COMES NOW the current Defendant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt) OF THE Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter described as Pastor Lindstedt's Aryan Nations Church) to timely make an Objection to Magistrate Parker's Report & Recommendation (Doc. 104) of 11 May 2021 which recommends granting and upholding the lawless ORDER by Senior Judge Boyko Court's ORDER (Doc 92) to render summary judgment to longtime homosexual mongrel and federal agent provocateur harassing Pastor Lindstedt before the state and federal Ohio and Missouri and

South Dakota courts for the past decade or more of Attorney Bryan Reo of \$250,000 in mythical “compensatory” damages and \$500,000 in punitive damages (even though Bryan Reo never ever obeyed the Federal Rules of Civil Procedure (henceforth FRCivP) Rule 26 (a)(1)(A)(iii) computation of damages) in which this wicked and evil court deliberately violates its constitutional paper “guarantees” to keep the Seventh Amendment of trial by jury for civil litigation of \$20 and over and its professed 8<sup>th</sup> Amendment to not impose excessive fines. Magistrate Judge Parker – like all these Ohio state and federal judges holds the conceit that a notorious professional plaintiff and homosexual mongrel acting as a state-sponsored counter domestic terrorist and agent provocateur Bryan Reo as an officer of this court as well can drag Pastor Lindstedt before an Ohio court and have a jury trial before a biased jury or in these federal cases which Pastor Lindstedt dragged up to this federal level no jury at all and proceed to summarily take Pastor Lindstedt’s and Lindstedt’s Church’s property under color of their “interpretation” of their Federal Rules of Civil Procedure (hereafter FRCivP). Their precious CONstitution gives them the power and jurisdiction to drag a subject of another state where these religious and racial beliefs are common to a foreign tribunal of exceeding corruption and under color of law proceed to act in the same manner as Sodom and Gomorrah did in preying upon strangers dragged before their courts from the caravan route a half-day away in the time of Abraham. Pastor Lindstedt has made since 13 June 2016 it quite clear that if the Lake County Court and State of Ohio wants to act like Sodom and Gomorrah against Pastor Lindstedt and Lindstedt’s Church that the North Perry Nuclear Power Plant is at hand to provide the nuclear fire and brimstone and to turn Lake Erie into a Dead Sea and like what happened to Sodom and Gomorrah end this judicial tyranny along with the ability of the Ohio state and federal governments to drag parties obeying their law in their own jurisdictions before them to be

deprived of life, liberty and property under color of their own spurious “law”. Magistrate Parker claims that because Pastor “Lindstedt has not met his burden of establishing that reconsideration is justified” that his motion under Rule 59(e) and Rule 60 be DENIED.” (Doc. 104, Page ID #1096).

Rather Pastor Lindstedt points out that since the Ohio state and federal courts never had any legitimate or lawful jurisdiction other than in working with their pet homosexual mongrel state-sponsored counter-terrorist agent provocateur (or ZOGbot) and officer of this Court Attorney Bryan Reo who used to pretend to be a white supremacist and Dual-Seedline Christian Identity sub-pastor under a jew ZOGbot named William Finck. Thus this federal court is merely allowing one of its own agents provocateur to prevail before their own tyrannical and corrupt court in order to destroy white supremacist and Christian Identity and Klan racial and religious dissent and opposition to their own criminal regime. Thus Pastor Lindstedt is sparring with this Court while working with the Collapse to erode and destroy this Satanic regime and those who operate it. When it all comes down to it, this Court is destroying the myth that these “Constitutional rights” – in this case the 1<sup>st</sup> of Freedom of Speech and Religion, the 7<sup>th</sup> to a jury trial which is the basis of the common-law system, and the 8<sup>th</sup> of no excessive fines or judgments, especially concerning “civil lawfare” means much if anything.

