OR FRCP RULE 60 – RELIEF FROM JUDGMENT OR ORDER (Doc 92)

COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as “Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt’s Aryan Nations Church) to timely make a Rule 59(e) Motion to Alter or Amend this Court’s ORDER (Doc 92) to render summary judgment to Professional Plaintiff Bryan Anthony Reo of \$250,000 in mythical “compensatory” damages (even though Bryan Reo never ever obeyed the Federal Rules of Civil Procedure (henceforth FRCivP) Rule 26 (A)(1)(a)(iii) computation of damages and \$500,000 in “punitive”

damages in which this wicked and evil court deliberately violates its constitutional paper “guarantees” to keep the Seventh Amendment of trial by jury for civil litigation of \$20 and over and its professed 8th Amendment to not impose excessive fines. The rationale for this barbaric act of civil warfare and treason against the Founding People is that Pastor Lindstedt made “admissions” to Bryan Reo’s claims even though they were denied in the initial answer and counter-complaint (36-page Doc 6 of 14 Nov. 2019 ORDERED stricken by this Court for its racism) and in the ORDERED (Doc. 16 of 17 Jan. 2020) Amended Answer with Counter-Claims (39-page Doc 17 of 3 March 2020) Pastor Lindstedt again denied everything – including Bryan Reo, Reo’s wife and Reo’s fathers’ mythical damages. Then for the third time on 9 November 2020 Pastor Lindstedt filed a 21 page “Consolidated Answer to All of Bryan Reo & Reo Family Federal Litigation, Withdrawal of Silent “Admissions” (Doc 74) for all of the Reo federal litigation, including the mythical “Damages” supposedly suffered by Bryan Reo, Mrs. Reo and Reo’s father who Pastor Lindstedt mistook for one of Bryan Reo’s homosexual lovers what with Attorney Kyle Bristow not being present. An 8-page Consolidated Opposition Brief was filed as well to Bryan Reo’s requests for summary judgment in all cases, Doc. 75 of Nov. 9, 2020 in this case. So at all times throughout this never-ending Bryan Reo litigation Pastor Lindstedt had denied every single claim made by Bryan Reo and Reo family, and put these denials up upon Pastor Lindstedt’s Aryan Nations Church web page so that the general public can see as well.

Bryan Reo and Reo’s family and Reo attorneys Kyle Bristow and Brett Klimkowsky are in addition to public figures within the white supremacist/nationalist and Christian Identity racial resistance communities as witness The Foundation for the Marketplace of Ideas (FMI) 501(c)(3) Tax Form (Doc 26-1 of 19 Mar. 2020 & Doc. 97-1 of 20 April 2021) showing Bryan Reo, Reo’s homosexual Aryan whigger hump Attorney Kyle Bristow as “Executive Director” and Brett

Klimkowsky as the Founding Members as well as Charlottesville 1.0 of Aug. 2017 “insurrectionists” Richard Spencer and Mike Enoch and others both old and new to “The Movement,” This shows that Bryan Reo and the rest of the FMI who are being sued are not only public figures hence subject to scrutiny and public comment by long-time White Supremacist Aryan Nations Pastor Martin Lindstedt but in reality state-sponsored domestic terrorists and agents provocateur (henceforth often to be referred to as “ZOGbots”) no different legally, politically and morally as the secret police of any other terrorist authoritarian criminal regime rightfully scared of revolt and revolution, especially by genuine white supremacists such as Pastor Lindstedt and his Aryan Nations racial and political Church.

Therefore the rulings of this Ohio federal (as well as Ohio state courts) which are designed to punish – especially “punitively” – Pastor Lindstedt through rewarding Bryan Reo ZOGbot “lawfare” (also known as “‘legal’ civil warfare”) are doomed just as the legal rulings of other failed soft-totalitarian regimes in Soviet Russia and Saddam’s Iraq. Pastor Lindstedt got reconciled after the farcical and corrupt Lake County Ohio proceedings of 24-26 June 2019 to losing his South Dakota inheritance to Bryan Reo ZOGbot “lawfare.” However since finding out about Bryan Reo working at the North Perry Nuclear Power Plant in Feb. 2016 and ever since 13 June 2016 advocating “chernobyling” this ailing old nuclear power plant as punishment for the Sins of Sodom-Cleveland & Mentor-Gomorrah (See Doc. 98-1 13 June 2016 web page advocating chernobyling said power plant in reaction to 7 June 2016 Journal Entry (Doc. 98-2) by Judge Collins usurping jurisdiction and saying that Pastor Lindstedt could not defend his Aryan Nations Church in the Lake County kangaroo kort. While since at least after Waco Pastor Lindstedt has advocated the destruction of the current criminal regime through white supremacist / Christian Identity counter-terrorism, the past year has made such seem inevitable, The “New 16

