Subject: Aryan Nations Press Release Regarding Notice of Appeal to Ohio Supreme Court Bryan Anthony Reo v. Martin Lindstedt, Aryan Nations, et. al. Jurisdictional Appeal 2021-0313:

Press Release from the Pastor of the Church of Jesus Christ Christian / Aryan Nations of Missouri regarding the 11 March 2021 filing of a Notice of Appeal to the Ohio Supreme Court i.e. Bryan Anthony Reo v. Martin Lindstedt, Aryan Nations, et. al. Jurisdictional Appeal 2021-0313

For a listing of the Notice of Jurisdictional Appeal, Memorandum and Bryan Reo's Motion to Dismiss filed today, See <https://supremecourt.ohio.gov/clerk/ecms/#/caseinfo/2021/0313>

This appeal arises from the never-ending "lawfare" of Bryan Reo versus myself, my deceased woman Roxie Fausnaught, and my Aryan Nations Church in which the Lake County Courts, the State of Ohio and the federal government believes that they can under color of their pretend tyrannical "law" drag an overt White Supremacist and his Aryan Nations Church 891.1 miles from Granby Missouri to Painesville Ohio to face a farcical trial sans any legitimate jurisdiction for calling a delusional psychotic homosexual mongrel of mixed negroid, jew, oriental and mestizo heritage which has been infiltrating the White Nationalist / Supremacist and Christian Identity Resistance Movements since at least 2003 as an agent provocateur (or as we call these creatures "ZOGbots").

Bryan Reo, along with antifa lawyers Attorney Kyle Bristow and Brett Klimkowsky and other lawyers and such Movement People such as Richard Spencer, Mike Isaac Enoch Peinovich / Mike Enoch, Augustus Invictus / Austin Gillespie, James Edwards of the Political Cesspool Internuts Radio and old timers such as William Johnston, and Thom Robb's lawyer son Jason Robb founded in 2016 the "white supremacist" lawfare NGO called "The Foundation for the Marketplace of Ideas" which was supposed to go against the jewsmedia such as the Detroit Free Press for writing truthfully that James Edwards affiliated with the ZOG False Front League of the South was working with FBI sponsored Klansmen such as Thom Robb and Billy Roper. So they sued the Detroit Free Press negro reporter and the liepaper and lost quickly when the reporter changed a few words around.

Then they got involved in Charlottesville 1.0 of August 2017 in order for these ZOGbots to get ZOGling whigger ass-clown ZOGtards to show up and get doxxed and screwed and jailed just like what happened on Charlottesville 2.0 / the Glorious & Pathetic Sixth of January / Capitol Stampede / Kapitalsnacht or whatever you want to call that farce. ZOGbots inciting ZOGtards to furnish a pretext for Deep ZOG. Anyways their 501(c)(3) IRS Tax Form has been sent in to all of this Bryan Reo vs, Pastor Lindstedt & Aryan Nations litigation in Ohio state and federal courts, Missouri and South Dakota courts. There are around 20 Bryan Reo lawsuits against Pastor Lindstedt, Lindstedt's deceased woman, Lindstedt's sister, and Lindstedt's Aryan Nations Church. See the 4 page 501(c)(3) form here:

http://bryanreo-lawsuits.xyz/Reo_19CV001530_f2589/2020/Mar20/14Mar20_ML/Doc%2026-1%20501c3%20Tax%20Form.pdf

There are four ongoing federal lawsuits before the Ohio federal courts -- all involving "defamation" claims that Pastor Lindstedt during the course of this never-ending lawfare campaign made fun of Bryan Reo, Reo's Brazilian Sephardic

"beard" wife and Reo's father. Pastor Lindstedt has already gotten a gag order from the negro federal judge Solomon Oliver and faces civil contempt charges for posting public records concerning Bryan Reo and Reo's antics. Bryan Reo with the aid of antifa Attorney Robert Konrad who stole confidential files on Pastor Lindstedt's sister have worked on trying to steal Pastor Lindstedt's inheritance in South Dakota and have subverted the sister's lawyer Kody Kyriss as well. Thus these state governments as well as the federal government is in a state of civil warfare against its Aryan White Christian Israelite population and its aboveground White Supremacist Aryan Nations leadership in a so-far undeclared Second Civil War.

