**MOTION AGREEING WITH BRYAN REO AND BRYAN REO'S ATTORNEY BRETT
A. KLIMKOWSKY FOR A CONTINUANCE GIVEN THAT ROXIE FAUSNAUGHT,
WHOM THEY OPPRESS BY THEIR FRAUDULENT, MALICIOUS AND VEXATIOUS
ABUSIVE LITIGATION HAS A BROKEN HIP**

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as "Pastor Lindstedt") to for once agree with Bryan Reo AND Bryan Reo's Attorney, Brett A. Klimkowsky for a Continuance for this Consolidated Case to go to trial. It has always been the position of Pastor Lindstedt and Lindstedt's Church and Church members that the surest method of destroying the current regime is to let everyone know that they are corrupt beyond saving and so given that this Lake County Court allows Bryan Reo to file over fifty bogus lawsuits, including three against Lindstedt and Lindstedt's Church and given that Bryan Reo and Reo's lawyers Klimkowsky and Kyle Bristow are back to pretending to be White Supremacists for their pathetic Foundation for the MarketPlace of Ideas (also known as the ZOGbot Poverty Flaw Center) that these silly and frivolous cases in which Bryan Reo is allowed to run wild over the First Amendment because Pastor Lindstedt has called Reo a "Satanic mongrel homosexual abomination" thousands of times while Reo and its lawyers *libel per se* Pastor Lindstedt a "child molester" should eventually go to trial both at this Lake County Court without jurisdiction over anyone other than Reo, Reo's father, and Reo's lawyers (With the other Reo-connected forty to fifty pretend White Supremacists / ZOG agents provocateur (most of whom are not remotely white) tried at the federal level). Given that both Pastor Lindstedt and Lindstedt's Church are counter-suing Bryan Reo and Reo defendants/co-

conspirators this silly trial should eventually take place so as to end Bryan Reo's fraudulent and vexatious litigation.

Bryan Reo's lawyer Brett Klimkowsky is doubtless lying about how he can't get out from under a criminal case for something in Sandusky County Ohio just as Bryan Reo did for the first time this trial was scheduled for August 2, 2016. On Aug. 1, 2016 Bryan Reo claimed that due to "pressing family business" that it would be out of the country – (Visiting its Aunt Sheniqua in Nigeria? Helping with a transgendered bat mitzvah in Sicily?) – and then it filed a Motion for Summary Judgment against Pastor Lindstedt's Church and Roxie Fausnaught on 16 CV 00625. The last thing either Bryan Reo or Klimkowsky want is a jury trial over this vexatious & frivolous case on the merits hence their bogus meritless Motions to Strike and for Summary Judgment. However there is reason for a continuance on our part:

On June 3, 2017 Roxie Fausnaught broke her right hip trying to eat out with her daughter and daughter's boyfriend when they tried a second time to get her into the wheelchair. She had failed to get into the wheelchair back in April trying to get to see a primary care physician. After she failed to get out of her bed and into the wheelchair the first time and fell to the floor, and Roxie's nephew and her daughter's boyfriend helped roll her onto the stretcher tarp with sewed-on handles and get her back into the bed, Pastor Lindstedt said, "No more of this." However, Roxie disobeyed and they tried to get her in the wheelchair a second time and on the second time she broke her hip. After this there was no third time as she was in great pain.

On June 22d as Roxie still was in pain and her daughter and boyfriend are living in a tent pitched in the yard, it was decided to call an ambulance and have her checked out by the doctors. They did an x-ray and detected a broken right hip. As Roxie is nearly 62 years old, diabetic and over 400 lbs, they decided to not take her up to Kansas City and put a pin or a cast on her and discharged her to her home shared by Pastor Lindstedt. The doctors estimate a minimum of three months to heal – if it heals. The System simply doesn't want to waste money on an old fat woman who requires more money and resources and who likely won't ever walk again anyway.

Bryan Reo deliberately has attacked a semi-literate woman who has done nothing to anyone and certainly not Reo itself. Bryan Reo knew full well that Roxie Fausnaught broke her leg back on Dec. 13, 2013 and was a bed-bound invalid ever since, yet Bryan Reo and Reo's lawyers and this Court pretends that Justice needs be served by endless abuse of legal process.