Words” of the Aryan Nations are: *We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.*” However the other state as well as federal criminal regimes are not neglected in this Second Civil War for racial White Aryan liberation.

Pastor Lindstedt is seeking for this federal district court to under this FRCivP Rule 59(e) Motion for Judge Boyko to to Alter or Amend this Court’s ORDER (Doc 92) to render summary judgment to Professional Plaintiff Bryan Anthony Reo of \$250,000 in mythical “compensary” damages and \$500,000 in “punative” damages, especially given that it is based upon a lie that Pastor Lindstedt made any admissions whatsoever, especially since Pastor Lindstedt denied Bryan Reo’s barratry and lawfare deceit whenever possible, is openly violative of the 7th Amendment to a jury trial paper guarantee and punishing Pastor Lindstedt for \$750,000 (in mythical, never computed under FRCivP Rule 26(a)(1)(A)(iii) by Bryan Reo) “damages” is a violation of the 8th Amendment promise of “no excessive fines” from this federal district court.

Pastor Lindstedt did not receive from this Court notice of ORDERS 91, 92, 93, & 94 mailed out by this Court 8 April 2021 and received on 12 April 2021. So Pastor Lindstedt shall e-mail these Rule 59(e) and Rule 60 Motions to timely file and because Pastor Lindstedt simply lacks funding to do a lot of mailing to Bryan Reo “lawfare.” Bryan Reo has also filed yet another lawsuit against Pastor Lindstedt, Pastor Lindstedt’s Aryan Nations Church and Pastor Lindstedt’s sister in Reo v. Martin Lindstedt, Aryan Nations, et. al, # 21-cv-00753.

Let this matter go to trial as there is simply nothing to Bryan Reo litigation / “lawfare” civil warfare if there is anything left of the federal government by the time it and the other Reo never-ending litigation goes to jury trial, if ever.

REGARDING THIS COURTS ABUSE OF DISCRETION

On page 2 of its ORDER (Doc. 92 pgID#986) this Court mentions a number of items that Pastor Lindstedt never published about “homosexual incest” between Bryan Reo and its father which Bryan Reo in other court proceedings admits never was said and how Bryan Reo engaged in a sex act with a Newton County judge (rather Pastor Lindstedt suggested that Bryan Reo as a known predatory homosexual might get its baseless litigation in Newton County Missouri moved forward if he induced another homosexual judge to indulge) and Pastor Lindstedt never ever claimed that Mrs. Reo was engaged in a sexual relationship with either Bryan Reo or Reo’s father but rather, based upon a public Quora posting republished by Pastor Lindstedt that Bryan Reo took down that Mrs. Reo lied about wanting to squeeze out many Satanic homosexual mongrel abominations in order to come to the ZOGLand from Brazil and then when facing divorce because she wouldn’t squeeze out any promised to squeeze out one or two and then when the divorce was cancelled by Bryan Reo then reneged on that so that Bryan Reo sounded like a petulant kikess-pecked homosexual who found a bigger liar than Reo was for a beard. In any case, this federal court simply repeats the lies made by one of its agents provocateur and then claims that because Pastor Lindstedt neglected to controvert Bryan Reo lies in a timely manner by June 15, 2020 but rather on the last day of extended discovery on Nov. 9, 2020 that they get to claim that Pastor Lindstedt doesn’t get to disclaim any “silent admissions” which this Court, now claims means that they get to overturn the 7th Amendment right to trial by jury and the 8th Amendment of no excessive fines. *“Defendant’s failures appear to stem largely from his pro se status which the Magistrate Judge has repeatedly cautioned him against.”* (Doc. 92, pgID 986) So in other words, this federal court is some sort of robbers roost in which a White Supremacist Aryan Nations pastor is to be robbed under color of law by this court’s homosexual mongrel antifa lawyer working as an agent provocateur due to a policy of legalized trickery. Joseph

