

**IN THE COURT OF COMMON PLEAS
OF LAKE COUNTY OHIO
CIVIL DIVISION**

BRYAN ANTHONY REO,)	
Plaintiff,)	
)	
vs.)	No. 15CV001590
)	RICHARD L. COLLINS JR
MARTIN LINDSTEDT,)	January 6, 2016
Defendant.)	.

**DEFENDANTS' FOURTH OR FIFTH RESPONSE TO PLAINTIFF'S LATEST
VEXATIOUS & FRIVOLOUS MOTION TO STRIKE DEFENDANT'S SECOND OR
THIRD RESPONSE TO REO'S FIFTH OR SIXTH MOTION TO STRIKE OR
WHATEVER IT IS THIS WEEK THAT REQUIRES A RESPONSE TO REO**

COMES NOW the current Defendant Pastor Martin Lindstedt along with Lindstedt's non-profit church corporation in good standing The Church of Jesus Christ Christian / Aryan Nations of Missouri (hereafter in person described as "Pastor Lindstedt" and the Church corporation referred to as "Pastor Lindstedt's Church") to timely file this Response to Professional Plaintiff in fraud Pro Se Bryan Reo's latest Motion to Strike or whatever it is this week that sorta might maybe require a response. It is so nice that Bryan Reo takes time out from his job of filing frivolous and extortionary litigation against small businesses which rely upon the Internet to feed their and their employees' families to worry about what is being written about The Mamzer from Mentor (who used to claim to be a White Supremacist and Dual-Seedline Christian Identity pastor until very recently) and who just has to notify this Court about what Pastor Lindstedt has written not only about Bryan Reo but also about this Lake County Court of Common Pleas. Last month, Bryan Reo filed a Civil Stalking lawsuit *ex parte* in order to force Pastor Lindstedt to drive nearly 900 miles away to answer allegations that on some web page other than that owned by Pastor Lindstedt's Church (most likely the NIM-Busters) that someone claiming to be Pastor Lindstedt made some death threats against Bryan Reo and posted smutty

pictures of Bryan Reo. See *Reo v. Lindstedt*, 16CS000102. Also, in the last few weeks, sundry victims of Bryan Reo's legal extortions contacted Pastor Lindstedt and want to set up a "legal offense fund" in order to send Bryan Reo to prison, along with Bryan Reo's father and friends and to destroy the legitimacy of the Ohio State Courts for allowing Bryan Reo to use these courts to "shakedown" and to commence federal litigation shutting down the Lake County Courts as having anything to do with cases outside the boundaries of Lake County Ohio in general and those having anything to do with the Internet in particular.

Thus this latest response in response to whatever it was that Bryan Reo filed allegedly on 1 Feb. 2016. What with Bryan Reo initiating a fraudulent and perjurious *ex parte* Order against Pastor Lindstedt, these legal papers will have to proceed at the pace set by the vagaries of the U.S. Postal Service. Pastor Lindstedt will, however, post a copy of this Motion on Pastor Lindstedt's Church's web page.

Reo "Law" & Reo "Facts"

Insofar as what Bryan Reo is tattling in this week's filings about what Pastor Lindstedt said or wrote the past two weeks or whenever was the last Reo frivolous filing about Bryan Reo and this Court on Lindstedt's Talkshoe podcast and Lindstedt's Youtube channel and Lindstedt's Church forum about Bryan Reo being a "negro-lipped" "[jew]unibrowed" mongrel homosexual and certain Lake County judges being "Bryan Reo's man-bitches" (and ovulating, no less) and this Lake County Court being stupid and corrupt, this probably happened more than twenty times and less than fifty times and might have been heard or seen by more than two-thousand and less than ten-thousand people. What is really important is that Bryan Reo just has to write this Court every week or two and whine to this Court about what Pastor Lindstedt is saying about Bryan Reo and this Court over the Internet. (And what Bryan Reo is itself or unknown others are claiming that Pastor Lindstedt said about Bryan Reo and this Court on web pages not belonging to Pastor Lindstedt's Church, cf. *Reo v. Lindstedt*, CS000102.)

This frivolous and vexatious case -- now cases -- against Pastor Lindstedt arose from Bryan Reo's losing a frivolous federal case which had to be dismissed and then Bryan Reo filed this frivolous and vexatious case in order to harass and oppress Pastor Lindstedt. Instead, Pastor Lindstedt has used this frivolous litigation by Bryan Reo to counter-sue Bryan Reo co-conspirators and post this mass of legal drivel on Pastor Lindstedt's Church's web page about how the federal and state courts are hopelessly and irredeemably corrupt and how this criminal

regime pretending to have a legitimate representational government needs to be finished off root and branch. The current plan by Pastor Lindstedt involves answering all of Bryan Reo's idiotic and imbecilic Motions to Strike and to Dismiss, to rope in further Reo co-conspirators, have Bryan Reo further practice unauthorized practice of law for some favored co-conspirators like Anthony D. Reo (Bryan Reo's alleged father) and William Finck and Melissa Epperson and to further betray Reo co-conspirator enemies such as "Eli James" aka Joseph November /Kutz-Putz and unfavored co-conspirators such as [Liar]Bill "MumpsNut" DeClue(less), Mark and Deborah Downey, Meggie Butts, et. al. The resulting circus will likely have to be dismissed by this Court eventually, but if it is not, then years of appeals will ensue. Meanwhile, federal litigation against Lake County, its courts, police, bar association, and the State of Ohio for violating under color of law the First and Second and other Amendment rights of out-of-state Pastor Martin Lindstedt and Lindstedt's Church shall be ongoing as well.

Within the past week a number of items became known to Pastor Lindstedt. Pastor Lindstedt is currently in negotiation with others regarding Bryan Reo material in which Bryan Reo speaks of murdering Lake County police officers and elementary school children. Having been a White Supremacist and Christian-Identity militia leader and pastor for the past quarter-decade, Bryan Reo is another Adam Lanza or crazed mass shooter waiting to happen. That the Lake County Courts and Sheriff's Department is coddling their own home-grown crazed mongrel homosexual domestic terrorist so when the next home-grown Bengazi takes place in Lake County, there won't be no private e-mail server to save you all from the resulting massive public opprobrium.

There is no possible legal excuse preventing Pastor Lindstedt from ridiculing both Bryan Reo and this Lake County Court on Pastor Lindstedt's Church's web pages or on other places on the Internet. Even trying to pursue this futile policy of censorship means that the political and religious dissent shall increase. This Court has neither the jurisdiction nor power to even try doing so. Bryan Reo is simply wasting this Court's time and getting this Court involved in making itself an embarrassment to Lake County & the State of Ohio and a stench in the nostrils of the entire Empire and the World which has Internet access.

Wherefore, Pastor Lindstedt hereby has an irresistible impulse to create and upload yet another scurrilous Youtube video and to make another Talkshoe podcast and to scan and upload

Bryan Reo's latest frivolous filing regarding this case received this day which Pastor Lindstedt simply must scratch.

Hail Victory !!!
