DEFENDANT’S PRE-TRIAL STATEMENT ADDENUM TO THE PREVIOUS FIVE OR SIX PRE-TRIAL STATEMENTS FOR JURY TRIAL SET FOR 12 JUNE 2018

COMES NOW the current Defendant / Counter-Claimant Pastor Martin Lindstedt (hereafter in person described as “Pastor Lindstedt”) and to the limited extent possible for Roxie Fausnaught and The Church of Jesus Christ Christian / Aryan Nations of Missouri (neither of which are within the jurisdiction of this local Lake County Court except within the fevered delusions of Bryan Reo – now a licensed attorney and perjurous officer of this Court (Bar # 0097470) and furthermore Roxie Fausnaught has never been served) to make a mere Pre-Trial Statement Addendum of two pages for the Seventh Attempt at a Jury Trial set for 12 June 2018. By its “forum shopping” before this local Court and now that it has been allowed to file new cases – now up to 56 including the old one against Starkist Tuna – and by removing its old lawyer co-conspirators Attorneys Kyle Bristow and Brett A. Klimkowsky from this case now that the “Foundation for the MarketPlace of Ideas” / ZOGbot Poverty [F]Law Center which was supposed to conduct “lawfare” on behalf of jew, mongrel, pervert and agents provocateur pretending to be Alt-Right, White Nationalist / Supremacist has imploded in early March 2018 – there really isn’t much, if anything, different than the issues presented by Defendant Pastor Lindstedt in his PreTrial Motions for the jury trials scheduled for Jan 23, 2018 amended from Sept. 2016, then 6 June 2017, then Aug. 1, 2017.

Pastor Lindstedt does not recognize that this Court has any jurisdiction to grant Bryan Reo the ability to censor the Internet, nor to pursue claims prior to 2015 from 2010-2014 after Bryan Reo lost his previous fraudulent federal case due to Ohio Statute of Limitations setting an

absolute bar to prosecution of one year, nor to whine about Pastor Lindstedt publishing the public records of that failed Federal case. Bryan Reo was rejected by this Court in adding new false charges dating from early 2016 about Pastor Lindstedt speculating about its relationship with Attorney Kyle Bristow being sexual in nature. Attorney Bristow called up Roxie Fausnaught's land line from 9:50-10:00 p.m. on May 12, 2018 to snoop:

http://bryanreo-lawsuits.xyz/ZOGbot_PLC/2018/May18/12May18_Bristow/V0510001-KyleBristow_12May18_0951pm.mp3

This Court simply doesn't have jurisdiction to in effect censor the Internet of what someone says about someone else regardless of whether it is true or not – and that Bryan Reo is a homosexual deranged mongrel with an infinite capacity for evil like none other Pastor Lindstedt has ever before witnessed in the [bowel] Movement – is true enough. Since this Court is barred from allowing Bryan Reo to prosecute a civil case for libel, slander, and defamation from 2010 to 2014 or to prosecute Pastor Lindstedt for publishing federal court public documents then the ONLY issue remaining is Pastor Lindstedt's counter-claims for Bryan Reo's abuse of legal process, malicious prosecution and vexatious litigation against Bryan Reo, Bryan Reo's father and co-conspirators William "Baal" Finck, Melissa Epperson, Clifton Emahiser, William Shawn DeClue, John Britton, and Reo's lawyers Kyle Bristow and Brett Klimkowsky.

The fraudulent and unconstitutional stalking case Bryan Reo used against Pastor Lindstedt, 16CS000102 should be set aside and Bryan Reo charged with perjury.

Lastly, what with all these mass shootings, certain states have flirted with pre-emptively disarming patently evil and disturbed individuals who are an immanent threat to themselves or others. What with Bryan Reo's long history on Stormfront and at the North Perry Nuclear Power Plant of threatening to ambush and murder FBI, BATF, Lake County police, and just about anyone else ridiculing this Satannic mongrel abomination, (& especially Pastor Lindstedt) then if anyone should be locked up in protective custody first thing right off under any proposed or new law it is Attorney Bryan Reo, Bar No. 0097470. The second is Attorney Kyle Bristow who is only slightly less deranged and also shows its delusions of grandeur / adequacy and possibly weapons from Bryan Reo. But not Attorney Brett Klimkowsky who is merely pathetic.

Of course Bryan Reo, seeing this Pre-Trial Motion by Pastor Lindstedt might seek to shoot up the Mentor Elementary School as Reo is a cowardly Satannic mongrel abomination, but hey, no telling what it might do when cornered. YOU are the ones that let it run wild, NOT me!!!

After over eight years of Bryan Reo taking down Church web pages, threats, bogus federal and local abuse of legal process, Pastor Lindstedt wants this case to continue to jury trial on 12 June 2018, for Bryan Reo to be disbarred and locked up and not allowed to do more evil. The only time Pastor Lindstedt had a qualm about telling the truth about Bryan Reo and Reo's fellow evildoers was when Lindstedt found out that Reo got fired from its job at the nuclear power plant and thus couldn't kill the millions of NorthEast Ohio walking pieces of shit that allow its courts to let Reo run wild.

Hail Victory !!!
