, I would pay-off owed on the name Ku Klux Klan, gain rights to the name, and as follows...

- 1- Tell all reasonable Klans out there (all-Christian Klans) that consider themselves to be Klaverns/Chapters of the now one and only national Klan.
- 2- Tell all non-Christian Klans that they are to disband or be sued due to copyright infringement.
- 3- Consolidate the one and only national Klan, such that there are no more "Klans" that could stand for anything or mean anything.
- 4- Assume the role of Emperor (spiritual/ceremonial leader) of my state and allow somebody of an Identity-Klan background and experience to serve as Imperial Wizard for the national organization.
- 5- Onward Christian soldiers!

If I had my way about it, no pagan would be able to wear a KKK uniform or call himself a Klansmen without facing a lawsuit.

Re: Is the KKK against Catholics?

Why would pagans want to join the kkk? Why would the kkk let pagans join? The kkk has always been a Christian group. Pagans should make their own group "Wotans Warriors" or "Wotans Knights" or something.

If I had my way about it, and I had the money, I would pay-off the back taxes owed on the name Ku Klux Klan, gain rights to the name, and then I would do as follows...

1- Tell all reasonable Klans out there (all-Christian Klans) that they could consider themselves to be Klaverns/Chapters of the now one and only national Klan.

2- Tell all non-Christian Klans that they are to disband or be sued due to copyright infringement.

3- Consolidate the one and only national Klan, such that there is

only one Klan, no more "Klans" that could stand for anything or mean anything.

4- Assume the role of Emperor (spiritual/ceremonial leader) and Grand Dragon of my state and allow somebody of an Identity-Klan background with more experience to serve as Imperial Wizard for the national organization.

5- Onward Christian soldiers!

If I had my way about it, no pagan would be able to wear a Klan robe or call himself a Klansmen without facing a lawsuit.