Exhibit #1 is the June 22, 2017 Emergency room report. Exhibit #2 is a letter from Roxie. There is now a YouTube video called "Roxie Broken Hip 4 July 2017" @

Pastor Martin Lindstedt and Lindstedt's Church wants this trial to continue even though while this Court has no real jurisdiction over Pastor Lindstedt and Lindstedt's Church as this Court does have jurisdiction over Bryan Reo, Bryan Reo's father, and Bryan Reo's lawyers Brett Klimkowsky and Kyle Bristow, who are officers of this Court.

Pastor Lindstedt wants these plaintiffs / counter-defendants in fraud to be sanctioned by this Court (1) by a striking of their *Motion(s) in Limine* to Exclude and Disqualify Pastor Lindstedt from being able to testify on behalf of his Church and himself but also against Bryan Reo for Bryan Reo's seven year campaign to censor Pastor Lindstedt's and Lindstedt's Church's by a campaign to take down a dozen or so Church web pages, those of others who were neutral, and sundry cyberstalking and harassment but most importantly in abuse of legal process, vexatious and frivolous litigation and malicious prosecution of not only the two combined cases 15CV001590 and 16CV000825 but of a malicious perjurous stalking case conducted *ex parte* and *in absentia* (16CS000102) against Pastor Lindstedt and Lindstedt's Church before various judges of the Court without jurisdiction to censor the Internet from an out-of-state defendant 900 miles away. Sanction #(2) should be for this Court to rule that Bryan Reo cannot become an attorney / officer of this Court and to order the expulsion of Bryan Reo for perjury and abuse of legal process for this and 50 other cases before this Court and another several dozen before the Northern District of Ohio federal court in Cleveland. Sanction #(3) should be to permanently disbar for fraud, perjury, malicious prosecution Bryan Reo's Attorney Brett A. Klimkowsky who has perjured himself to this Court before necessitating dismissal in the forum-shopping re-filed case Reo v. National Auto Division 16CV000526 on July 13, 2016. Bryan Reo filed a case against National Auto Division (Case # 15CV001850), then National Auto Division brought it to the federal court (1:15-cv-02517-DAP) where Reo and Klimkowsky got caught with a fraudulent claim, were forced to dismiss that case, then promptly refiled it again before this Court as 16CV000526. This Court threatened sanctions, but allowed Bryan Reo and Brett Klimkowsky to wriggle out of what is standard practice between the two of them acting in collusion to defraud, extort and racketeer under color of law across county and state lines numerous small family businesses as well as this Pastor. Sanction #(4) should be to sanction the last crooked lawyer over whom this Court has jurisdiction, i.e. Attorney Kyle Bristow, for whom Bryan Reo is Bristow's "law clerk" and Satanic mongrel "brain" working for an outfit calling itself the "Foundation for the Marketplace of Ideas" which is supposed to be according to the Southern

Poverty Law Center a "White Supremacist / Aryan Legal Group" for the advancement of White Nationalists. That these mongrels, homosexuals, and ZOGbots are big in the Alt-Right along with Richard Spencer and holding "free-speech" rallies and suing Pastor Lindstedt and Lindstedt's Church at the same time is a source of amusement and embarrassment.

In the alternative, this Court should allow Roxie Fausnaught to testify under oath from her bed when this Court decides it is necessary. She has her own computer with a video recorder and Pastor Lindstedt's Skype can be used.

Wherefore, a Continuance for three months or more while Roxie can heal or in the alternative allowing Roxie Fausnaught to testify via telephone or videoconference is requested.

Additionally, since Pastor Lindstedt lives 900 miles away from Lake County and it is expensive to travel so far, Bryan Reo and Klimowsky should post a bond/surety for expenses for these fraudulent claims against Pastor Lindstedt and Lindstedt's Church. Also, while this Court usually is in the custom of holding trial on Tuesdays, like on the June 6, 2017 trial scheduled, it would be a hardship to have Pastor Lindstedt set out on a Saturday or Sunday in order to get ready for trial and have to be there Monday preparation for a Tuesday trial and then have the trial cancelled. Bryan Reo has threatened Pastor Lindstedt and others with making Pastor Lindstedt and others have to go fight this matter in Lake County and then to delay the matter for the sheer purpose of blackmailing the defendants into submission. Rather a trial held on Thursday allowing the trial to have another day (Friday) and a notification upon determination on Monday as to whether trial shall take place is fairest on all parties and disallows Bryan Reo and Klimowsky unjust advantage from their venue shopping.

Exhibits tending to show the proof of these matters shall be attached, and posted on Pastor Lindstedt's Church web pages as usual.

Hail Victory !!!
