

absolute bar to prosecution of one year, nor to whine about Pastor Lindstedt publishing the public records of that failed Federal case. Bryan Reo was rejected by this Court in adding new false charges dating from early 2016 about Pastor Lindstedt speculating about its relationship with Attorney Kyle Bristow being sexual in nature.

This Court simply doesn't have jurisdiction to in effect impose a blanket censorship and gag order over the Internet of what someone says about a quasi-public figure pretending to be a White Supremacist especially given that Bryan Reo is a homosexual deranged mongrel with an infinite capacity for evil like none other Pastor Lindstedt has ever before witnessed in the [bowel] Movement. Since this Court is barred from allowing Bryan Reo to prosecute a civil case for libel, slander, and defamation from 2010 to 2014 or to prosecute Pastor Lindstedt for publishing federal court public documents then the ONLY issue remaining is Pastor Lindstedt's counter-claims for Bryan Reo's abuse of legal process, malicious prosecution and vexatious litigation against Bryan Reo, Bryan Reo's father and co-conspirators William "Baal" Finck, Melissa Epperson, Clifton Emahiser, William Shawn DeClue, John Britton, and Reo's lawyers Kyle Bristow and Brett Klimkowsky.

The fraudulent and unconstitutional stalking case Bryan Reo used against Pastor Lindstedt, 16CS000102 should be set aside and Bryan Reo charged with perjury. Pastor Lindstedt has NEVER contacted Bryan Reo by telephone or mail and given Reo's often successful attempts at taking down Lindstedt's and Lindstedt's Church web pages and those of others Lindstedt does not ever directly contact Reo via the Internet. In fact it is precisely because Reo is a known homosexual mongrel working with the federal and state governments as an agent provocateur and antifa activist that Pastor Lindstedt has urged for the past eight years since Lindstedt detected Reo and Reo's co-conspirators William Finck, etc. to not harass or threaten harm or have anything to do whatsoever with Bryan Reo or anyone Bryan Reo has anything to do with because nothing good and much which is harmful will ever come of it.

Lastly, what with all these mass shootings, certain states have flirted with pre-emptively disarming patently evil and disturbed individuals who are an immanent threat to themselves or others. What with Bryan Reo's long history on Stormfront and at the North Perry Nuclear Power Plant of threatening to ambush and murder FBI, BATF, Lake County police, and just about anyone else ridiculing this Satannic mongrel abomination, (& especially Pastor Lindstedt) then if anyone should be locked up in protective custody first thing right off under any proposed or new law it is Attorney Bryan Reo, Bar No. 0097470. The second is Attorney Kyle Bristow who is

only slightly less deranged and also shows its delusions of grandeur / adequacy and possibly weapons from Bryan Reo. But not Attorney Brett Klimkowsky who is merely pathetic.

Insofar as what is to be presented at trial as Exhibits, Pastor Lindstedt intends to present the bogus Civil Complaints initiated by Reo to this Court and the Mentor Municipal Court, what little discovery Reo admitted to, the contents of Pastor Lindstedt's Church web pages and those of others in which Reo makes damaging admissions, the court filings of the federal and this Court, audio and video recordings of Reo and Reo conspirators and anything to counter any Reo claims which are baseless.

On July 18, 2018 a party to this lawsuit, Clifton Emahiser. died while under the care of William Finck and Melissa Epperson. Emahiser was yet another mongrel infesting Christian Identity pretending to be a Comparentian scholar intending like William Finck to change basic Dual-Seedline Christian Identity doctrine and dogma. Emahiser used his position as a so-called scholar to "inject" the murderous jew pig William Finck from his prison sentence for the murder of a handcuffed Puerto-Rican sneak thief named Arnauldo Ortega and then Finck informing on another jailer at the Jersey City Jail and then deliberately ruining that jailer's appeal in return for a lighter federal sentence. Emahiser knew that Bryan Reo was and is a mongrel and was working to Lindstedt's detriment, thus was named as a party in Pastor Lindstedt's counter-suit.

Other than this latest addendum to the latest Pre-Trial Statement and Proposed Exhibits to be presented at trial there is nothing new to add by Pastor Lindstedt.

After over eight years of Bryan Reo taking down Church web pages, threats, bogus federal and local Ohio court abuse of legal process, Pastor Lindstedt wants this case to continue to jury trial on 7 August 2018, for Bryan Reo to be disbarred and locked up and not allowed to do more evil. The only time Pastor Lindstedt had a qualm about telling the truth about Bryan Reo and Reo's fellow evildoers was when Lindstedt found out that Reo got fired from its job at the nuclear power plant and thus couldn't kill the millions of NorthEast Ohio walking pieces of shit that allow its courts to let Reo run wild.

Hail Victory !!!