This Ohio Supreme Court Notice of Appeal comes from a farcical trial on 24-26 June 2019 which happened after Bryan Reo lost its first federal case involving Pastor Lindstedt finding out that "SwordBrethren" on the Internet trying to bring in one bad-tempered jew named William Finck as a Greek Scholar and Christian Identity Pastor who murdered in the Jersey City Jail one Puerto Rican sneak thief named Arnaldo Ortega and got three other jailers to do so as well. Finck got off in the New Jersey courts but the negro and Puerto Rican community agitated for federal civil rights court action and Finck 'fin[c]ked out David Dumers at jury trial and got him 15 years in return for a plea bargain of 15 years, then destroyed Dumers' appeal as well. So then ZOG decided to bring this jew rat-fin[c]k into the above-ground Christian Identity community using another set of marrano jews named Eli James and Clifton Emahiser. Right now Baal Finck is high in the ZOG false-flag operation League of the South which obviously does not care that murderous jew ex-pigs who snitched are in their organization and running their Charlottesville x.xx false-flag operations. Bi-Polar Bradifer Griffin / Cunthair Walrus of Occidental Dissent is another ZOGtard who goes all ZOGbot when ZOG pulls his nutty strings and a big friend of William Baal Finck.

After a jury trial in which over Pastor Lindstedt's objections an African female juror was empaneled -- which should put an end forevermore the whinings about how the all-white juries of the South lynched negroes and acquitted Klansmen with the Emmet Till coontroversy -- and the crooked judge Patrick Condon allowed Bryan Reo to evade the Ohio one-year Statutes of Limitation on Defamation given that Bryan Reo waited three years to file in federal court, lost when Bryan Reo couldn't prove damages, then refiled on 18 Sept. 2015, the judge allowed Bryan Reo to cherry pick items from Pastor Lindstedt's Aryan Nations Church web page, refused to allow Pastor Lindstedt to show that Bryan Reo was and is a non-white "white supremacist", disallowed Pastor Lindstedt's counter-claims, allowed Bryan Reo to call Pastor Lindstedt a child molester and a convicted one at that, and refused to allow evidence that Bryan Reo was a public-figure insofar as the White Supremacist and Christian Identity movements were concerned.

Even more to the point, the Lake County Court of Common Pleas -- in addition to letting Bryan Reo run wild against Arbitron, Starkist Tuna (twice) and the NRA -- allowed Bryan Reo to sue Pastor Lindstedt's The Church of Jesus Christ Christian / Aryan Nations of Missouri 16CV000825 after the case was refused by the Mentor Municipal Court refusing fraudulent jurisdiction. At controversy was Pastor Lindstedt drawing inferences from Reo's working for Attorney Kyle Bristow (since Bryan Reo is a predatory homosexual wanting Aryan mangina it was thought that in the FMI lawfare that Kyle Bristow is Reo's long-time hump). But even more to the point is that during one of Bryan Reo's Civil Protection Stalking Order's (CPSO) sought against Pastor Lindstedt 900 miles away and granted because neither Lindstedt nor Lindstedt's Church could afford to travel 900 miles to appear and the Lake County Court refused to allow Lindstedt to testify over telephone. Reo sought and was caught lying on its second (CPSO) from 30 March 2020 to June 4 2020.

Now to the money shot: In early 2016 while Pastor Lindstedt was dealing with the Mentor Municipal Kort litigation or the bogus Civil Stalking Protection Order by responding to it Pastor Lindstedt did a google search and found out why Bryan Reo disabled its Talkshoe account and some of its blog: Reo had gotten a job in the North Perry Nuclear Power Plant and didn't want to be fired for being a white supremacist. Six months later this ailing ill-run nuclear power plant had a series of minor accidents and so the operators did what they should have done in the first place: Do a background check on the workers there and thus they found out about "SwordBrethren" the "Teutonic Crusader" being Bryan Reo of Mentor Ohio, notorious homosexual mongrel ZOGbot with numerous posts on Stormfront about how Reo intended to "stack and whack" the FiBbles & BATF & Lake County Sheriff's Department and all manner of pigs alongside Reo's father

and how Reo liked to get into "accidents" with old women in Medicare sleds and sue them thus committing insurance fraud, not to mention how a Bryan Reo driving a 2003 Toyota Landcruiser killed a Catherine Williams in South Carolina.

(It wasn't until November 2014 that I found out that while there were only five Bryan Reo's in the US, that both drove a 2003 Toyota Landcruiser but that the South Carolina Bryan Reo that killed some old white woman by "accident" wasn't the Mamzer from Mentor Bryan Reo because the SC Bryan Reo put up its Facebook page. Both Bryan Reo and the crooked Lake County courts in their racial and religious state-sponsored domestic terrorism against Pastor Lindstedt and Lindstedt's Aryan Nations Church ignored the Ohio Statutes of Limitation given that the last time Pastor Lindstedt published that Bryan Reo killed an old white female was on April 2014 and the Lake County lawsuit had a limitation of 18 Sept 2014.)

