RE: BRYAN ANTHONY REO v. MARTIN LINDSTEDT
CASE NO. 1:19-cv-02589-CAB
Third-Party Defendant's Motion to Dismiss

Dear Clerk:

Enclosed you will find a “judge’s copy” for Judge Christopher Boyko of the above-referenced motion to dismiss pursuant to Fed. R. Civ. P. 12(b)(2) and (b)(6).

I am on the receiving end of an inherently frivolous and noxiously stupid third-party complaint filed by a vexatious litigator who has previously spent time in a mental asylum due to him having allegedly sodomized a young boy. Needless to say, I am not amused.

I would very much appreciate the motion being ruled upon without oral argument taking place; I am located near Detroit, Michigan, and it would offend my time—as well as the Court’s time—for a hearing in court to take place over something so moronic as the third-party plaintiff’s pleading.

Very sincerely,
