Case No. 1:19-CV-02589-CAB

Senior Judge Christopher A. Boyko

Mag. Judge Thomas Parker

Response to State of Ohio’s Response (Doc 111) Claiming that the State of Ohio can’t be Held Responsible in their State and Federal Ohio Courts Because they have “Sovereign Immunity” to do Anything They Want to Pastor Lindstedt and His Aryan Nations Church if Theys’ ZOGbot Attorney Bryan Reo As One of Their Agent Provacateurs

**DEFENDANTS’ RESPONSE TO THIRD-PARTY DEFENDANT STATE OF OHIO
RESPONSE (Doc. 111) CLAIMING BECAUSE THEY AS A STATE ARE ABOVE
THEIR OWN RULE OF LAW AND CAN DO WHATEVER THEY PLEASE BY
ALLOWING THEIR OWN OFFICER OF THEIR COURTS AND AGENT
PROVACATEUR BRYAN REO TO DRAG TO THEIR COURT PASTOR LINDSTEDT
AND LINDSTEDT’S ARYAN NATIONS CHURCH FOR CIVIL “LAWFARE”
PROCEEDINGS ABSENT ANY REAL OR LEGITIMATE JURISDICTION**

COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as “Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt’s Aryan Nations Church) to Respond to The State of Ohio’s idiotic, suicidal, and tyrannical legalistic Claims that as a Sovereign State that they can allow an Officer of They’s Kangaroo Korts (Doc. 111) to drag Pastor Lindstedt and His Aryan Nations Church living in a different state 900 miles away to face endless and persistent Bryan Reo agent provocateur “lawfare” litigation rendering them impoverished at their state and

federal level and *of course* Pastor Lindstedt has to respond in a non-racist, non-homophobic, and politically correct manner before they judges sans any lawful and legitimate jurisdiction do whatever they please in any case. There then ensues another three pages of Talmudic dialogue in which this Ohio Attorney General's Office further claims that a White Supremacist and Christian Identity Pastor and his Aryan Nations Church have no First Amendment 'rights' to speak plainly in a Aryan Nations web site to give warning about Attorneys Bryan Reo, Kyle Bristow and Brett Klimkowsky and their Foundation for the MarketPlace of Ideas (FMI) ZOG false-flag operation which is yet another subset of agents provocateurs set up by this tyrannical and panicky criminal regime. The Ohio Attorney General seems to have the notion – especially so close to the Day celebrating “ZOGling Independence” from one foreign tyrant 245 years ago -- that Pastor Lindstedt and Lindstedt's Aryan Nations Church and a number of other “white supremacists” won't make of that National Birth Certificate a National Death Warrant as everyone uses the claims asserted in the Declaration of Independence to each go their own way simply by poisoning & killing entire areas operated by this criminal regime through this Second Civil War.

Bryan Reo has filed around 20 separate lawsuits before the Lake County Courts against Pastor Lindstedt and Lindstedt's Aryan Nations Church and Lindstedt's woman and Lindstedt's sister. This Ohio regime allows Bryan Reo, Kyle Bristow, and Brett Klimkowsky to be licensed attorneys before their state and federal korts. Now neither Pastor Lindstedt nor his Church nor family have any assets in Ohio. If it wasn't for the fact that this federal criminal regime exists Bryan Reo could file lawsuit after lawsuit and Pastor Lindstedt wouldn't bother to appear but for the fact that Bryan Reo found out through its antifa “lawfare” network – probably Attorney Robert Konrad who stole confidential legal files belonging to Pastor Lindstedt's sister – that

Pastor Lindstedt had an inheritance in Stanley County South Dakota worth around \$2 million in late 2013 or early 2014.

Now Pastor Lindstedt has explained to your Satanic criminal regime and agents that what you are doing is against YHWH's Law, that the precedent set was that of Sodom and Gomorrah and the other Three Cities of the Plain of exercising false dominion and spurious jurisdiction in passing laws to rob and murder strangers by kidnapping them while travelling a half-day away on the caravan route between the Red Sea port and Mesopotamia in the time of Abraham circa 2000 BC. Pastor Lindstedt has also endlessly explained to yourself other instances of YHWH's civil laws and penalties enjoining your regimes from violating not only YHWH's Law but your own CONstitutions regarding Freedumb of Speech & Religion, the 7th Amendment regarding right to jury trial as opposed to jewdickal summary judgment and Eighth Amendment regarding no excessive fines especially awarded to your own agents provocateurs like Bryan Reo, Reo's alleged spawner and Brazilian jew wife. As with all tyrannical criminal regimes on the way out this attorney general's office continues to spout ZOGswallop how its tyranny is lawful & just.

