JACOB R. SKOUBY
Prosecuting Attorney
Newton County, Missouri

When I showed up at 1:15 p.m. I filed the Motion to Disqualify LePage for Bias and Prejudice and got it filestamped. Roxie went to use the restroom and I seen jewdge LePage and Prostitute Skouby in there. There was no witnesses, certainly not the DFS baby-stealing bitches or my Grandson Adam, by now he would be 11, who supposedly told these swine that I had kissed his penis.

Skouby handed me a copy of the paper above, telling me that the charges had been dismissed -- for now -- the Statute of Limitations hadn't run out. I asked him what had happened -- he couldn't get my grandson to lie against his grandfather? Skouby said that "certain witnesses declined to testify." I said, "After destroying my family and torturing me for 3 1/2 years you couldn't get my grandson to lie for you. He probably never even said what you claimed, or if he did it was under coercion." Skouby looked a bit scared. LePage looked back with the dark flat unsmiling eyes of a mud-shark.

I asked LePage if he had gotten the waiver of service and federal civil complaint yet. LePage said, "No comment." I then handed Skouby the Motion for Disqualification. Skouby then said that it was moot. I said that it still had been filed today and I had served him.