Stalin's Soviet kangaroo tribunals were more honest. This court further whines that "*Defendant continues to represent himself and submits filings filed with racial and sex-based slurs and insults largely direct at the Plaintiff.*" As if a long-term White Supremacist Aryan Nations Pastor would do any different given a homosexual mongrel ZOGBot whose purpose in life and job as an officer of this court is to destroy White Supremacist Aryan Nations pastors and their Churches before they can destroy this Court's Satanic System. In short this Court is dealing with in Pastor Lindstedt and Pastor Lindstedt's Aryan Nations Church is someone who wishes to destroy the non-white populations and this system of government hostile to the interests of YHWH's Servant Nation of Aryan Christian Israel and so this Court wishes to give its preferred homosexual mongrel ZOGBot officer of the court 750,000 pieces of silver from their victim.

Then this Court claims that Pastor Lindstedt made some admissions based upon Bryan Reo conclusions based upon Bryan Reo's conclusions of law to fit the facts as Reo wanted them as opposed to having a jury under the 7th Amendment decide the facts of the case.

This Court then quotes sundry Bryan Reo requests for admissions while refusing to admit that all of these "requests for admissions" had been answered in the initial answer and counter-complaint and was in any case answered in full on Nov. 9, 2020 by Pastor Lindstedt's Doc. 74 "Consolidated Answers to all of Bryan Reo & Reo Family federal litigation, Withdrawal of Silent Admissions". This Court then claims that this Court couldn't understand Pastor Lindstedt's withdrawal and cites 6th Circuit precedent saying that their sundry Rules as applied takes precedence to letting Pastor Lindstedt withdraw his admissions. Pastor Lindstedt is such a rude racist so the admissions stand. "*However, the Magistrate Judge recommends denying summary judgment for Plaintiff on the damages portion of his defamation and False Light claim, as these are matters within the purview of the jury and Plaintiff has provided little evidence of*

damages in his filings.” (How about no evidence of any damages given Bryan Reo violation of FRCivP Rule 26(a)(1)(A)(iii) computation of damages. In this Court’s rush to enforce Rule 36 it ignores Rule 26 by Plaintiff Bryan Reo.). *As a result, the Magistrate Judge recommends that the Court exercise its discretion and permit Defendant to withdraw his “admissions” on damages.* Pg ID 988. (Pastor Lindstedt says that he made no “admissions” whatsoever other than how Bryan Reo and this Court choose to interpret the Federal Rules of Civil Procedure to suit themselves.)

This Court preferred to take the alternative in order to give Bryan Reo everything Bryan Reo and later Bryan Reo’s wife wanted, i.e. to render Pastor Lindstedt and Lindstedt’s Church destitute and penniless as Bryan Reo has wanted to use the state and federal court system to do since Doc. 26-2 filed 19 Mar 2020 “Pray for My Success” on 25 August 2014 on William Finck’s Christogenea forum and with Attorney Kyle Bristow’s Doc 97-2 wish to make Pastor Lindstedt’s sister destitute as well. In short this Court prefers to engage in lawfare – civil legal warfare – on behalf of its fellow lawyers of the court against rebellious white supremacists.

Defendant’s Objections. Pastor Lindstedt says that he already has denied three times Bryan Reo’s claims, that Bryan Reo has no damages whatsoever, and that Bryan Reo could have avoided any public scrutiny if Bryan Reo had only kept his agreement of Nov. 1-4, 2010 to leave the Movement forever and Pastor Lindstedt wouldn’t write anything more about Bryan Reo because there wouldn’t be anything to write about. Bryan Reo instead founded FMI along with other ZOGbots Kyle Bristow and Brett Klimkowsky and continued to harass through “lawfare” Pastor Lindstedt and Lindstedt’s Aryan Nations Church. Rather Pastor Lindstedt insists on trial by jury rather than by federal judges interested in punishing white supremacists altogether.

