This matter is presented to address the motion of plaintiff Bryan Anthony Reo to strike the answer and counterclaims filed by defendant Martin Lindstedt on behalf of defendants Roxie Fausnaught and The Church of Jesus Christ Christian/Aryan Nations of Missouri. No opposition was filed by either defendant.

Courts in Ohio have "consistently held * * * an individual, including a corporate officer, who is not an attorney, may not appear in court or maintain litigation in propria persona on behalf of a corporation." Smith v. Mighty Distributing of S. W., PA, Inc., 11th Dist. No.2004-T-0056, 2005-Ohio-1689, at ¶ 10, citing to Union Say. Assn. v. Home Owners Aid, Inc. (1970), 23 Ohio St.2d 60, 262 N.E.2d 558, syllabus; Harvey v. Austinburg Dev. Corp., 11th Dist. No.2006-A0044, 2007-Ohio-3025, at ¶ 5. See, also, Sheridan Mobile Village, Inc., v. Larsen (1992), 78 Ohio App.3d 203, 205, 604 N.E.2d 217. Any filing by a non-attorney on a corporation's behalf constitutes litigation and if filed by individual on behalf of a corporations is a nullity and subject to being stricken from the record. Union Say, at 64, 262 N.E.2d 558.

The same applies when a non-attorney seeks to represent another individual. "The unauthorized practice of law is the rendering of legal services for another by any person not admitted to practice in Ohio under Rule I and not granted active status under Rule VI, or certified under Rule II, Rule IX,

or Rule XI of the Supreme Court Rules for the Government of the Bar of Ohio.' Gov.Bar R. VII(2)(A)." Dayton Bar Assn. v. Stewart, 116 Ohio St. 3d 289, 291, 2007Ohio-6461, ¶ 8, 878 N.E.2d 628, 630.

Lindstedt can file no pleading on behalf of nor can he provide counsel to Roxie Fausnaught and The Church of Jesus Christ Christian/Aryan Nations of Missouri. By doing so he is engaging in the unauthorized practice of law, a practice this court cannot allow.

To the extent the May 4, 2016 answer and counterclaim attempts to assert an answer and counterclaim on behalf of Roxie Fausnaught and The Church of Jesus Christ Christian/Aryan Nations of Missouri, the same is ordered stricken as to each of these defendants.

Got the jewdges's ORDER the other day and scanned it in though it pissed me off.

Bryan Reo is a mamzer faggot ZOGbot who has been allowed to run wild in the Lake County Korts filing bogus lawsuits not only against myself but now this Lake County Kort has usurped a fraudulent jurisdiction over my woman and my Church. Bryan Reo "practices law[fare]" on behalf of its mamzer daddy and on behalf of Baal Finck and Baal Finck's Craigslist Skank Melissa Epperson but is deliberately targetting pore fat sick bed-bound illiterate Roxie who ain't done shit to Ol' Niggerlips and Reo knows it and my Aryan Nations Church and this crooked stupid judge is pretending that the bar association / legal guild's self-serving horseshit is going to apply to a White Supremacist Church just looking for an excuse to exterminate whiggers, especially those living next to an aging ailing nuclear power plant stupid enough to hire Ol' Niggerlips Bryan Reo without doing due diligence first and whom I inadvertently saved by them finally figuring out that Bryan Reo was a crazed homosexual mongrel ZOGbot yapping about killing ZOG piglice, likely due to what was still posted on this Church web page.

But just because some crooked judges running crooked korts claim under theys' Satanic System that what they want in turning they's perjury parlors into kangaroo tribunals to where they get to dip theys' beaks in the barratry they produce doesn't make it so.

If they can create theys' own fraudulent tribunals in which only theys' thieves are allowed to practice "law" then an ecclestical court run by Pastor Lindstedt's Church can convene and likewise render a decision congruent with the decision reached by YHWH

when the Cities of the Plain -- Sodom & Gomorrah -- decided to drag travellers from the caravan route between the Red Sea and Mesopotamia to rob from them and then to murder them like was written in Chapters 18-21 of the Book of Jasher. YHWH burnt these wicked cities down and turned the inland sea into the Dead Sea by fire and brimstone. The same needs to be done to Cleveland, Mentor and NE Ohio with Lake Erie turned into a Dead Sea by chernobyling the North Perry Nuclear Power Plant.

Just as these lawyer criminals can convene theys' own "lawyer korts" to where none but them can be heard because they abrogated to theyssels a "patent of nobility" in defiance of theys' precious CONstipation, so too can a Resistance military theocratic tribunal do whatever needs to be done to these regime criminals and theys' ZOGling whigger & mamzer populations in which they will have no choice other than to conform or to be exterminated. I inadvertently might have screwed up by saving the Mistake-by-the-Lake by letting the power plant operatards know about Ol' Niggerlips so they fired the goofy ZOGbot mamzer faggot. If I had known Niggerlips worked at the nuclear power plant I'd have hidden what I said about it. But I didn't find out about it until Jan or Feb this year, oh well.

Ol' Niggerlips lost at the federal level last year. Let's see how far this delusional mamzer faggot gets even before this crooked shitty kort in Ohio. I'll leave this in the "eyes-only" section and bring it up when convenient.

Hail Victory !!!