Rather than admit that they had negligently allowed a delusional non-white homosexual mongrel ZOGbot with fantasies of killing federal and county piglice and delusions of being a pure-blooded Aryan white supremacist instead of just a mamzer faggot ZOGbot psycho nutcase work at the nuclear power plant (rated #103 out of #104) they fired Bryan Reo as an "internal security risk" and Hiram Reppert who was the head of the nuclear technicians department at the Lakeland Community College told Bryan Reo that since Reo was blacklisted from working in a nuclear power plant that Reo was kicked out of the program. So Reo then sued St. Hiram of Reppert for driving the serpent-seed homos out from gaining access to what will become the Hiroshima ending the Second Civil War.

At the time I was annoyed that my web page had gotten Bryan Reo fired three years ago. I made jokes on my Internuts Radio Shoah "The Movement Turd" about how I had good news and bad news. I had likely saved six million ZOGling whigger ass-clown lives was the good news. The bad news was that these stupid assholes lived around Cleveland and NE Ohio and that I had saved The Mistake By The Lake

However given that the Mentor Municipal judge who was some negro was smart enough to not want to get involved in litigation between its resident homosexual mongrel wannabe white supremacist and the real article and his Aryan Nations Church before his traffic court -- I talked to the negro municipal court's white woman clerk who said that they didn't want anything to do with one then much Bryan Reo lawfare -- the matter was kicked up to Lake County where the judges who allow Bryan Reo to run wild there usurped jurisdiction. In June 2016 this Judge Collins -- who was sued before the appellate court to let Bryan Reo attack Pastor Lindstedt's woman Roxie Fausnaught and Pastor Lindstedt's Church for not hiring an agent /attorney -- ruled that The Church of Jesus Christ Christian / Aryan Nations of Missouri was in default because Pastor Lindstedt's answers / counter-claims were stricken because "Ohio law says that corporations and individuals have to be [mis]represented by a licensed-by-the-state attorney."

This is, of course, Satanic tyranny. ZOG's precious CONstipation says that their Satanic regime won't issue "patents of nobility" for favored insiders to use their legal process to rob and defraud their subjects. But what is of importance to Pastor Lindstedt and Lindstedt's Dual-Seedline Christian Identity Church is YHWH's Law. And what does YHWH's Law say about this Satanic criminal regime using its Satansspawn jew mischling homosexual mongrel ZOGbot hireling to under color of law to attack the life, liberty and property of YHWH's Servant and YHWH's Servant Nation Church?

Around 2000 BC in the time of Abraham Sodom and Gomorrah and three other Cities of the Plain after being saved by Abraham from King Nimrod and Lot having sold his flocks and moved into town decided to under color of law rob and murder travellers to their cities. So people stopped going to these evil cities so the Men of Sodom took to going a half-day's travel to the caravan route between the Red Sea port with trade from India and China to Mesopotamia and Babylon to rob those travellers. Elieazar Abraham's servant ran afoul of the Sodom's Chief Judge just as Pastor Lindstedt and Lindstedt's Church ran afoul of Judge Collins and Condon but escaped after hitting the crooked judge on the head with a rock. Lot's righteous daughter Paithiel was burned alive for feeding a kidnapped stranger as was another young woman who was slathered with honey and stung to death. So YHWH decided to destroy Sodom and Gomorrah and the other three Cities of the Plain unless ten righteous men could be found . . . to do what? . . . Put the ruling classes and their police to death for abuse of "legal process?"

The Sin of Sodom is as the Sin of Cleveland which is in exercising a false dominion and using state power to venture out far beyond its legitimate and lawful jurisdiction to seize the lives, liberty and property of those who want nothing to do with itself as a government. And just as Sodom and Gomorrah were destroyed by fire and brimstone to where nothing would grow in the wasteland so too under YHWH's Law the North Perry Nuclear Power Plant should be chernobylized with Bryan Reo at the trigger and Cleveland, Mentor, Painesville and NorthEastern Ohio turned into a nuclear wasteland and Lake Erie turned into the Dead Sea. Since the winds blow both north and east the rest of NE Blue-State ZOG will get to enjoy this Divine Justice as well.