Plaintiff’s Objections. Bryan Reo simply wants everything that this Court has given him. Bryan Reo has filed 16+ cases against Pastor Lindstedt and Lindstedt’s Church in Lake

County alone as witness Exhibit Doc 92-3 of 22 Apr. 2021. This includes two Civil Stalking Protection Orders, one 20CS000502 of which from last year were found by the Lake County judges to be perjurous. There are more cases also in Missouri and South Dakota. Bryan Reo also whines that he can't find anyone who wishes to become targets of the Aryan Nations or the white supremacists that Reo loved to formerly infiltrate. Lastly Reo claims that allowing Pastor Lindstedt to continue with this trial by jury that this only allows Pastor Lindstedt a "public forum" to further talk about Bryan Reo and Reo's family members used in this litigation.

THIS COURT'S LAW AND ANALYSIS:

This Court comes to its desired conclusion of claiming that Defendant by failure to timely file a response to Bryan Reo's Requests for Admissions, particularly regarding damages, allows this court to assess \$250,000 in compensatory and \$500,000 in punitive damages. Even though Pastor Lindstedt addressed by making consolidated answers to all of this Reo and Reo family litigation on 9 Nov. 2020 and withdrawing any "silent admissions" this Court chooses to do away with the 7th Amendment civil trial by jury and the 8th Amendment of not imposing excessive fines for not following the Federal Rules of Civil Procedure as has been defined by this Court while allowing Bryan Reo to disobey computing damages and following FRCivP Rule 26 Initial Disclosures. Nor does it matter to this Court that Bryan Reo has been lying to them as to what was plainly published on Pastor Lindstedt's Aryan Nations Church web site for everyone to see for themselves. Thus given that the entire basis for Bryan Reo litigation was always available puts the lie to Bryan Reo's claims that Pastor Lindstedt refused to provide any discovery. Couldn't Bryan Reo rather than make up claims as to what was said – that was NOT said – simply print up for this Court and for the jury to see what was actually written? The answer is

that neither Bryan Reo nor this Court was ever interested in ascertaining what the truth was but rather in stamping out white supremacy as practiced in Southwestern Missouri 900 miles away.

Conclusion: Pastor Lindstedt did eventually respond to Bryan Reo's Requests for Admission and withdraw any and all admissions on 9 Nov. 2020 after denying Bryan Reo's claims in the initial Answer & Counter-Claims and then in the Amended Answer and Counter-Claims ordered by this Court in early 2020. Thus this Court's doing away with the First Amendment of Pastor Lindstedt reporting on the antics of this Court's pet crazed delusional satanic homosexual mongrel ZOGbot abomination and letting its network of ZOGbot agent provocateurs practice lawfare get entirely away is to be expected, as is this Court doing away with the 7th Amendment of a right to jury trial of a civil case over \$20. And obviously this Court thinks that if Pastor Lindstedt has access to his inheritance in South Dakota worth \$2 million which brought him after taxes an iannual ncome of \$20,000 then Pastor Lindstedt shall only use it for financing making trouble for ZOG and wants to do away with the 8th Amendment of no excessive fines and wants to give their pet homosexual mongrel agent provocateur and its dysgenic family by giving it all away to Bryan Reo then by means of legal civil warfare – lawfare – then that shall be done as well.

Pastor Lindstedt for his part has always advocated destroying this Satanic criminal regime and Babylonian System and thus has deliberately ridiculed Bryan Reo since 2010 after detection as an obviously homosexual non-white agent provocateur who is the epitome of evil part-jew mamzerhood. Bryan Reo obviously cannot successfully infiltrate white supremacists and Christian Identity as an effeminate mongrel so Bryan Reo has been used since at least 2003 by ZOG. Pastor Lindstedt used to insult Bryan Reo and be called a “convicted child molester” by Bryan Reo and other ZOGbots for over three years until Reo found out about Pastor Lindstedt's

South Dakota inheritance and then Bryan Reo wanted it and the Lake County Ohio courts and State of Ohio gave it to him under color of law. Likewise this federal court is doing the same through the “lawfare” or “legal civil warfare.” By doing away with even the pretense of “Rule of Law” this Court makes it inevitable that all sides will practice proscriptions and escalate the current Second Civil War to the point that all of the ZOGland shall become a free-fire zone and this Mighty Evil Empire is no more. Pastor Lindstedt is perfectly willing to give up his \$2 million inheritance if it means setting \$200 trillion of the ZOGland afire, enhancing the Second Civil War to where 300 million ZOGLings are destroyed and the end result is 20-30 million whiggers ruled over by Ten Thousand Warlords ruling over local theocratic military dictatorships. Of course the primary initial target is the North Perry Nuclear Power Plant which is seen as the perfect little Hiroshima ever since Pastor Lindstedt found out that Bryan Reo used to work there as it was so badly run and having possibly inadvertently saved it by Pastor Lindstedt’s Aryan Nations web page SwordBrethren = Bryan Reo posts back in 2012.