Neither Bryan Reo (nor Reo’s Fake-Plaintiff Wife or Father) were in any way damaged and Pastor Lindstedt made no “Admissions” of any such damages in his Initial Answer & Counter-Claims, Lindstedt’s court-mandated Second Answer and Counter-Claims, and in Lindstedt’s Consolidated Answers to all four Bryan Reo federal cases of Nov. 9, 2020. Thus with the connivance of this Court not only can no damages be shown but the underlying Bryan Reo claims are nothing more than Bryan Reo lies. Thus this Court in ignoring the facts and the law of

this case and deliberate refusal to let any portion of it go to jury trial is committing tyranny and treason against Pastor Lindstedt and Lindstedt's Church without any lawful or legitimate jurisdiction and thus needs to be destroyed as a government over those who resist its lawless whims.

**Restatement of the Law and Facts of this Case:**

See Pastor Lindstedt's Rule 59(e) and Rule 60 Motion to Reconsider, Alter or Amend this Court's decision to grant summary judgment without a jury trial (Doc. 100). Pastor Lindstedt sees little point in restating the law and the facts to an Ohio federal court which Pastor Lindstedt foolishly sent up to this federal level to get it out of the corrupt Lake County Ohio court because Pastor Lindstedt thought that at the federal level they would at least protect their claim to rule over all the states and their subjects by insisting that Bryan Reo have to obey the FRCivP Rule 26 Initial Disclosures and Computation of Damages to show that Bryan Reo did suffer any real damages and for what they presume to punish Pastor Lindstedt for other than of being an unrepentant White Supremacist and Aryan Nations pastor who presumed to tell long-time homosexual mongrel agent provocateur / ZOGbot Bryan Reo that his kind did not belong in the Movement. Pastor Lindstedt has no duty to even pretend to worship the God of this World and its Satanic criminal regime and Mighty Evil Empire or to pretend to follow its Talmudic Rules of Court given that Pastor Lindstedt is before a corrupt tribunal without any jurisdiction.

The sundry states, especially Ohio, and this federal regime will doubtless have to learn the hard way, if ever, that they do not own any person who is of YHWH's Servant Nation of Aryan Christian Israel just as the Amorite Canaanite jew Hyksos pharaohs' back in 1550 BC. When enough of us decide that we are no longer going to be slaves or even work and collaborate with ZOG/Babylon then this Mighty Evil Empire is finished.

Wherefore, Pastor Lindstedt makes this Motion in Opposition to Magistrate Parker's Report and Recommendation (Doc 104) and that this Senior Federal Judge Boyko reconsider his ORDER and OPINION of summarily judgment of \$250,000 in mythical Bryan Reo uncomputed compensatory damages and of \$500,000 in extortionary punitive damages based upon his arbitrary discretion in interpreting the Federal Rules of Civil Procedure to allow such legal civil warfare "lawfare" in favor of Bryan Reo as this regime's pet ZOGbot and thus trashing out the 7<sup>th</sup> Amendment requiring a jury trial for the facts and the 8<sup>th</sup> Amendment forbidding excessive fines as well as the First Amendment. Pastor Lindstedt would prefer for a jury trial as opposed to a federal judge to make the decisions to try to destroy the pretense of rule of law. Furthermore it would be nice if this federal judge dismissed Bryan Reo's cases under his rule including Reo's Brazilian Sephardic jew "beard" wife fake-case *Stefani Rossi Reo v. Martin Lindstedt* # 19-cv-2786 and summarily ordered the payment out of what it has cost Pastor Lindstedt and his Aryan Nations Church for this lawfare of \$3.5 million (what it cost Pastor Lindstedt to give up his South Dakota inheritance plus \$1, 500,000 actual & punitive damages) and to hold in contempt of this court – not Pastor Lindstedt or his Aryan Nations Church – but rather the accessible officers of this court FMI Board Members & ZOGbots Attorneys Bryan Reo, Kyle Bristow and Brett Klimkowsky who have brought this federal district court into disrepute and disbar all of them. Thus this is Pastor Lindstedt's Objections to Mag. Parker's Report & Recommendation (Doc. 104) in which Mag. Parker does his part in violating the 1<sup>st</sup> Amendment, the 7<sup>th</sup> Amendment right to a jury trial and 8<sup>th</sup> Amendment promise of "no excessive fines" and penalties just because Bryan Reo can't and won't be able to show any damages or something wrong other than Reo barratry took place.