So since June or July 2016 like Jonah to the ruling elites of Nineveh Pastor Lindstedt has in court papers informed Bryan Reo's ZOG masters in the federal and state regimes of their doom -- yet unlike Nineveh they persist in their Sin of Sodom. They worship Satan and Satan's government is of the jews who are the spawn of Satan and against YHWH's sinning Servant Nation of Aryan Christian Israel. This latest jurisdictional appeal to the Ohio supreme court says that the public interest and Constitutional question is whether or not the State of Ohio wishes to deserve what is going to happen to it when it becomes necessary for a combination of the local military white supremacist dictatorships acting in confederation to use their North Perry Nuclear Power Plant as their stationary Hiroshima to end this Second Civil War or whether the Ten Thousand Warlords has to use the Columbus nuclear power plant as their Nagasaki.

What is necessary is for the Ten Thousand Warlords as righteous Men of YHWH to destroy this Satanic regime by destroying absolutely Satanic regime criminal police, lawyers, judges, politicians and those who serve this Satanic regime even though it means an 80% reduction of the sinning population as the carrying capacity of ZOG is eroded away then destroyed.

(By the way, when in 1996 I advocated "prion-poisoning", Stephen J. Cannell wrote a 1999 novel "The Devil's Workshop" concerning a military plot to weaponize "Pale Horse Prions" as genetic bioweapons, Cannell wrote me in as the Reverend Lt. Colonel Fannion Kinkade as a Dual-Seedline Christian Identity pastor and leader of white supremacist hobos wanting to prion-poison the negroes and jews of Detroit and New York and there was an A-Team style gunfight. A thoroughly silly novel that went all A-Team but with more real science behind it concerning prion-poisoning than even Michael Crichton science fiction.

For those of you who want to write fiction based upon a true story how about a White Supremacist KKK guerilla Second Civil War in which the white supremacists collect jugs of tainted blood from jew and negro and beaver cadavers, mix it up with brain matter from negroes dead from new variant Jacob-Kreutzfeldt, and mix the jugs up in a 55 gallon barrel and spread the mixture some of which will defeat the fake vaccine around these big cities? Then cut off the diesel supply to pump the cooling water in an ailing nuclear power plant or two?

This is a credible doomsday scenario for a horror novel. Very likely in fact. Almost inevitable.)

But for now Pastor Lindstedt and Lindstedt's One Man of YHWH Aryan Nations Church will continue to fight in the federal and state regime-korts of Ohio, Missouri and South Dakota.

I urge fellow Soldiers of YHWH's Servant Nation to please don't show your asses or assets on these ZOG false-flag operations like Charlottesville 1.0 or 2.0 or 3.0 or 6.66. Honor the "Lone-Tards" like Dylann Roof or Robert Bowers. Don't take the Beast vaccination or microchip.

Bryan Reo and Bryan Reo's family are reserved as "scapegoats" to chernobylize the North Perry Nuclear Power Plant and if the State of Ohio insists on doubling-down on its legal Sodomy against overt White Supremacists and their Aryan Nations Church making fun of theirs' crazed delusional homosexual mongrel ZOGbot then the Columbus Nuclear Power Plant as well. Those who listen to my Voice are to have nothing whatsoever to do with Bryan Reo and its immediate family but to take note of those who assist Bryan Reo and do whatever they want that they find appropriate to them.

There is a \$400 billion ecclesiastical court judgment against the State of Ohio arising from the \$400 false judgment against the Church of Jesus Christ Christian / Aryan Nations of Missouri. The non-whites and jews are to be put to the sword of the Four Horsemen. The white population of NE Ohio is to be enslaved for at least three generations. The spawn of whigger regime criminals are to under the Judgment of Daniel to be either gelded or turned into walking wombs and their bloodline to be cut off..

Have nothing to do with so-called White Nationalist groups as they -- especially League of the South, Stormfront, Rabbi Linder's VNN, David Duke, Thom Robb & Billy Roper, Proud Boys, Oath Keepers, III-Percenter, etc. -- are ZOGbots & ZOGtards. White men need to stay home, stay alert and stay alive. You know who your local regime criminals are and you need to deal with them. ZOG is working on hyperinflating the ZOGbuck away and replacing it with ZOG digital currency and giving you a vaccine which will turn you into a ZOG Zombie before it kills you with another ZOG-virus designed to get around their ZOG-vaccinations along with a microchip. Don't you destroy your soul while letting ZOG destroy your body. Fear YHWH & Obey YHWH's Law & Commandments.

This is expressly NOT an imminent incitement to political or guerrilla Second Civil War Violence but rather something to soberly consider and given the facts of the matter to make preparations for the inevitable.

Hail Victory !!!