Since 13 June 2016 Pastor Lindstedt has recommended "chernobyling" the North Perry Nuclear Power Plant in reaction to a tyrannical ruling by a Lake County Judge on 7 June 2016 that Pastor Lindstedt could not defend either his Aryan Nations Church nor elderly bed-bound domestic partner Roxie Fausnaught. See Doc. 98-1, Doc 98-2. Additionally back in the 1990's Pastor Lindstedt recommended "prion-poisoning" and over the past year or so of spreading the Covid-19-21 ZOGvirus by Resistance personnel. The only way to end ZOG tyranny is to end the carrying capacity of the entire ZOGLand to where an irradiated North East Ohio choking from nuclear irradiation and ravaged by a lab-made virus and rendered sterile by a fake-RNA vaccine simply has better things to do than to harass Pastor Lindstedt, his Aryan Nations Church and

family. It would have been nice to have that chernobylization occur by crazed homosexual mongrel ZOGbot when said mongrel used to work there until detected thanks to Pastor Lindstedt's Aryan Nations web page. Or as Pastor Lindstedt recently found out by importunate lunatic like the one who showed up this early April claiming that he had a bomb in his trailer pulled by a pickup truck. But as *Official Resistance Policy* in order to end this Second Civil War to make sure that no Mighty Evil ZOG Babylonian Empire can ever arise again it is necessary to chernobylize this particular nuclear power plant as Revolutionary policy to ensure that this one area of the former nation can no longer impose its [s]will upon another area of the former dis-united country with a different People and Culture and Religion like what happened in the First Civil War. Then as supplemental policy to end the pretend "long arm jurisdiction" of Ohio and its courts perhaps cutting off the arms above the elbows of Ohio lawyers, judges, police and politicians along with their families can be arranged to complete the necessary deterrent as Revolutionary terrorism leading to local warlordism as a successor form of government.

So when Resistance forces are chernobyling the North Perry Nuclear Power Plant and machine-gunning NE Ohio refugees – maybe only letting out the Amish and cadre of underground genuine White Supremacists – then the Ohio Attorney General's Office is at liberty to explain to those about to die like gut-shot dogs why they allowed Bryan Reo and your other ZOGbots to run wild in your corrupt regime korts and bring all the Biblical plagues down upon them as the genuine White Supremacist Resistance goes all medieval on your asses. Explain to them about how you simply could not allow your ZOGbots and lawyers to be insulted for not being white or heterosexual and so you had to claim sovereign immunity to act with tyrannical stupidity & impunity. Only in your tyrannical delusions that you think you have jurisdiction & power over Pastor Lindstedt and his Aryan Nations Church – a delusion dispelled upon combat.

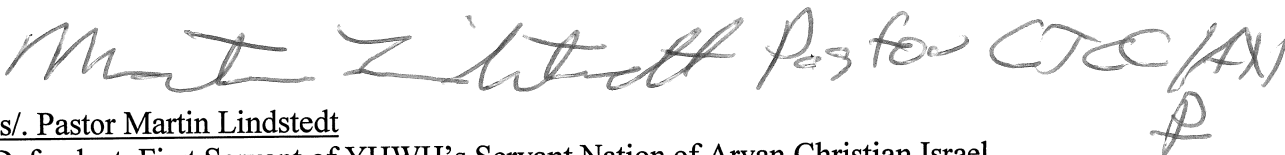

By the way, your own Supreme Kort has a Motion for Reconsideration before theysselfs right now. Pastor Lindstedt prefers them to disclaim all jurisdiction in all the Bryan Reo “lawfare” litigation past and pending in Ohio state and federal kort. And Judge Boyko said that Congress can overturn your claimed “sovereign immunity”. Pastor Lindstedt shall of course put this question to not only your population as to whether or not they approve of being chernobylized but to your congressional delegation and that of the upwind states as well.

When it all cums down to it, your criminal regime is dependent upon the consent of the governed. Any exercise of false dominion by your courts and lawyers to pillage under color of law will of course be viewed as an act of civil war by those who do not recognize that you have any lawful or moral right to do so any more than any criminal regime does over free men well outside your area. Whatever is necessary to punish such tyranny eventually will be done. Much less upon the apathy of those who never consented to your spurious jurisdiction in the first place and does not peacefully recognize it now. But what is a real White Supremacist and Christian Identity Resistance Soldier who believes only in Biblical Law to do?: Hmmm.

The New 16 Words of The Church of Jesus Christ Christian / Aryan Nations of Missouri:

We must chernobylize the North Perry Nuclear Power Plant and exterminate and sterilize North East Ohio.

Hail Victory!!!