Strategic domestic terrorism such as prion-poisoning and now ZOG-virus biowarring to exterminate those stupid enough to get a a covid-19 vaccination or the non-whites and urban whiggers or targeting ailing badly-run nuclear power plants of opportunity doesn’t require a pretext but rather opportunity. The fact is that Lake County Ohio has chosen to emulate Sodom and Gomorrah however furnishes that pretext. If or when the North Perry Nuclear Power Plant goes all chernobyl by accidently having a crazed bryanreo sort working there or sometime later by deliberate design to finish off the Second Civil War to decentralize the former ZOGland the end result will be tens or hundreds of million ZOGLings dead and the freedom and independence of the rural white ethnostates. Pastor Lindstedt wants an end political result of decentralized local warlordcies in which only Aryan Christian Israelites live and the extermination of the jews and

non-whites and the liquidation and sterilization of the ruling whigger class. The Aryan Nations new 16 Words: *We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.* The very nature of ZOG/Babylonian Collapse will provide plenty of opportunities. What the inhabitants of North Eastern Ohio think of your corrupt local, state and federal courts providing the pretexts by letting Bryan Reo harass White Supremacist Dual-Seedline Christian Identity Pastor Martin Lindstedt and Lindstedt's Aryan Nations Church to the point wherein they are the number one target remains to be seen. They might well wonder why Bryan Reo keeps on stirring up real or imagined white supremacist domestic terrorists to kill them all just because the Lake County, Ohio state and federal governments want to rack up huge defamation and libel judgments against Pastor Lindstedt and his Aryan Nations Church.

Pastor Lindstedt has and does ORDER no one who hears and obeys Pastor Lindstedt's voice is to harm or molest or have anything to do with Bryan Reo because Bryan Reo is the Scapegoat Sacrifice – the satanic goat of unparalleled evil upon who all the sins of ZOG/Babylon are to be laid upon the deliberate chernobylization of the North Perry Nuclear Power Plant. All the rest of the ZOGbots are fair game however – those who would infiltrate the Movement but fail because they are not of the Body of Aryan Christian Israel.

Wherefore, Pastor Lindstedt makes this Rule 59(e) Motion that this Senior Federal Judge Boyko reconsider his ORDER and OPINION of summarily judgment of \$250,000 in mythical Bryan Reo uncomputed compensatory damages and of \$500,000 in punitive damages based upon his discretion in interpreting the Federal Rules of Civil Procedure to allow such legal civil warfare “lawfare” in favor of Bryan Reo as this regime's pet ZOGbot and thus trashing out the 7th Amendment requiring a jury trial for the facts and the 8th Amendment forbidding excessive

finer as well as the First Amendment as a false shelter against Pastor Lindstedt and his Aryan Nations Church making fun of Bryan Reo as a crazed delusional homosexual mongrel pet ZOGBot. Pastor Lindstedt would prefer for a jury trial as opposed to a federal judge to make the decisions to try to destroy the pretense of rule of law. Furthermore it would be nice if this federal judge dismissed this Bryan Reo case #19-cv-2589 and Bryan Reo's beard Sephardic jew "beard" wife *Stefani Rossie Reo v. Martin Lindstedt* # 19-cv-2786 and summarily ordered the payment out of what it has cost Pastor Lindstedt and his Aryan Nations Church for this lawfare of \$2.5 million (what it cost Pastor Lindstedt to give up his South Dakota inheritance plus \$500,000 actual damages) and to hold in contempt of this court – not Pastor Lindstedt or his Aryan Nations Church – but rather the accessible officers of this court Attorney Bryan Reo, Kyle Bristow and Brett Klimkowsky who have brought this federal district court into disrepute and disbar all of them.

The 16 Words of the Church of Jesus Christ Christian / Aryan Nations of Missouri:

We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.
